Illustrator Level 1      **A Dee Henderson 3-in-1 Collection: The Witness / Before I Wake / Kidnapped** Dee Henderson, 2017-08-08 This Collection bundles 3 of Dee Henderson's popular romantic suspense novels into one e-book for a great value. *The Witness*: Police Chief Luke Granger's witness to a murder Amy Griffin has been on the run for years. Her family thinks she was murdered eight years ago, but Amy chose to accept a life in the shadows in order to protect her sisters' lives. Now unveiled secrets about their father have thrust the sisters into the public spotlight. The man who wants Amy dead now sees her sisters as the way to locate her. Luke and two of his homicide detectives are determined to stand in the way. They are each falling in love with a different sister, and it's become a personal mission to keep them safe. But chances are that at least one of them will fail, and facing the future will take a faith deeper than any of them currently knows. *Before I Wake*: The sheriff of Justice, Illinois, is hunting a killer. Women visiting town are being murdered, tourists in nice hotels, money still in their billfolds, jewelry still on the dresser. Quiet kills; they go to sleep and never awaken. The sheriff is not pleased to find the new detective in town, Rae Gabriella, working the case on behalf of one of the families. She's staying in the same hotel as one of the victims, and her looks suggest she could be the next victim. *Kidnapped*: Someone snatched his cousin's wife and son. FBI agent Luke Falcon is searching for a kidnapper and sorting out the crime. He's afraid it's the work of a stalker. He's afraid they're already dead. And he'll do anything required to get them back alive, but he didn't plan on falling in love with the only witness. This stand-alone title is a repackaging of *True Courage*, the fourth book in the *Uncommon Heroes* series.      **The SAGE International Encyclopedia of Travel and Tourism** Linda L. Amy, Ellie, Liz, and Marion each have their own different personalities and interests, but they all have one thing in common: a serious love of animals. The *Critter Club* gets its start when Amy is the only one staying home in Santa Vista for spring break. While helping at her mom's vet clinic, she encounters cold and elusive millionaire Marge Sullivan's puppy Rufus and an unexpected mystery. After her friends return home, the girls get to the bottom of what happened to Rufus and discover a way to help other lost and lonely animals in their town. Their mission continues with a group of baby rabbits, but Ellie is distracted from her club responsibilities when she lands the lead role in their elementary school's Spring Spectacular. Then Liz's plans of a vacation spent making art and spending time with her friends at The *Critter Club* change when she's stuck in summer school. With easy-to-read language and illustrations on almost every page, *The Critter Club* chapter books are perfect for beginning readers.
