Macarthur In Japan:

The Conqueror Comes to Tea John La Cerda, 2018-12-01 The story of Japan is no longer if it was ever the delicate words and prints of the travel literature of the nineteenth and early twentieth centuries A scheme for ruling the world has been followed by a costly war the war by unconditional surrender the surrender by occupation From these tumbling events is emerging the new story with characters and plots aplenty in the stark sometimes terrifying and always swiftly moving drama of Japan today It has all the makings of a novel Reports of General MacArthur: suppl. MacArthur in Japan: The occupation, military phase Supreme Commander for the Allied Powers, 1966 **Dear General MacArthur** Sodei Rinjiro, 2006 This work compiles some 120 letters from Japanese citizens to General Douglas MacArthur during the postwar occupation of Japan 1945 1952 These letters evoke the unfiltered voices of people of all classes and occupations during the tremendous upheaval of the early postwar period *Reports of General MacArthur: suppl. MacArthur in Japan: The occupation, military phase* Supreme Commander for the Allied Powers, 1966 **Reports of General MacArthur: supplement. MacArthur in Japan: the occupation, military phase** Douglas MacArthur, 1994 MacArthur in Japan Douglas MacArthur, 2015-09-04 Reports of General MacArthur are the official after action reports of General of the Army Douglas MacArthur Long out of print this facsimile edition contains not only MacArthur s own perspective of his operations against the Japanese in the Southwest Pacific Area during World War II but also the enemy s unique account of Imperial Army campaigns against MacArthur s forces Collectively the reports have substantial and enduring value for military historians and students of military affairs providing an illuminating record of momentous events influenced in large measure by a distinguished Soldier and towering figure in American historiography The Reports of General MacArthur include two volumes being published by the Department of the Army in four books reproduced exactly as they were printed by General MacArthur s Tokyo headquarters in 1950 except for the addition of this foreword and indexes Volume II of the Reports represents the contributions of Japanese officers employed to tell their story of operations against MacArthur s forces Volume I narrates the operations of forces under General MacArthur s command from the Japanese attack on Luzon in 1941 through the surrender in 1945 While service histories have covered much of the same ground in separate volumes no single detailed narrative of General MacArthur s leadership as commander of the Southwest Pacific Area has yet appeared Chapters dealing with the reconquest of Borneo plans for the invasion of Japan and the Japanese surrender make a distinctly new contribution Volume I Supplement describes the military phase of the occupation through December 1948 reporting events not treated elsewhere in American publications Volume II on Japanese operations brings together a mass of information on the enemy now only partially available in many separate works Collectively the Reports should be of wide interest and value to the American people generally as well as to students of military affairs They are an illuminating record of momentous events influenced in large measure by a distinguished American soldier Winners in Peace Richard B. Finn, 2022-08-19

Singular for its breadth and balance *Winners in Peace* chronicles the American Occupation of Japan an episode that profoundly shaped the postwar world Richard B Finn who participated in the Occupation as a young naval officer and diplomat tells the full story of the activities from 1945 to 1952 He focuses on the two main actors General Douglas MacArthur and Japanese Prime Minister Shigeru Yoshida and details the era s major events programs and personalities both American and Japanese Finn draws on an impressive range of sources American Japanese British and Australian including interviews with nearly one hundred participants in the Occupation He describes the war crimes trials constitutional reforms and American efforts to rebuild Japan The work of George Kennan in making political stability and economic recovery the top goals of the United States became critical in the face of the developing Cold War *Winners in Peace* will aid our understanding of Japan today its economic growth its style of government and the strong pacifist spirit of its people This title is part of UC Press s *Voices Revived* program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992

MacArthur in Asia Hiroshi Masuda,2012-10-05 General Douglas MacArthur s storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country s future president Emanuel L Quezon In 1935 he became Quezon s military advisor a post he held after retiring from the U S Army and at the time of Japan s invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan s surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In *MacArthur in Asia* the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general s staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both MacArthur s and the region s history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation *Soldier of God* Ray A. Moore,2011 *Soldier of God* is a study of General Douglas MacArthur s effort to influence the religious life of Japan by

