Philadelphia in the Romantic Age of Lithography Nicholas B. Wainwright, 1970-01-01 **Philadelphia in the Romantic Age of Lithography : an Illustrated History of Early Lithography in Philadelphia with a Descriptive List of Philadelphia Scenes Made by Philadelphia Lithographers Before 1866** Nicholas B. Wainwright, 1958

Philadelphia on Stone Erika Piola, 2012 A collection of essays examining the history of nineteenth century commercial lithography in Philadelphia Analyzes the social economic and technological changes in the local trade from 1828 to 1878 Provided by publisher Library Company of Philadelphia: 2002 Annual Report , *Byron, Sully, and the Power of Portraiture* John Clubbe, 2017-11-28 Since the early nineteenth century Byron the man and his image have captured the hearts and minds of untold legions of people of all political and social stripes in Britain Europe America and around the world This book focuses on the history and cultural significance for Federal America of the only portrait of Byron known to have been painted by a major artist In private hands from 1826 until this day Thomas Sully s Byron has never before been the subject of scholarly study Beginning with his discovery of the portrait in 1999 and a 200 year narrative of the portrait s provenance and its relation to other well known Byron portraits the author discusses the work within the broad context of British and American portraiture of the late eighteenth and early nineteenth centuries Receiving most attention are Thomas Lawrence and Sully his American counterpart The author gives the fullest account to date of Sully s career and his relation to English influences and to figures prominent in the early nineteenth century American imagination among them Washington Fanny Kemble Lafayette Joseph Bonaparte and Nicholas Biddle Byron is discussed as an icon of the young American Republic whose Jubilee year coincided with Sully s initial work on the poet s portrait Later chapters offer a close reading of the portrait arguing that Sully has given a visual interpretation truly worthy of his celebrated controversial and famously handsome subject Looking Close and Seeing Far: Samuel Seymour, Titian Ramsay Peale, and the Art of the Long Expedition, 1818-1823 , *John Caspar Wild* John William Reps, 2006 John Caspar Wild painter and lithographer produced some of the earliest known depictions of urban America in the nineteenth century This heavily illustrated book presents artist Wild s paintings and prints and a catalogue raisonné identifies all of his known works Provided by publisher *Right Living* Charles E. Rosenberg, 2003-06-06 Rosenberg Steven Shapin Jean Silver Isenstadt Steven Stowe **Hotel Dreams** Molly W. Berger, 2011-04-18 Winner 2012 Sally Hacker Prize Society for the History of Technology Hotel Dreams is a deeply researched and entertaining account of how the hotel s material world of machines and marble integrated into and shaped the society it served Molly W Berger offers a compelling history of the American hotel and how it captured the public s imagination as it came to represent the complex and often contentious relationship among luxury economic development and the ideals of a democratic society Berger profiles the country s most prestigious hotels including Boston s 1829 Tremont San Francisco s world famous Palace and Chicago s enormous Stevens The fascinating stories behind their design construction

and marketing reveal in rich detail how these buildings became cultural symbols that shaped the urban landscape *Acts of Possession* Leah Dilworth, 2003 The success of internet auction sites like eBay and the cult status of public television's Antiques Roadshow attest to the continued popularity of collecting in American culture *Acts of Possession* investigates the ways cultural meanings of collections have evolved and yet remained surprisingly unchanged throughout American history Drawing upon the body of theoretical work on collecting and focusing on individual as opposed to museum collections the contributors investigate how what and why Americans have collected and explore the inherent meanings behind systems of organization and display Essays consider the meanings of Thomas Jefferson's Indian Hall at Monticello the pedagogical theories behind nineteenth century children's curiosity cabinets collections of Native American artifacts and the ability of the owners of doll houses to construct meaning within the context of traditional ideals of domesticity The authors also consider some darker aspects of collecting hoarding fetishism and compulsive behavior scrutinizing collections of racist memorabilia and fascist propaganda The final essay posits the serial killer as a collector an investigation into the dangerous objectification of humans themselves By bringing fresh interdisciplinary critical perspectives to bear on these questions Dilworth and her coauthors weave a fascinating cultural history of collecting in America *International Dictionary of Library Histories* David H. Stam, 2001-11-01 Following the format of Fitzroy Dearborn's highly successful *International Dictionary of Historic Places* and *International Dictionary of University Histories* the *International Dictionary of Library Histories* provides basic information for each institution location and holdings followed by an extensive 1 000 5 000 word essay on its history as well as a Further Reading list In addition the dictionary includes introductory articles on the history of various types of libraries and a library history in various regions of the world The dictionary profiles more than 200 institutions from around the world including the world's most important research libraries and other libraries with globally or regionally notable collections innovative traditions and significant and interesting histories The essays take advantage of the growing scholarship of library history to provide insightful overviews of each institution including not only the traditional values of these libraries but their innovations as well such as developments in automated systems and electronic delivery The profiles will emphasize the unique materials of research in these institutions archives manuscripts personal and institutional papers The introductory articles on types of libraries include topics ranging from theological libraries to prison libraries from the ancient to the digital An international team of more than 200 leading scholars in the field have contributed essays to the project **Making Arms in the Machine Age: Philadelphia's Frankford Arsenal, 1816-1870 , "Material Women, 1750-1950 "** Maureen Daly Goggin, 2017-07-05 With the volume's global perspective and comparative framework this collection contributes to the ongoing scholarly examination of consumption by taking the topic of women material culture and consumption into new arenas The essays explore the connections between consumption and subjectivity they build upon and complicate the idea that consumption as a form of meaning making is key to the construction of gendered classed and

