

PETROUCHKA

A BALLET CUT-OUT BOOK

by Jane F. Kendall

based on original designs by Alexandre Benois

Text by Leonard S. Marcus

J. F. Bucklin

Inside you'll find:

- * 32 dancers
- * three-dimensional props
(including a Puppet Theater and Carousel)
- * complete stage
- * full assembly instructions
- * ballet text and historical note

June 13, 1911. The Théâtre du Châtelet in Paris. It's opening night of the Ballets Russes production of PETROUCHKA. As the curtain slowly opens, gasps of admiration greet Alexandre Benois's lushly colorful set and costume designs, based on his childhood memories of the Butter Week Fair in St. Petersburg. Igor Stravinsky has contributed the score, a controversial masterpiece, and Nijinsky himself dances Petrouchka, perhaps his most brilliant and poignant role. When the ballet ends, all around you proclaim it a wonder, and Nijinsky the true *diva de la danse*.

You too can create this ballet! All you need is a pair of scissors, a flat surface, and PETROUCHKA: A BALLET CUT-OUT BOOK.

David R. Godine Publisher, 306 Dartmouth Street, Boston, Massachusetts 02116

Petrouchka A Ballet Cut Out:

Petrouchka Jane F. Kendall,1983 *Petrouchka* Jane F. Kendall,1983 **Rediscoveries in Children's Literature** Suzanne Rahn,2013-08-21 First Published in 1995 Dedicated to furthering original research in children s literature and culture the Children s Literature and Culture series will include monographs on individual authors and illustrators historical examinations of different periods literary analyses of genres and comparative studies on literature and the mass media The series is international in scope and is intended to encourage innovative research in children s literature with a focus on interdisciplinary methodology This volume looks at undiscovered children s literature **Marionettes, Masks and Shadows** Winifred Harrington Mills,Louise M. Dunn,1927 **Forgotten Thackeray Episode. Cut from Musical Quarterly, July 1918. [100].** W. J. Lawrence,1918 **Balanchine's Festival of Ballet** George Balanchine,Francis Mason,1984 Balanchine s Festival of Ballet is a classic reference work giving scene by scene descriptions of 404 classic and contemporary ballet This concise two volume edition contains the complete commentary and a selection of Balanchine s essays among them How to Enjoy Ballet and How I Became a Dancer are included in Volume II Back cover *Musical Observer* ,1919 **The Publishers Weekly** ,1983 **Ballet in America - The Emergence of an American Art** George Amberg,2013-05-31 A fascinating history of the emergence of American ballet as world recognized force just after World War Two telling the story of the choreographers and dancers who came of age just as America became the only western country free from conflict and thus t **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Harvard Musical Review** ,1913 **American Bookseller** ,1983 *History of Dance* Gayle Kassing,2007 History of Dance An Interactive Arts Approachprovides an in depth look at dance from the dawn of time through the 20th century Using an investigative approach this book presents the who what when where why and how of dance history in relation to other arts and to historical political and social events In so doing this text provides a number of ways to create perceive and respond to the history of dance through integrated arts and technology This study of dancers dances and dance works within an interactive arts culture and technology environment is supported by the National Standards in dance arts education social studies and technology education History of Dance An Interactive Arts Approachhas four parts Part Iexplains the tools used to capture dance from the past Part IIbegins a chronological study of dance beginning with its origins and moving through ancient civilizations and the Middle Ages through the Renaissance Part IIIcovers dance from the 17th to the 20th century including dance at court dance from court to theater romantic to classical ballet and dance in the United States Part IVfocuses on 20th century American dance highlighting influences on American ballet and modern dance as it emerged matured and evolved during that century History of Dance An Interactive Arts Approachincludes the following features Chapter outlines that present topics covered in each chapter Opening scenarios to set the scene and introduce each time period Explorations of dancers choreographers and other personalities Explorations of the dances and

significant choreography and dance literature of each time period History Highlight boxes containing unusual facts events and details to bring history to life History Trivia providing insights into how dance relates to the history art and society of the time period Web sites to encourage further exploration Developing a Deeper Perspective sections that encourage students to use visual or aesthetic scanning learn and perform period dances observe and write performance reports develop research projects and WebQuests Internet based research projects and participate in other learning activities Vocabulary terms at the end of each chapter Each chapter in parts II through IV provides an overview of the time period including a time capsule and a historical and societal overview Each chapter focuses on major dancers choreographers and personalities dances of the period including dance forms dance designs accompaniment costuming and performing spaces and significant dance works and dance literature The chapters also feature a series of eight experiential learning activities that help students dig deeper into the history of dance dancers and significant dance works and literature These activities are presented as reproducible templates that include perceiving creating performing writing and presenting oral activities infused with technology Teachers can use these activities as optional chapter assignments or as extended projects to help apply the information and to use technology and other integrated arts sources to make the history of dance more meaningful History of Dance is an indispensable text for dance students who want to learn the history of dance and its relationship to other arts of the times using today's interactive technology

