Machine Age Maya The Industrialization:

Machine Age Maya Manning Nash, 1958 This is the story of the people of Cantel an Indian community in the western highlands of Guatemala It is the description and analysis of a people who have successfully moved from a simple farming technology not much removed from that of their pre Columbian ancestors to operating in the midst of Central America s largest textile mill The adaptation of this Indian community to factory work cash wages and the wider ties of the modern industrial world is a precipitate of history Chapter 1 page 1

Machine Age Maya ; the Industrialization of a Guatemala Community Manning Nash, 1958 **Refugees of a Hidden War** Beatriz Manz, 1988-01-01 Examines the results of the political violence and military repression in Guatemala during the 1980s **In the Country of the Old** Jon Hendricks, 2019-03-29 Aging is a universal experience and an individual one But it is also a cultural phenomenon Our ethnic and social background has a strong influence on how we deal with growing old This collection draws on research from around the world to explore how cultural context shapes and defines the aging process Studies examine differing patterns in the lives of the aged in Portugal Polynesia Sweden and Israel and among ethnic groups in the United States **Out of the Shadow** Julie Gibbings, Heather Vrana, 2020-07-20 Guatemala s Ten Years of Spring 1944 1954 began when citizens overthrew a military dictatorship and ushered in a remarkable period of social reform This decade of progressive policies ended abruptly when a coup d tat backed by the United States at the urging of the United Fruit Company deposed a democratically elected president and set the stage for a period of systematic human rights abuses that endured for generations Presenting the research of diverse anthropologists and historians Out of the Shadow offers a new examination of this pivotal chapter in Latin American history Marshaling information on regions that have been neglected by other scholars such as coastlines dominated by people of African descent the contributors describe an era when Guatemalan peasants Maya and non Maya alike embraced change became landowners themselves diversified agricultural production and fully engaged in electoral democracy Yet this volume also sheds light on the period s atrocities such as the US Public Health Service s medical experimentation on Guatemalans between 1946 and 1948 Rethinking institutional memories of the Cold War the book concludes by considering the process of translating memory into possibility among present day urban activists

Conquest and Survival in Colonial Guatemala George Lovell, 1992-03-03 No detailed description available for Conquest and Survival in Colonial Guatemala **Fanning the Sacred Flame** Matthew A. Bost, Brian D. Dillon, 2012-03-15 Fanning the Sacred Flame Mesoamerican Studies in Honor of H B Nicholson contains twenty two original papers in tribute to H B Nick Nicholson a pioneer of Mesoamerican research His intellectual legacy is recognized by Mesoamerican archaeologists art historians ethnohistorians and ethnographers students colleagues and friends who derived inspiration and encouragement from him throughout their own careers Each chapter which presents original research inspired by Nicholson pays tribute to the teacher writer lecturer friend and mentor who became a legend within his own lifetime Covering all of

Mesoamerica across all time periods contributors include Patricia R Anawalt Alfredo L pez Austin Anthony Aveni Robert M Carmack David C Grove Richard D Hansen Leonardo L pez Luj n Kevin Terraciano and more Eloise Qui ones Keber provides a thorough biographical sketch detailing Nicholson s academic and professional journey Publication supported in part by The Patterson Foundation and several private donors [Historical Dictionary of Guatemala](#) Michael F. Fry,2018-02-20 Guatemala holds a dual image For more than a century travel writers explorers and movie producers have painted the country as an exotic place a land of tropical forests and the home of the ancient and living Maya Archaeological ruins abandoned a millennium ago have enhanced their depictions with a wistful dreamy aura of bygone days of pagan splendor and the unique colorful textiles of rural Maya today connect nostalgically with that distant past Inspired by that vision fascinated tourists have flocked there for the past six decades Most have not been disappointed it is a genuine facet of a complex land Guatemala is also portrayed as a poor violent repressive country ruled by greedy tyrants with the support of an entrenched elite the archetypal banana republic The media and scholarly studies consistently confirm that fair assessment of the social political and economic reality The Historical Dictionary of Guatemala contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Guatemala *Sons of the Sierra* Patrick J. McNamara,2012-09-01 The period following Mexico s war with the United States in 1847 was characterized by violent conflicts as liberal and conservative factions battled for control of the national government The civil strife was particularly bloody in south central Mexico including the southern state of Oaxaca In *Sons of the Sierra* Patrick McNamara explores events in the Oaxaca district of Ixtlan where Zapotec Indians supported the liberal cause and sought to exercise influence over statewide and national politics Two Mexican presidents had direct ties to Ixtlan district Benito Juarez who served as Mexico s liberal president from 1858 to 1872 was born in the district and Porfirio Diaz president from 1876 to 1911 had led a National Guard battalion made up of Zapotec soldiers throughout the years of civil war Paying close attention to the Zapotec people as they achieved greater influence McNamara examines the political culture of Diaz s presidency and explores how Diaz who became increasingly dictatorial over the course of his time in office managed to stay in power for thirty five years McNamara reveals the weight of memory and storytelling as Ixtlan veterans and their families reminded government officials of their ties to both Juarez and Diaz While Juarez remained a hero in their minds Diaz came to represent the arrogance of Mexico City and the illegitimacy of the Porfiriato that ended with the 1910 revolution [The Peruvian Industrial Labor Force](#) David Chaplin,2015-12-08 This is a sociological analysis of change and mobility in the labor force of thirteen of the largest textile factories in Peru The book explores demographic and social variables such as age sex birthplace migration seniority current and former occupations and employment status as possible indices of rationality in the Peruvian labor market There are two especially striking empirical

findings the Peruvian textile industry has not been plagued by the high levels of labor turnover generally assumed to be inevitable in underdeveloped countries since 1955 women are being shut out of better paying manufacturing jobs because of welfare laws that make them more expensive to employ than men Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Industrialization and Urbanization Theodore K. Rabb, Robert I. Rotberg, 2014-07-14 Focusing on urban development and the influence of urbanization on industrialization this volume reflects a radical rethinking of the traditional approaches to the development of cities Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Revolution and Its*

