The Adventurous Life of Amelia B. Edwards Margaret C. Jones,2022-07-14 In Victorian England Amelia B Edwards was an iconic cultural figure admired by Trollope and Browning for her best selling fiction and by the wider public for her witty thought provoking travel writing In later life she became a celebrated historian bringing fresh understanding of the world of Ancient Egypt to a fascinated public and founding the Egyptian Exploration Fund Society This new biography uses previously overlooked sources to tell the story of her fascinating and unconventional life her travels travails and feminist activism as well as touching on her occasionally problematic views on race In appreciation of a figure ahead of her time it examines her involvement in suffrage and animal rights societies as well as revealing new insights into Edwards loving same sex relationships with Ellen Rice Byrne and Lucy Renshaw In doing so it reveals a versatile creative witty independent woman and a true pioneer of her time **Women in the Valley of the Kings** Kathleen Sheppard,2024-07-16 The never before told story of the women Egyptologists who paved the way of exploration in Egypt and created the basis for Egyptology The history of Egyptology is often told as yet one more grand narrative of powerful men striving to seize the day and the precious artifacts for their competing homelands But that is only half of the story During the so called Golden Age of Exploration there were women working and exploring before Howard Carter discovered the tomb of King Tut Before men even conceived of claiming the story for themselves women were working in Egypt to lay the groundwork for all future

exploration In *Women in the Valley of the Kings The Untold Story of Women Egyptologists in the Gilded Age* Kathleen Sheppard brings the untold stories of these women back into this narrative Sheppard begins with some of the earliest European women who ventured to Egypt as travelers Amelia Edwards Jenny Lane and Marianne Brocklehurst Their travelogues diaries and maps chronicled a new world for the curious In the vast desert Maggie Benson the first woman granted permission to excavate in Egypt met Nettie Gourlay the woman who became her lifelong companion They battled issues of oppression and exclusion and ultimately are credited with excavating the Temple of Mut As each woman scored a success in the desert she set up the women who came later for their own struggles and successes Emma Andrews success as a patron and archaeologist helped to pave the way for Margaret Murray to teach Margaret s work in the university led to the artists Amice Calverley s and Myrtle Broome s ability to work on site at Abydos creating brilliant reproductions of tomb art and to Kate Bradbury s and Caroline Ransom s leadership in critical Egyptological institutions *Women in the Valley of the Kings* upends the grand male narrative of Egyptian exploration and shows how a group of courageous women charted unknown territory and changed the field of Egyptology forever

Vampires, Mummies, and Liberals David Glover,1996 Glover s efforts reveal a writer who was more wide ranging and politically engaged than his current reputation suggests An Irish Protestant and nationalist Stoker nonetheless drew his political inspiration from English liberalism at a time of impending crisis and the tradition s contradictions and uncertainties haunt his work At the heart of Stoker s writing Glover exposes a preoccupation with those sciences and pseudosciences from physiognomy and phrenology to eugenics and sexology that seemed to cast doubt on the liberal faith in progress He argues that *Dracula* should be read as a text torn between the stances of the colonizer and colonized unable to accept or reject the racialized images of backwardness that dogged debates about Irish nationhood