Modernism after the Ballets Russes Gabriela Minden, 2025-07-14 Serge Diaghilev's Ballets Russes holds a renowned position in the history of modernism across various arts The company's daring productions brought together leading artists working in diverse fields from Igor Stravinsky to Pablo Picasso from Bronislava Nijinska to Coco Chanel redefining the possibilities of artistic collaboration and shaping the trajectories of dance music fashion and the visual arts But what of the Ballets Russes's role in the text-based theatre Despite the intrinsic link between dance and theatre as performance arts the company's contributions to dramatic literature and dramaturgy have remained surprisingly elusive This book establishes the Ballets Russes as a powerful force in the development of modernist theatre in Britain revealing how the company's avant-garde repertoire inspired the creation of new composition strategies and performance techniques that privileged the immediacy of expression offered by the moving dancing body Modernism after the Ballets Russes examines the philosophical conditions of early twentieth-century Britain's theatrical landscape marked by growing interest in Nietzschean interpretations of classical drama and Wagnerian notions of the Gesamtkunstwerk to illuminate the allure of the Ballets Russes's re-centring of dance as the foundation of theatre art It shows that Diaghilev's ballets provided new ways of thinking about the relationship between the literary and embodied aspects of dramatic performance fueling collaborations between eminent dramatists and theatre practitioners Harley Granville Barker J M Barrie Terence Gray and W H Auden and lesser-known choreographers Cecil Sharp Tamara Karsavina Ninette de Valois and Rupert Doone Through the prism of the Ballets Russes this group of artists crafted distinctive new theatrical forms including a whimsical terpsichorean fantasia and a

politically subversive poetic dramatic satire as well as new methods of staging Shakespearean comedy and Attic tragedy Together this book contends these literary and dramaturgical innovations represent a previously neglected strand of modernism one that saw the dramatic power of the moving body expand the expressive resources of the period's theatrical arts

La Nijinska Lynn Garafola, 2022 La Nijinska is the first biography of twentieth century ballet's premier female choreographer shedding new light on the modern history of ballet and recuperating the memory of lost works and forgotten artists all while revealing the sexism that still confronts women choreographers in the ballet world

Subject Guide to Children's Books in Print, 1987

Leonide Massine and the 20th Century Ballet Leslie Norton, 2014-11-18 The great Russian choreographer Leonide Massine was the most important figure in modernist ballet in the 1930s known for works such as *Gaite Parisienne* and *The Three Cornered Hat* His versatility and scope made his choreography the most representative of the century Whatever period he portrayed his style flowed freely and unselfconsciously His character ballets dealt not with stereotypes but individuals and his symphonic ballets proved how great music could be employed without demeaning it Like his mentor Diaghilev he strove to bring music painting and poetry to his ballets Massine was responsible for the first resolutely abstract ballet and the first true fusions of ballet and modern dance This work provides a biography of Massine and a detailed analysis of his major ballets including those for Diaghilev's *Ballets Russes* the *Ballet Russe de Monte Carlo* and *American Ballet Theatre* The work integrates biographical study with an examination of Massine's works from an array of perspectives By examining the music and composers set design and literary sources it places the work in the larger context of the dance opera major visual art movements literature and theater of the period Analyses of ballets include synopses scenery and costumes music choreography critical survey and summary The work concludes with an epilogue summarizing Massine's impact on the development of ballet in the twentieth century and includes both informal and performance photographs

Newsweek Raymond Moley, Samuel Thurston Williamson, Malcolm Muir, Rex Smith, Joseph Becker Phillips, 1983

The Tail of the Dragon Marcia B. Siegel, 1991 In *The Tail of the Dragon* Marcia B Siegel and Nathaniel Tileston track the evolution of new dance in New York during the rich and crucial transitional period from the mid 1970s to the early 1980s Siegel one of America's most important dance critics and Tileston an accomplished dance photographer focus on the choreographers who were propelled into rebellion against conventional modern dance by the Judson Dance Theater and other countercultural movements born of the 1960s This collection of Siegel's writing compiled from reviews in *Soho Weekly News* and *New York Magazine* as well as from longer essays and notebook pieces forms an insightful commentary occasionally wry always perceptive on the absorption of a radical art form by the mainstream From minimalism improvisation street dancing body awareness and poor theater experimental strategies these young rebels identified and adopted personal styles of movement and dancemaking from that they turned gradually to tamer more accessible work marked by virtuosic dancing proscenium ready repertoires and touring companies Included in this story are

the principal players in the postmodernist dance movement Merce Cunningham Twyla Tharp Trisha Brown David Gordon now well known internationally as leaders of dance in the 1990s Siegel also looks at artists who worked steadily but less visibly influential ones who drifted out of dance and unknowns who have gained prominence The dances described here are formal and outlandish scruffy and beautiful endearingly fallible and icily perfect In rightfully celebrating the importance of dances long forgotten *The Tail of the Dragon* produces a vibrant portrait of a generation of dance *Books in Print* ,1991

Thank you for downloading **Petrouchka A Ballet Cut Out**. As you may know, people have look numerous times for their chosen readings like this Petrouchka A Ballet Cut Out, but end up in infectious downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some malicious virus inside their computer.

Petrouchka A Ballet Cut Out is available in our book collection an online access to it is set as public so you can get it instantly.

Our books collection spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Petrouchka A Ballet Cut Out is universally compatible with any devices to read
