Death and Funeral Practices in Aotearoa New Zealand Ruth McManus, Denise Blake, Jessica Thompson, 2025-04-03 This book provides a shortform definitive reference text on the landscape and features of Aotearoa New Zealand that underpin its familiar though country specific ways of caring for the dead It provides an account of diverse funerary practices that have taken shape through the various cultures that have settled here In the backdrop of the colonising history of Aotearoa New Zealand the book examines the complex legislative framework that separates M ori and non M ori funerary legislation and practices Examining the mixed model of provision spanning municipal commercial and private organisations the book outlines various aspects of funerals such as the care of the body funeral arrangements costs and what state support is available It also delves into the two legal ways to manage the dead burial or cremation with cremation now the majority option The book explores the numbers ownership and locations of crematoria and cemeteries before identifying the new trends influencing death care including sustainability It then looks at how death is memorialised in Aotearoa New Zealand including in cemeteries for war memorialisation and other public commemoration and memorialisation This book will be of interest to the growing body of local authority planners researchers and funeral professionals who must be responsive to and provide their services in complex multi cultural contexts As the scope of the book is historical and contemporary death practices it will also appeal to social historians **Spiritual Care in Palliative Care** Megan C. Best, 2024-08-31 An

international panel of experts have contributed to create the first comprehensive guide to spiritual care focussing on the palliative care setting from neonatal to aged care combining the theoretical underpinnings of spirituality research with practical applications for its introduction into patient care This book is structured to give a detailed understanding of the importance of spirituality for patients approaching the end of life as well as the impact of spiritual care on patients families and carers As the first step towards reaching this goal the need for spiritual care training of clinicians is outlined including the crucial step of nurturing one s own spiritual life Ways to identify and assess patients spiritual needs are explained The experience of existential suffering is explored along with discussion of the ways it can manifest and how it can be addressed The implementation of spiritual care in the clinical setting is detailed with illustrations of the role of each member of the

palliative care team and the benefits of an institutional approach This valuable resource provides not only empirical evidence for the importance of spiritual care but also practical guidance for those wishing to practice it It is ideal for all those caring for patients of all ages at the end of life including palliative care clinicians spiritual care professionals students and researchers and anyone interested in creating meaning in the face of imminent death *Death Across Cultures* Helaine Selin, Robert M. Rakoff, 2019-07-01 *Death Across Cultures* Death and Dying in Non Western Cultures explores death practices and beliefs before and after death around the non Western world It includes chapters on countries in Africa Asia South America as well as indigenous people in Australia and North America These chapters address changes in death rituals and beliefs medicalization and the industry of death and the different ways cultures mediate the impacts of modernity Comparative studies with the west and among countries are included This book brings together global research conducted by anthropologists social scientists and scholars who work closely with individuals from the cultures they are writing about

Maori Death Customs Roger Stanley Oppenheim, 1965 *Clinical Methods in Transcultural Psychiatry* Samuel O. Okpaku, 1998 As the international community shrinks into a global village cultures mix meld and blur presenting psychiatric professionals with new challenges a growing number of patients of different nationalities ethnicities and backgrounds These sociocultural identities so integral to personality must be recognized and taken into account when diagnosing and treating mental illness This is the premise behind transcultural psychiatry On the leading edge of an emerging discipline this compendium by respected clinicians from around the world is one of the first books to offer an in depth look at transcultural psychiatry Concise yet comprehensive *Clinical Methods in Transcultural Psychiatry* draws on a wealth of case studies and relevant clinical experience to provide practicing clinicians with a basic foundation of culturally informed psychiatry on which they can build Logically organized into six sections the book begins with an overview of transcultural psychiatry and then moves to the important topic of cultural psychiatry and mental health services Treatment approaches are addressed next followed by highlights of recent research special topics such as how religious and supernatural beliefs affect behavior and discussions and recommendations on education and training in transcultural psychiatry The final section emphasizes families in cultural transition focusing on the needs of women and children Although transcultural psychiatry has never been more relevant than today most psychiatric textbooks only briefly address it This fascinating work covering everything from the impact of magic and religion in Italy to class culture and religion in London's inner city familiarizes readers with the principles and practices of transcultural psychiatry focusing on the significance of cultural factors in the causes and meanings behind the pain and suffering as well as the healing of mental illness **Maori Religion and Mythology** Elsdon Best, 1924 *Language Endangerment* Elisabeth Piirainen, Ari Sherris, 2015-10-15 Languages and language varieties around the globe have been diminishing at an astonishing rate Despite great efforts at language documentation scholarship on metaphors and figurative units often particularly fragile parts of language has been largely neglected until recently This book

like its predecessor *Endangered Metaphors* CLSCC 2 2012 focuses on disappearing metaphors and idioms from languages of diverse continents Moreover the book analyzes work from online social interaction discusses topics such as language maintenance educational practice and revitalization as well as future directions for endangered metaphor studies The book is highly innovative and produces new findings for linguistics and cultural studies the more languages are examined especially minority varieties distant from western languages the more questionable becomes universality in the field of metaphor with unique linguistic data across chapters evidencing the non universality of conceptual metaphors and calling for a revision of existing metaphor theories The book will be of special interest to linguistics metaphor and phraseology research applied linguistics sociolinguistics linguistic anthropology public policy sociology community activists and educators of language maintenance and revitalization

Entanglements of Empire Tony Ballantyne, 2015-03-16

Entanglements of Empire explores the political cultural and economic entanglements and irrevocable social transformations that resulted from Maori engagements with Protestant missionaries at the most distant edge of the British empire The first Protestant mission to New Zealand established in 1814 saw the beginning of complex political cultural and economic entanglements with Maori *Entanglements of Empire* is a deft reconstruction of the cross cultural translations of this early period Misunderstanding was rife the physical body itself became the most contentious site of cultural engagement as Maori and missionaries struggled over issues of hygiene tattooing clothing and sexual morality In this fascinating study Tony Ballantyne explores the varying understandings of such concepts as civilization work time and space and gender and the practical consequences of the struggles over these ideas The encounters in the classroom chapel kitchen and farmyard worked mutually to affect both the Maori and the English worldviews Ultimately the interest in missionary Christianity among influential Maori chiefs had far reaching consequences for both groups Concluding in 1840 with the signing of the Treaty of Waitangi and the new age it ushered in Ballantyne's book offers important insights into this crucial period of New Zealand history

The Mourner's Dance Katherine Ashenburg, 2004-09-01

When her daughter's fiancé died suddenly Katherine Ashenburg was surprised to see how her daughter intuitively re-created the traditional rituals of mourning even those of which she was ignorant Intrigued Ashenburg began to explore the rich and endlessly inventive choreographies different cultures and times have devised to mark a universal and deeply felt plight Contemporary North American culture favors a mourning that is private and virtually invisible But as Ashenburg reveals the grieving customs of the past were so integrated into daily life that ultimately they gave rise to public parks and ready to wear

clothing Our keepsakes prescribed bereavement garb resting places mourning etiquette and ways of commiserating from wakes to Internet support groups remain clues to our most elemental beliefs and our most effective means of restoring selves and communities unraveled by loss *Healing Practices in the South Pacific* Claire D.