Alternatives Tom Brass, 2018-11-26 Against the usual argument heard most frequently on the left that there is no subject for a radical politics together with its form of political mobilization there is but in the absence of a radical leftist project this subject has in the past transferred and in many instances is still transferring his her support to the radical politics on offer from the other end of the ideological spectrum The combination of on the one hand a globally expanding industrial reserve army generating ever more intense competition in the labour markets of capitalism and on the other the endorsement by many on the left not of class but rather of non class identities espoused by the new populist postmodernism has fuelled what can only be described as a perfect storm politically speaking *Steel Town Adivasis* Christian Strümpell, 2024-06-07 Steel

Town Adivasis Industry and Inequality in Eastern India presents an analysis of class formation in the industrial town Rourkela in the eastern Indian state Odisha and the ways this process relates to regional ethnicity and caste This study is based on long term ethnographic research conducted in the 2000s and oral histories covering the period from the inception of the steel plant and it focusses on the region s tribes indigenous people or Adivasis who lost their land when the Government of India established a large steel plant in Rourkela in the 1950s The book will be of interest to anthropologists sociologists historians interested in industrial labour and work in class caste Adivasis ethnicity and their dynamic entanglement as well as students and activists Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan *National Character* Alex Inkeles, 2017-07-12 Seen in modern perspective the concept of national character poses fundamental problems for social science theory and research To what extent do conditions of life in a

particular society give rise to certain patterns in the personalities of its members What are the consequences Alex Inkeles surveys various definitions of national character tracing developments through the twentieth century His approach is to examine the regularity of specific personality patterns among individuals in a society He argues that modal personality may be extremely important in determining which new cultural elements are accepted and which institutional forms persist in a society Reviewing previous studies Inkeles canvasses the attitudes and psychological states of different nations in an effort to discover a set of values in the United States He concludes that despite recent advances in the field there is much to be done before we can have a clear picture of the degree of differentiation in the personality structure of modern nations Until now there were few formal definitions and discussions on national character and the limits of this field of study This book will be of great interest to psychologists sociologists philosophers and political theorists

Return from the Natives Peter Mandler, 2013-05-07 DIV Celebrated anthropologist Margaret Mead who studied sex in Samoa and child rearing in New Guinea in the 1920s and 30s was determined to show that anthropology could tackle the psychology of the most complex modern societies in ways useful for waging the Second World War This fascinating book follows Mead and her closest collaborators her lover and mentor Ruth Benedict her third husband Gregory Bateson and her prospective fourth husband Geoffrey Gorer through their triumphant climax when Mead became the cultural ambassador from America to Britain in 1943 to their downfall in the Cold War Part intellectual biography part cultural history and part history of the human sciences Peter Mandler's book is a reminder that the Second World War and the Cold War were a clash of cultures not just ideologies and asks how far intellectuals should involve themselves in politics at a time when Mead's example is cited for and against experts involvement in Iraq and Afghanistan

Human Settlements Sam Stuart, 2013-10-02 Human Settlements An Annotated Bibliography is an annotated bibliography on human settlements and includes books journal articles reports and documents Documents from Habitat United Nations Conference on Human Settlements with National Reports are arranged alphabetically by country along with other Conference documents This book is comprised of four chapters and begins with a list of books journal articles reports and documents dealing with topics such as housing policies housing problems in underdeveloped areas and the effects of land reform and rural ordinance programs The next chapter is devoted to a bibliography of bibliographies covering topics ranging from land use planning to rural roads and their potential The third chapter includes national reports from countries such as Afghanistan Algeria and Bangladesh The bibliography concludes with a subject index of key words subdivided geographically a secondary author index that includes personal and corporate authors editors compilers and authors of significant introductions and a list of libraries consulted This monograph should be of interest to housing officials and policymakers

After the Coup Timothy J. Smith, Abigail E Adams, 2011-08-11 This exceptional collection revisits the aftermath of the 1954 coup that ousted the democratically elected Guatemalan president Jacobo Arbenz Contributors frame the impact of 1954 not only in terms of the liberal reforms and coffee revolutions of the

nineteenth century but also in terms of post 1954 U S foreign policy and the genocide of the 1970s and 1980s This volume is of particular interest in the current era of the United States re emerging foreign policy based on preemptive strikes and a presumed clash of civilizations Recent research and the release of newly declassified U S government documents underscore the importance of reading Guatemala s current history through the lens of 1954 Scholars and researchers who have worked in Guatemala from the 1940s to the present articulate how the coup fits into ethnographic representations of Guatemala Highlighting the voices of individuals with whom they have lived and worked the contributors also offer an unmatched understanding of how the events preceding and following the coup played out on the ground Contributors are Abigail E Adams Richard N Adams David Carey Jr Christa Little Siebold Judith M Maxwell Victor D Montejó June C Nash and Timothy J Smith

Race and Ethnicity in Latin America Peter Wade, 2010-05-12 For over ten years *Race and Ethnicity in Latin America* has been an essential text for students studying the region This second edition adds new material and brings the analysis up to date Race and ethnic identities are increasingly salient in Latin America Peter Wade examines changing perspectives on Black and Indian populations in the region tracing similarities and differences in the way these peoples have been seen by academics and national elites Race and ethnicity as analytical concepts are re examined in order to assess their usefulness This book should be the first port of call for anthropologists and sociologists studying identity in Latin America