suppressing native religions and enabling the propagation of Christianity in that country during the American occupation 1945 1952 As Supreme Commander of the Allied Powers SCAP MacArthur said it was his duty as a Soldier of God and of the Republic to fill the moral vacuum in Japan by restoring and reviving religion After an introduction to Japan's prewar encounter with Christianity this study focuses on four major issues Part One describes the efforts of the Foreign Missions Conference FMC of the American Council of Churches to resume proselytizing in postwar Japan The FMC arranged with the American government to send a church delegation to Japan and President Truman gave a letter to the church leaders addressed to Emperor Hirohito Part Two explores the delegates meetings with MacArthur Emperor Hirohito Japan's prime minister and Japanese Christian leaders Convinced that Japan was a fertile field for propagating Christianity the FMC in the U S laid plans for sending missionaries to support MacArthur's scheme for Christianizing Japan Part Three explores the Imperial family's apparent interest in Christianity The empress took Bible lessons and the crown prince now emperor studied English and the Bible with an American Quaker woman The book presents evidence that the major concern of Imperial advisers and staff was to save Emperor Hirohito from trial as a war criminal Part Four examines MacArthur's policy of using the Christian community to counter the growing influence of Communism in Japanese schools He supported the creation of a new International Christian University to oppose leftist influence among Japan's youth This book makes an important contribution to the ongoing study of MacArthur the Occupation and Christianity in Japan [The Riddle of MacArthur](#) John Gunther, 1951 *REPORTS OF GENERAL MACARTHUR* Gen Douglas MacArthur, MacArthur's General Staff, 2016-11-30 From Melbourne five thousand miles away at the bottom of the world General MacArthur by mid 1945 had smashed his way back to the very outposts of the Japanese homeland itself Buna Biak the Philippine Sea Leyte a tremendous itinerary of two and a half years against a fanatically resisting foe At the end of June he paused to assemble his forces grown from scattered relatively green American troops and a small but battle hardened section of Australians into a mighty concentration of power On the ground in the air and on the sea they were massing for what would be the final drive against the Japanese stronghold the homeland archipelago Enemy resistance was to be pulverized in an invasion drive that would begin in the fall of 1945 and be continued in a second phase in the spring of 1946 Operation Olympic would launch an amphibious assault by veteran Sixth Army troops against southern Kyushu to secure the needed beachhead Tremendous hammer blows by air and sea would soften up the formidable objective before the troops went in Then in Operation Coronet three corps including eight divisions of the Eighth Army and two more corps of the First Army would be catapulted into the heart of the Tokyo Plain itself It was expected to be costly [Japan's Denial and MacArthur's Secret Deal](#) Mac Horino, 2004-09 Japan's Denial MacArthur's Secret Deal is a sociocultural analytical approach to bottom out the cause and effect of what Japan has become today and her current societal dysfunction beyond economic crisis Japan's Denial MacArthur's Secret Deal is to unveil the kept secret of Japan when supreme Commander of Allied Powers General Douglas MacArthur summoned Emperor Hirohito to GHQ right

after Japan accepted an unconditional surrender The socio cultural analysis examines the unexpected opportunity MacArthur created for the post war Japan as a result of his fateful decision and looks into her formative years as a modern nation to explain how Japan developed a collective unconscious national character disorder which has led both to her success as the world second economy and as her failure to develop a post World War II socio cultural identity The analysis depicts the inner working of Japanese psyche and emotion Discover the roots of conceived myth of Japan as an inscrutable and alien nation in Western experiences yet so approachable via Pokemon gadget rich electronics appliances and fully loaded cars To them Japan is in spite of all these exposure a nation of contradiction and duality *Reports of General MacArthur: suppl. MacArthur in Japan: the occupation, military phase* Supreme Commander for the Allied Powers,1994 Reports of General MacArthur: MacArthur in Japan: The Occupation: Military Phase. Volume 1 Supplement Douglas MacArthur,Harold K. Johnson,2012-09-01 With full color maps From the foreword The Reports of General MacArthur include two volumes being published by the Department of the Army in four books reproduced exactly as they were printed by General MacArthur s Tokyo headquarters in 1950 except for the addition of this foreword and indexes Since they were Government property the general turned over to the Department in 1953 these volumes and related source materials In Army and National Archives custody these materials have been available for research although they have not been easily accessible While he lived General MacArthur was unwilling to approve the reproduction and dissemination of the Reports because he believed they needed further editing and correction of some inaccuracies His passing permits publication but not the correction he deemed desirable In publishing them the Department of the Army must therefore disclaim any responsibility for their accuracy But the Army also recognizes that these volumes have substantial and enduring value and it believes the American people are entitled to have them made widely available through government publication Volume I Supplement describes the military phase of the occupation through December 1948 reporting events not treated elsewhere in American publications

Supreme Commander Seymour Morris,2014-04-22 A blend of political history and military biography examining General Douglas MacArthur s role in rebuilding Japan following World War II Seymour Morris captures MacArthur s brilliant method of command at once judicious imperious and humble A very readable and instructional treatment of a misunderstood figure Evan Thomas author of Ike s Bluff He is the most decorated general in American history the only five star general to receive the Medal of Honor Yet Douglas MacArthur s greatest victory was not in war but in peace As Supreme Commander for the Allied Powers in postwar Japan General Douglas MacArthur was charged with transforming the defeated militarist empire into a beacon of peace and democracy a task he called the greatest gamble ever attempted A career military man MacArthur had no experience in politics diplomacy or economics Vain reclusive and self centered he had many enemies in Washington who considered him a flaming peacock Few thought he could succeed not even President Harry Truman s closest advisors But MacArthur did succeed brilliantly defying timetables and expectations He announced eleven objectives and

achieved them all establishing a bond between two countries that survives to this day Supreme Commander combines political history and military biography to tell for the first time how MacArthur achieved a nation building feat never before attempted nor replicated since Seymour Morris Jr reveals this flawed man at his best as one who treated a defeated enemy with respect made informed thoughtful decisions yet could also be brash and stubborn when necessary leading the occupation with intelligence class and compassion Reviewing MacArthur s key tactical choices and accomplishments Morris presents a detailed intimate portrait of a great American a patriot and a man of strong conviction who proved to be an outstanding and effective leader under extraordinary circumstances Morris tells in dramatic detail how this ultimate warrior almost overnight became the ultimate peacemaker turning devastated militarized Japan into a functioning democracy in five years without firing a shot James Bamford author of Body of Secrets and The Shadow Factory With entertaining prose and good research Morris shows how MacArthur brilliantly midwifed devastated Japan s rebirth as a modern democratic state a task that required executive and diplomatic skill John Steele Gordon author of Empire of Wealth A fascinating study of the greatest success of Douglas MacArthur one of the most consequential and controversial Americans of the twentieth century Gautam Mukunda author of Indispensable When Leaders Really Matter MacArthur in Japan Douglas MacArthur, Supreme Commander for the Allied Powers, 1966 **Reports of General MacArthur: Supplement.
