## **Phaedra A Novel Of Ancient Athens:**

**Phaedra** June Rachuy Brindel,1985 Theseus the warrior hero of Greece attempts to control Crete and the worship of the Goddess by claiming Phaedra the child queen of Crete      **Phaedra** June Rachuy Brindel,1986-11-01 With Crete in ruins Phaedra the child Queen of Crete sails to safety with Theseus the Prince of Athens who covertly plans to win Phaedra s love and steal control of Crete      Phaedra Laura Shepperson,2023-01-10 DEBUT AUTHOR A powerful and compulsively readable feminist retelling of one of the most maligned figures of Greek mythology perfect for fans of Madeline Miller s Circe Booklist Phaedra has been cast to the side all her life daughter of an adulteress sister of a monster and now unwilling bride to the much older power hungry Theseus Young naive and idealistic she has accepted her lot in life resigned to existing under the sinister weight of Theseus s control and the constant watchful eye of her handsome stepson Hippolytus When supposedly pious Hippolytus assaults her Phaedra s world is darkened in the face of untouchable prideful power In the face of injustice Phaedra refuses to remain quiet any longer such an awful truth demands to be brought to light When Phaedra publicly accuses Hippolytus of rape she sparks an overdue reckoning The men of Athens gather to determine the truth Meanwhile the women of the city who have no vote are gathering in the shadows The women know truth is a slippery thing in the hands of men There are two sides to every story and theirs has gone unheard Until now Timely unflinching and transportive Laura Shepperson s Phaedra carves open long accepted wounds to give voice to one of the most maligned figures of mythology and offers a stunning story of how truth bends under the weight of patriarchy but can be broken open by the force of one woman s bravery      *The Sexual Politics of Meat (20th Anniversary Edition)* Carol J. Adams,2024-12-12 First published in 1990 Carol J Adams revolutionary work has engaged enraged inspired and challenged readers with its exploration of the interplay between society s ingrained cultural misogyny and its obsession with eating animals and masculinity This iconic book referenced in rock songs feminist artwork and even a Law and Order SVU episode continues to change the lives of its readers today Published to celebrate the book s 35th anniversary this Bloomsbury Revelations edition includes a new introduction that reflects on how recent events continue to prove the relevance of this influential work      Ovid's Heroides Paul Murgatroyd,Bridget Reeves,Sarah Parker,2017-05-18 This volume offers up to date translations of all 21 epistles of Ovid s Heroides Each letter is accompanied by a preface explaining the

mythological background an essay offering critical remarks on the poem and discussion of the heroine and her treatment elsewhere in Classical literature Where relevant reception in later literature film music and art and feminist aspects of the myth are also covered The book also contains an introduction covering Ovid's life and works the Augustan background the originality of the *Heroides* dating authenticity and reception A useful glossary of characters mentioned in the *Heroides* concludes the book This is a vital new resource for anyone studying the poetry of Ovid Classical mythology or women in the ancient world

**The Sexual Politics of Meat** Carol J. Adams, 2015-10-22 Many cultures equate meat eating with virility and in some societies women offer men the best i e bloodiest food at the expense of their own nutritional needs Building upon these observations feminist activist Adams detects intimate links between the slaughter of animals and violence directed against women She ties the prevalence of a carnivorous diet to patriarchal attitudes such as the idea that the end justifies the means and the objectification of others In *Frankenstein* Mary Shelley made her Creature a vegetarian a point Adams relates to the Romantics radical politics and to visionary novels by Charlotte Perkins Gilman Dorothy Bryant and others Adams who teaches at Perkins School of Theology Dallas sketches the alliance of vegetarianism and feminism in antivivisection activism the suffrage movement and 20th century pacifism Her original provocative book makes a major contribution to the debate on animal rights Writer activist university lecturer Adams's important and provocative work compares myths about meat eating with myths about manliness and explores the literary scientific and social connections between meat eating male dominance and war Drawing on such diverse sources as butchering texts cookbooks Victorian hygiene manuals and Alice Walker the author provides a compelling case for inextricably linking feminist and vegetarian theory This book is likely to both inspire and enrage readers across the political spectrum we learn for example that veal was served at Gloria Steinem's 50th birthday as well as of the atrocities of the slaughterhouse One wishes Adams had been more careful about documenting some of her claims her contention for instance that early humans were entirely vegetarian requires scholarly support Nevertheless this is recommended for both public and academic collections
