Fantastic Realism Alison Waller,2010-12-22 *Constructing Adolescence in Fantastic Realism* examines those fundamental themes which inform our understanding of the teenager themes that emerge in both literary and cultural contexts Models of adolescence do not arise solely from discourses of psychology sociology and education Rather these models frameworks including developmentalism identity formation social agency and subjectivity in cultural space can also be found represented symbolically in fantastic tropes such as metamorphosis time slip hauntings doppelgangers invisibility magic gifts and witchcraft These are the incredible supernatural and magical elements that invade the everyday and diurnal world of fantastic realism In this original study Alison Waller proposes a new critical term to categorize a popular and established genre in literature for teenagers young adult fantastic realism Though fantastic realism plays a crucial part in the short history of young adult literature up until now this genre has typically been overlooked or subsumed into the wider class of

fantasy Touching on well known authors including Robert Cormier Melvin Burgess Gillian Cross Margaret Mahy K M Peyton and Robert Westall as well as previously unexamined writers Waller explores the themes and ideological perspectives embedded in fantastic realist novels in order to ask whether parallel realities and fantastic identities produce forms of adolescence that are dynamic and subversive One of the first studies to deal with late twentieth century fantastic literature for young adults this book makes a valuable contribution to our understanding of adult attitudes toward adolescent identity

The Best in Children's Books University of Chicago. Center for Children's Books, 1986-08 Designed to aid adults parents teachers librarians in selecting from the best of recent children's literature this guide provides 1 400 reviews of books published between 1979 and 1984 This volume carries on the tradition established by Zena Sutherland's two earlier collections covering the periods from 1966 to 1972 and 1973 to 1978 Her 1973 edition of *The Best in Children's Books* was cited by the American School Board Journal as one of the outstanding books of the year in education [African and African American Images in Newbery Award Winning Titles](#) Binnie Tate Wilkin, 2009-08-03 Since 1922 the Newbery Medal of Honor has been awarded to distinguished works of literature for children Although African and African American characters appeared in children's books well before the establishment of the Newbery award such depictions were limited with characters often only appearing as slaves or servants However over the last several decades there has been much progress and Black characters have played a much more integral role in many highly regarded novels In *African and African American Images in Newbery Award Winning Titles* Binnie Tate Wilkin provides a historical and contextual examination of books with such depictions that have been acknowledged by the nation's most prestigious award for children's literature Wilkin explores the depictions of African and African American characters in these novels and illuminates the progressive quality of such representations Wilkin looks closely at such elements as aesthetic descriptions subservient characterizations the relationships between characters and specific language usage to investigate how these images have progressed toward increasingly positive depictions She also notes when applicable the significance of the lack of any African or African American images This book is an essential resource for those interested in African American studies children's literature and the relationship between the two
