of them To better understand what drives the sexual behaviors of emerging adults Regnerus and Uecker pay special attention to two important concepts sexual scripts the unwritten and often unconscious rules that guide sexual behavior and attitudes and sexual economics a theory which suggests that the relative scarcity of men on college campuses contributes to the hookup culture by allowing men to diminish their level of commitment and thereby lower the price they have to pay for sex For anyone wishing to understand how sexual relations between young adults have changed and are changing Premarital Sex in America will serve as a touchstone for years to come In Re Marriage of Peterson ,2010 **Peterson's Guide to Two-Year Colleges, 1996** Peterson's Guides, Inc,1995-08-26 A Comprehensive guide to the more than 1 600 junior and community colleges in the U S and Canada as well as general information about application older students financial aid and other topics