national identities Providing a cross cultural perspective on consumption the essays are historically specific case studies While some essays examine women s consumption in a range of Anglophone and Francophone locations primarily in Britain France Australia Canada and the US other essays on Chinese Senegalese Indian and Mexican women s consumption particularly as it relates to fashion and design provide a comparative framework that will recalibrate ongoing discussions about consumption and domesticity dress and identity and desire and subjectivity In addition to its focus on gender and consumption this volume addresses gender and collecting exploring the tensions between accumulation and systematic collecting Also examined is the way in which the display of collected objects in Impressionists paintings in mass produced illustrations in the glass cases of museums and department stores participates in the construction of particular identities as well as serving as a kind of value producing material practice

Domestic Manners of the Americans Frances Trollope, 2015-02-02 Frances Trollope s Domestic Manners of the Americans complemented by Auguste Hervieu s satiric illustrations took the transatlantic world by storm in 1832 An unusual combination of realism visual satire and novelistic detail Domestic Manners recounts Trollope s three years as an Englishwoman living in America Trollope makes the civility of an entire nation the subject of her keen scrutiny a strategy that would earn her in the words of the critic Michael Sadleir more anger and applause than almost any writer of her day Auguste Hervieu s twenty four original illustrations placed and scaled as in the first edition are included in this Broadview Edition inviting readers to experience the original relationship of image and text

A Companion to the Era of Andrew Jackson Sean Patrick Adams, 2013-02-04 A COMPANION TO THE ERA OF ANDREW JACKSON More than perhaps any other president Andrew Jackson s story mirrored that of the United States from his childhood during the American Revolution through his military actions against both Native Americans and Great Britain and continuing into his career in politics As

president Jackson attacked the Bank of the United States rallied against disunion in South Carolina defended the honor of Peggy Eaton and founded the Democratic Party In doing so Andrew Jackson was not only an eyewitness to some of the seminal events of the Early American Republic he produced an indelible mark on the nation s political economic and cultural history A Companion to the Era of Andrew Jackson features a collection of more than 30 original essays by leading scholars and historians that consider various aspects of the life times and legacy of the seventh president of the United States Topics explored include life in the Early American Republic issues of race religion and culture the rise of the Democratic Party Native American removal events the Panic of 1837 the birth of women s suffrage and more

Printed Textiles Linda Eaton,2014-09-23 The Winterthur Museum s richly illustrated history of British and American fabrics made or used from 1700 1850 is a visual reference for designers and a definitive contribution to textile studies From slipcovers that belonged to George Washington to bedhangings described by Harriet Beecher Stowe Delaware s Winterthur Museum holds some of the finest cotton and linen textiles made or used in America and Britain between 1700 and 1850 One of the fastest growing and potentially most lucrative trades in the eighteenth and early nineteenth centuries on the forefront of developments in science and engineering chemistry and technology the textile industry is a fascinating lens into international trade relations and cultural exchange over nearly two centuries Printed Textiles is a major update to the classic text published by Winterthur in 1970 a sourcebook compiled by celebrated curator Florence Montgomery that detailed all aspects of the fabrics lifespan from their design and method of manufacture to their use and exchange value Linda Eaton Director of Collections and Senior Curator of Textiles updates the classic with a particular focus on furnishing fabrics referred to as furnitures Building on research that has come to light since 1970 and benefiting from the technical and scientific expertise of the conservators and scientists at Winterthur Eaton presents a thorough and sweeping study enriched by the diverse approaches to material culture today With hundreds of beautifully photographed samples engagingly contextualized with iconic figures in American history including Betsy Ross and Benjamin Franklin this significant addition to textile scholarship allows for a full appreciation of these fascinating fabrics Printed Textiles is destined to become an essential reference for interior designers fashion and textile design students conservators collectors and anyone with an interest in the textile industry

Visual Merchandising Louisa Iarocci,2017-07-05 Situated at the crossroads of visual culture and consumerism this essay collection examines visual merchandising as both a business and an art It seeks to challenge that scholarly ambivalence that often celebrates the spectacle but denies the agenda of consumerism The volume considers strategies in the imaging of selling from the mid nineteenth century to the present in terms of the visual interaction that occurs between the commodity and the consumer and between body and space Under the categories of Promotion Product and Place contributors to the volume examine the strategies in the presentation of retail goods and environments that range from print advertising to product design to store display and architecture Visual Merchandising The Image of Selling is located directly at the nexus of

business practice and cultural myth where the spectator never loses sight of their status as buyer and the object of desire is always still a commodity *The Artist in American Society* Neil Harris, 1966 What was the place of the artist in a new society How would he thrive where monarchy aristocracy and an established church those traditional patrons of painting sculpture and architecture were repudiated so vigorously Neil Harris examines the relationships between American cultural values and American society during the formative years of American art and explores how conceptions of the artist's social role changed during those years *Views and Viewmakers of Urban America* John William Reys, 1984 Union list catalog of the lithographic views of cities and towns made during the 19th century
