M And Other Poems:

M/OTHER Clara A. B. Joseph, 2024-02-09 What does it mean to love a woman a mother an other and hold her at arm s length Clara Joseph s third collection of poems M OTHER skillfully navigates the nuances and irony of this daily exercise With each turn of the page the narrative gains emotional intensity and takes readers on unexpected journeys such as this one He smiled like the man he was as he copied wonder into my lap And I bent to smell his washed scalp the nip was barely visible And the snake slid away in the shadows between our hooves While the collection playfully experiments with language and form it never obscures the gravity of its themes as in the parenthetical query Could I be a Ruth to my Naomi Or would I be simply ruthless The collection is divided into three parts each exploring the multifaceted nature of motherhood uncovering biographical details certainties uncertainties and the intricacies of hidden pasts It also contemplates unconventional messages both reverent and irreverent unveiling their magical essence In the final section the book contemplates senility and will death and miracle and survival and freedom *Nadaber, a tradition: with other poems. By C. & M. Rowles* Charlotte Rowles, 1829 *The Man from Misery and Other Poems* Brandon Hodge, 2010-08-12 The Man from Misery and Other Poems is the book that almost never was This collection of more than two hundred inspired poems took nearly thirteen years to create and author Brandon Hodge fought an uphill battle for publication The Man from Misery is a rich collection of poetry from the deepest parts of the heart where poetry should start rich with themes like hate anger loss lust life joy and most of all love Brandon began writing short stories as a child when he was eleven years old he discovered poetry Poetry comes from the heart and from inside and Brandon is no stranger to adversity and loss Born with a serious illness Brandon was told he would not live to be sixteen but he overcame lung cancer personal tragedy and loss to become the poet he is today His pain and personal experience have shaped his writing as well as his life *M and Other Poems* John Peck, 1996 Peck has established himself as a major poet opening up territory no one else has attempted Clive Wilmer Times Literary Supplement
