Our country ! ,1972 **Our Country** Benson John Lossing,1905 *The History of Our Country from the Discovery of America to the Present Time* Edward Sylvester Ellis,1900 *Celebrate America!*, Book 1 Martha Mier, Stirring collections of original intermediate to late intermediate level piano solos by Martha Mier reflecting the beauty grandeur and spirit of America Perfect for recitals and performance classes with a patriotic theme the moods and styles of these pieces vary from quiet romantic and dignified melodies to rollicking happy and carefree tunes *The United States of America* ,1906 **The Modern Christmas in America** William Waits,1994-10 In days of old Christmas was defined by the custom of exchanging simple handmade gifts Today it has become a multi billion industry synonymous with commercialism and consumption How did this transformation occur In this incisive and engaging examination of how Christmas has evolved since 1880 Waits chronicles the history of the holiday from its origin to its current form The book is illustrated with dozens of historical photographs and will be of interest to cultural and social historians alike Christmas was a relatively modest occasion in the English speaking world celebrated by the exchange of modest handmade gifts until the Victorians invested the holiday with immense significance as part of a larger effort to celebrate home family and a mythic past of well ordered communities By the late 19th century Christmas had become a major American festival Today it is a multi billion dollar industry and easily the most important seasonal event of the year In this survey of the modern American Christmas William Waits shows us how this holiday emerged tracing its evolution from the days prior to 1880 when people presented one another with simple crafted presents to the turn of the century when industrialization brought with it waves of inexpensive tawdry gimcracks In the early twentieth century reform minded Americans reflecting on the new Christmas prompted a backlash against this cheapening of the Yule tradition and the Christmas card was born Henceforth family members and close friends exchanged useful costly items while cards were sent to acquaintances and distant relatives These reformers also persuaded retail stores to keep their regular hours of business during the holiday rather than lengthening them to give trade workers the opportunity to join in the celebration They also rationalized the collection and distribution of holiday charity resulting in the Christmas celebration we have today Waits s book clearly illustrates that the notion that Christmas is uncontrollable is simply untrue An incisive and engaging history of giftgiving The Modern Christmas in America also examines the differing traditions of giftgiving to friends employees the poor and among entire communities Handsomely illustrated with dozens of historical photographs this book is not only the perfect holiday gift but will also be of interest to any student of American history and culture **School Life** ,1919 Annual Report of the Boy Scouts of America Boy Scouts of America,1937 New America Awakenings Tyler Davis,2022-08-01 After a polarizing election America breaks into a civil war followed by a failed foreign invasion Winning is not the end New America divides into projects based on race and religion Citizens who protest or break the laws are labeled an enemy of peace An enemy of peace quickly loses their head to the guillotine Colt Jenkins resides in the New Bethlehem

Project where New American youth must navigate between Country God Survival Love Family and Friends Surviving daily attacks from Broken Mecca is not the only challenge Katherine Shay New Bethlehems keeper of the law terrorizes citizens using the red phone turning them into the government as enemies of peace In a world with intermittent electricity the President makes decrees from the television The government controls the news and all information The rising tension in the country and the Project puts Colt in Katherine s and the government s crosshairs After being publicly humiliated by Katherine Colt discovers the government is not what it appears Colt will have to decide what kind of man he will be and what he will choose to leave behind in his race to save his family and his love *Sunset* ,1910 **History of the George**
