2 Peter and the Apocalypse of Peter: Towards a New Perspective Jörg Frey, Matthijs Dulk, den, Jan van der Watt, 2019-07-15 In the 2016 Radboud Prestige Lectures published in this volume J rg Frey develops a new perspective on 2 Peter by arguing that the letter is dependent on the Apocalypse of Peter Frey argues that reading 2 Peter against the backdrop of the Apocalypse of Peter sheds new light on many longstanding interpretative questions and offers fresh insights into the history of second century Christianity Frey s lectures are followed by responses from leading scholars in the field who discuss Frey s proposal in ways both critical and constructive Contributors include Richard Bauckham Jan Bremmer Terrance Callan Paul Foster Jeremy Hultin Tobias Nicklas David Nienhuis and Martin Ruf

The Papacy and the Orthodox Anthony Edward Siecienski, 2017 The Papacy and the Orthodox examines the centuries long debate over the primacy and authority of the Bishop of Rome especially in relation to the Christian East and offers a comprehensive history of the debate and its underlying theological issues Siecienski masterfully brings together all of the biblical patristic and historical material necessary to understand this longstanding debate This book is an invaluable resource as both Catholics and Orthodox continue to reexamine the sources and history of the debate

A commentary on 1 & 2 PETER David Pawson, 2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord s prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his pastoral letters
