**Philippine-American Military History, 1902-1942** Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942

**American Military History** Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums

*Frustrated Ambition* Richard Bruce Meixsel, 2018-02-15 Vicente Podico Lim 1888 1944 was once his country's best known soldier The first Filipino to graduate from West Point and a graduate of the U S Army War College Lim figured in every significant military development in the Philippines during his thirty years in uniform Frustrated Ambition is the first in depth biography of this forgotten figure whose career paralleled the early twentieth century history of the Philippine military As independence seemed increasingly likely for the Philippines in the 1930s Lim positioned himself to take a leading role in developing armed forces for a sovereign nation But as Lim maneuvered behind the scenes Manuel L Quezon soon to be the commonwealth president revealed that he had invited General Douglas MacArthur to serve as military adviser to the Philippines Frustrated Ambition corrects the conventional historical narrative of events thereafter one that emphasizes the failure of the nascent Philippine military under MacArthur and inflates the general's heroic role in the defense of Bataan and Corregidor Richard Bruce Meixsel restores Lim

as the then recognized leader of the opposition to MacArthur's mission and shows how Lim took the Philippine Army in a more tenable direction as MacArthur's military system foundered World War II brought Lim to the fore While MacArthur directed his troops from Corregidor Lim commanded a division on Bataan that may have suffered more combat losses at the battle of Abucay than did all American units on Bataan during the entire campaign When the U S high command turned its efforts to evacuating the Philippine Islands Lim began to prepare for the ensuing underground struggle against the Japanese a fight that cost him his life By recounting Vicente Lim's career Frustrated Ambition illuminates forgotten episodes in Philippine history offers new perspectives on military affairs during the American occupation and recovers the story of Filipino soldiers whose service changed the course of their country's military history
