Book 8 Apostles HC Kurt Jurgensmeier,2012-08-22 How was NT Scripture created The Apostles are our only link to the truths of the New Covenant we are saved by and live by Who were these men How did they obtain such divine revelation How can we know they did We make the following claims in this book It was through the Scripture gift of divine knowledge and wisdom that Apostles obtained a store of revelation from which they wrote from This revelation was not received through some subjective mystical experience referred to as inspiration but the Apostles physically saw or heard the revelation or received it in visions and then accurately recorded it 1 Corinthians 13 8 13 teaches that the Scripture and sign gifts claimed by charismaticism today were predicted by the Apostle Paul to cease with the completion of the NT revelation and history confirms this very thing Theories of inspiration for the creation of Scripture are unnecessary and no where supported in Scripture

The Wiley Blackwell Companion to Christian Martyrdom Paul Middleton,2020-01-27 A unique wide ranging volume exploring the historical religious cultural political and social aspects of Christian martyrdom Although a well studied and researched topic in early Christianity martyrdom had become a relatively neglected subject of scholarship by the latter half of the 20th century However in the years following the attack on the Twin Towers on September 11 2001 the study of martyrdom has experienced a remarkable resurgence

Heightened cultural religious and political debates about Islamic martyrdom have in a large part prompted increased interest in the role of martyrdom in the Christian tradition. The Wiley Blackwell Companion to Christian Martyrdom is a comprehensive examination of the phenomenon from its beginnings to its role in the present day. This timely volume presents essays written by 30 prominent scholars that explore the fundamental concepts, key questions, and contemporary debates surrounding martyrdom in Christianity. Broad in scope, this volume explores topics ranging from the origins, influences, and theology of martyrdom in the early church, with particular emphasis placed on the Martyr Acts, to contemporary issues of gender identity, construction, and the place of martyrdom in the modern church. Essays address the role of martyrdom after the establishment of Christendom, especially its crucial contribution during and after the Reformation period, in the development of Christian and European national building, as well as its role in forming Christian identities in Asia, Africa, and the Americas. This important contribution to Christian scholarship offers the first comprehensive reference work to examine the topic of martyrdom throughout Christian history. Includes an exploration of martyrdom and its links to traditions in Judaism and Islam. Covers extensive geographical zones, time periods, and perspectives. Provides topical commentary on Islamic martyrdom and its parallels to the Christian church. Discusses hotly debated topics such as the extent of the Roman persecution of early Christians. The Wiley Blackwell Companion to Christian Martyrdom is an invaluable resource for scholars and students of religious studies, theology, and Christian history, as well as readers with interest in the topic of Christian martyrdom.

Drunk in the Spirit Merrill G. Greene, 2025-07-15. Sloshed, Hammered, Doing carpet time, Sipping godka. Videos showing people falling down, shaking, and spontaneously laughing all in church. If one has not grown up in the Charismatic or Pentecostal tradition, the concept of being drunk in the Spirit likely seems baffling. Yet in recent decades, the idea of spiritual intoxication has gained traction. What should we think about such odd-looking manifestations? Does the Bible speak of anything like this? How should we discern such things? In this book, readers will find a sustained analysis of passages from the Bible dealing with these very topics. Readers may be shocked at how trances, ecstatic episodes, and altered states of consciousness are indeed found within the pages of sacred Scripture, some of them hidden in one's own cherished stories.

[The Invention of Racism in Classical Antiquity](#) Benjamin Isaac, 2013-10-31 There was racism in the ancient world after all This groundbreaking book refutes the common belief that the ancient Greeks and Romans harbored ethnic and cultural but not racial prejudice It does so by comprehensively tracing the intellectual origins of racism back to classical antiquity Benjamin Isaac s systematic analysis of ancient social prejudices and stereotypes reveals that some of those represent prototypes of racism or proto racism which in turn inspired the early modern authors who developed the more familiar racist ideas He considers the literature from classical Greece to late antiquity in a quest for the various forms of the discriminatory stereotypes and social hatred that have played such an important role in recent history and continue to do so in modern society Magisterial in scope and scholarship and engagingly written [The Invention of Racism in Classical Antiquity](#) further suggests that an understanding of ancient attitudes toward other peoples sheds light not only on Greco Roman imperialism and the ideology of enslavement and the concomitant integration or non integration of foreigners in those societies but also on the disintegration of the Roman Empire and on more recent imperialism as well The first part considers general themes in the history of discrimination the second provides a detailed analysis of proto racism and prejudices toward particular groups of foreigners in the Greco Roman world The last chapter concerns Jews in the ancient world thus placing anti Semitism in a broader context

The Influence of Early Keswick Theology of Sanctification in the Socio-ethical Life of the East African Revival Movement Robinson Kariuki Mwangi, 2025-03-31 Sanctification is an essential part of every Christian life But how do its differing theologies shape our Christian walk and wider socio ethic contexts Grounded in the East Africa Revival Movement EARM this work seeks to answer how the Keswick theology of sanctification contributes to the socio ethical understanding of walking in the light and consequently influences the mission of the Anglican Church in the Mount Kenya region Dr Robinson Kariuki Mwangi uses careful exegetical analysis to understand the biblical roots of revival and calls us to action in showing what our faith stands for integrating practical theology with pastoral practice Scholars of theology and lived Christianity will find the observations in this work informative

for further study **Forensic Language and the Day of the Lord Motif in Second Thessalonians 1 and the Effects on the Meaning of the Text** Matthew D. Aernie,2011-09-16 In this book Matthew Aernie argues that Paul intentionally used forensic language allusions and idioms throughout 2 Thessalonians 1 in order to encourage the persecuted church to remain steadfast as they waited for their vindication at the final assize To support this thesis Aernie suggests that such judicial language and allusions are intertextual parallels originating primarily from the Day of the Lord motif found throughout the Old Testament and maintains that the Day of the Lord concept was understood by the author of the Thessalonian correspondence as a reference to the day when the Lord would render righteous verdicts upon those who had both obeyed and disobeyed him Furthermore Aernie argues that the author of 2 Thessalonians likely understood the Day of the Lord to be consummated at the Parousia of Christ when the final court would convene Therefore borrowing from the judicial concept apparent in the Day of the Lord motif Aernie concludes that the author utilized forensic language throughout 2 Thessalonians 1 to exhort the church to remain faithful amidst great opposition as they awaited their ultimate justification at God s eschatological tribunal Reading Romans through the Centuries Jeffrey P. Greenman,Timothy Larsen,2005-12-01 What does it mean to be saved Did God choose who would be his followers or was it a personal choice These are just some of the questions Paul addresses in the sixteen challenging chapters of his letter to the Romans Reading Romans shows how some of the greatest minds in the history of the church have wrestled with and even been changed by Paul s words For example God used a passage from Romans to speak to the untamed heart of Augustine and John Wesley said that after hearing Martin Luther s comments on Romans he felt his heart strangely warmed This book will show why in many ways Christian theology begins and ends with Romans *De StripDatabank* Peter Bonte,2004
