Petticoats And Pistols Lou Polk:

Petticoats and Pistols (Lou Polk) Mary Helen Hendry,1992-11-01 *The Lives of Otto Chenoweth* Lawrence Woods,2016-01-23 It is around 1885 when Otto Chenoweth a teenager from a good family with a talent for making friends and creating art moves from refined Massachusetts to untamed Wyoming in search of beautiful scenery to paint After Otto secures work on a cattle ranch he meets two workers with experience on the wrong side of the law After they convince Otto to move with them to the Sundance country Ottos life takes a new direction as he gambles homesteads rustles and occasionally gets in trouble with the law Twenty years later a Wyoming sheriff captures an unruly prisoner Otto who has just stolen a herd of over one hundred branded horses is now known as the Gentleman Horse Thief As the law threatens drastic control over his behavior Otto is declared insane After the sheriff returns him to the east in an effort to shield him from those who still want to jail him Otto undergoes a remarkable transformation that leads him back to the west where he channels his risk taking impulses into minerals prospecting and in an ironic closure to his experiences with law enforcement is elected as justice of the peace The Lives of Otto Chenoweth shares the fascinating biography of a Wyoming horse thief who surprisingly turned over a new leaf in mid life and dispensed justice on the good side of the law *Wyoming's Territorial Sheriffs* Ann Gorzalka,1998 Why did a Man want to be sheriff The pay was low and the work ranged from menial to dangerous and demanding The majority of the men who enforced the law were average citizens Some served in a time of high adventure some were not as brave as others some drank too much some were pawns of politics and others were escaping shadowy pasts As Gorzalka chronicles the life of each sheriff in Wyoming s territorial days their successes failures and motivation the stories combine to create the era s history Chapters on all fifty five territorial sheriffs Photos of most **Pistols & Petticoats** Bob L'Aloge,1995 **Polk's (Trow's) New York Copartnership and Corporation Directory, Boroughs of Manhattan and Bronx** ,1912 Books in Print ,1991 **Short-Lived Television Series, 1948-1978** Wesley Hyatt,2015-10-06 Do you remember the 1959 game show where ABC cancelled a tape featuring a female impersonator Across the Board Ever heard of Snip the 1976 sitcom starring David Brenner that NBC canned just before it debuted Almost everyone who has worked on a successful television series has also been on one that flopped Even during the first thirty years of broadcasting when NBC CBS and ABC were the only networks and not quite so quick to cancel unsuccessful programs hundreds of shows lasted less than one year This work tells the stories of those ill fated series that were cancelled within one year after their premieres The entries are arranged chronologically from the 1948 1949 through the 1977 1978 seasons and provide brief descriptions of the shows along with such facts as the type of program each series was its times dates and network its competition on other networks and the names of the cast producer director and writer The book also includes information from more than 100 interviews with actors writers directors and producers who worked on the short lived television series *Emmy Award Winning Nighttime Television Shows, 1948-2004* Wesley Hyatt,2015-09-11 Since the early days of television well before most

households had a set the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts. Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners. Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949, each of more than 100 winning shows gets star treatment with an entry that includes the year of award or awards, air times, hosts, guests, casts, and a full discussion of the show's history and run. Many of the entries include original interviews with cast or crew members. With such rich information, each show's entry constitutes a chapter in the history of television through the story of the show and the people who made it happen. The best of variety, drama, game shows, comedies, adventures, and many more categories are featured. An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run, longest delay from debut to win, and most Emmys won.

DUBLIN UNIVERSITY MAGAZINE, A LITERARY AND POLITICAL JOURNAL. VOL. LVIII. JULY TO DECEMBER, 1861., 1861

That's Not in My American History Book Thomas Ayres, 2004-04-27 History classes reduce America's story into a dry litany of dates, names, and places. That's Not in My American History Book tackles the messy details, reclaims disregarded heroes, and sets the record straight. This book explains why July 4th isn't really Independence Day, reveals 19th-century mudslinging that labels Andrew Jackson a murderer, and even unveils the only vice president with a number one pop hit. With insight, wit, and irreverence, Ayres uncovers our overlooked past.
