Saldarini (s.j.), 1988 *Pharisees, Scribes, and Sadducees in Palestinian Society* James L. Bailey, 1990 Sacra Pagina: The Gospel of Matthew Daniel J. Harrington, SJ, 2023-06-13 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew's Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew's debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations Bibliographies direct the reader to other important modern studies

Framing Social Criticism in the Jesus Movement Sarah E. Rollens, 2014-08-27 Which milieu did the earliest rural Jesus movement emerge from Sarah E Rollens provides a sociological study of the earliest Christians in rural Palestine based on evidence in the Sayings Gospels Q She compares this Jesus movement to other movements of social reform in similar socio cultural contexts **The Flourishing of Jewish Sects in the Maccabean Era: An Interpretation** Albert I.

Baumgartner, 2021-12-06 This volume asks why Jewish groups Sadducees Pharisees Essenes and the Dead Sea Scroll sect flourished during the Maccabean era It argues that such a result is uncommon requiring special explanation In the introduction sectarianism is defined and its varieties in Second Temple Judaism assessed Among the causes of the known results suggested are the encounter with an outside culture that seemed to be weakening the external national perimeter the impact of expanded literacy the move to the city from the farm as well as eschatological hope aroused by Maccabean victory In proposing these conclusions full advantage is taken of recently published Qumran sources such as 4QMMT The objective is to discover the connection between context and consequence which will explain why sectarianism was so prominent at that time Conflict in the Miracle Stories Evert-Jan Vledder, 1997-10-01 Matthew's Gospel is a witness to conflicting interests

The leaders of Israel are part of the so called retainer class who pursue their own interests by promoting the interests of the Roman rulers Jesus and the Matthaean community on the contrary acts on behalf of the marginalized in society Jesus challenges the underlying values of the leaders who contrary to what is expected do not forgive and act mercifully The leaders try to resolve the conflict negatively by labelling Jesus as possessed by the devil At the same time the conflict spirals onward the Matthaean community is called to act in the interests of the marginalized It is Vledder's special contribution to Matthaean study that he brings to light the underlying dynamics of this conflict in a stimulating sociological study **The Sage in Jewish Society of Late Antiquity** Richard Kalmin, 2002-02-07 The Sage in Jewish Society of Late Antiquity explores

the social position of rabbis in Palestinian Roman and Babylonian Persian society from the period of the fall of the Temple to late antiquity The author argues that ancient rabbinic sources depict comparable differences between Palestinian and Babylonian rabbinic relationships with non Rabbis In Tongues of Mortals and Angels Eric D. Barreto, Jacob D. Myers, Thelathia “Nikki” Young, 2018-11-15 Through close textual engagement theological exposition ethical reflection and interdisciplinary collaboration this book presents a constructive theology of divine speech in the Acts of the Apostles and 1 Corinthians in critical conversation with contemporary issues of sociopolitical ecclesial and theological importance In particular the authors attend to pericopes in Acts and Paul that open up fresh ways of thinking about divine discourse preaching and advocacy in light of contemporary matters of theological and ethical import In addition to classical modes of textual and theological analysis the authors attend to the sociopolitical and sociolinguistic aspects of speech as they arise in these pericopes As such the authors are simultaneously deconstructing these texts through postcolonial and post structural analyses to expose these texts to an alterity at work therein an alterity that has been muted by centuries of biblical interpretation Judaism in Late Antiquity 3:1 Jacob Neusner, Alan Jeffery Avery-Peck, 1998-10 This collection of systematic Auseinandersetzungen articulates difference and spells out what is at issue Learning atrophies when political consensus substitutes for criticism and when other than broadly accepted viewpoints approaches and readings find a hearing only with difficulty if at all The editors therefore have invited colleagues systematically to outline their views in an Auseinandersetzung with contrary ones The several participants explain how in broad and sweeping terms they see the state of learning in their areas of special interest The editors invited leading players in the USA Europe and the State of Israel in the study of ancient Judaism both in Second Temple Times and after 70 C E The work commences with a thoroughly fresh perspective of a theoretical question what in a religion so concerned with social norms and public policy can we possibly mean by law when we speak of law in Judaism It then proceeds with two chapters on Second Temple Judaism and two on the special subject of the Dead Sea library The two papers in the present part provide an overview of matters and a systematic critical account of the fading consensus respectively The next set of papers ought to stand as the definitive account of the diverse viewpoints on a basic question of method Because of the willingness of contending parties to meet one another in a single frame of discourse the work is able to portray with considerable breadth the presently contending viewpoints concerning the use of Rabbinic literature for historical purposes Then proceed a number of other accounts of how matters look from the perspective of major participants in scholarly debate At the same time as the requirements of historical critical reading of the Rabbinic literature precipitated sustained and vigorous debate other problems have attracted attention Among these a critical issue emerges in the hermeneutics to govern the reading of the documents for the purposes of other than historical study feminist interests for example Judaism in Late Antiquity Jacob Neusner, Alan Jeffery Avery-Peck, Bruce D. Chilton, 2001 Jacob Neusner vols 1 2 and 3 and his colleagues Alan Avery Peck vol 2 and Bruce Chilton vol 3 have assembled

a stellar team of scholars in producing what has already become an essential reference work for the study of Judaism in Late Antiquity Originally written in nine separate volumes Judaism in Late Antiquity now appears unabridged in three The entire work seeks to offer readers both a broad perspective on the shape of Judaism while also opening the way to understanding unique issues Editors Neusner Avery Peck and Chilton must be commended for this generous gift both to the scholarly guild and to the general reader looking for a thought provoking overview of the central academic conversations Judaism in Late Antiquity I II III is also available in hardback

[The Portrayals of the Pharisees in the Gospels and Acts](#) Mary Marshall, 2014-11-19 The first five books of the New Testament contain a large proportion of all uses of the term Farisai in extant literature In the light of growing scepticism among historians of Judaism over the accuracy and legitimacy of reconstructions of the Pharisees of history Mary Marshall sets aside the quest for the historical Pharisees and instead offers an analysis of the portrayal of the Pharisees by each evangelist The author adopts a redaction critical approach which incorporates narrative critical observations where appropriate Her examination of the texts demonstrates the particularity of each book and its portrayal of the Pharisees The five books do not portray a monolithic body of evidence but each has its own style occasion and purpose s All New Testament portrayals of the Pharisees occupy a good deal of common ground and yet the pictures they produce are not identical Every one of the evangelists integrates the Pharisees into his own presentation of the gospel emphasising those aspects of the Pharisees portrayal which serve his own particular concerns This study of material from the gospels and Acts yields multi faceted portraits of the Pharisees and discloses the variety of christological soteriological ecclesiological and ethical concerns with which they are associated It alerts the exegete both to the nuances within a given New Testament book and to the subtle differences between books It demonstrates the combination of fidelity and freedom with which the evangelists regarded their inherited tradition and sources The way the Pharisees are portrayed in each text is particular to that text and its purposes and therefore consideration of the Pharisees portrayal is able to enrich our understanding of the gospels and Acts more generally

The Role of the Synagogue in the Aims of Jesus Jordan J. Ryan, 2017-11-15 Reviewing what we now know about actual synagogues in the land of Israel and their public role in Jewish life and culture Jordan J Ryan shows that Gospel narratives placed in synagogues accurately reflect the ancient synagogue setting He argues for the historical plausibility of the setting of these narratives and suggests that synagogue research must be a starting point for their interpretation He further argues that Jesus s efforts at the restoration of Israel were intentionally aimed at the synagogue as an institution of public and political life
