Committee on the Philippines, 1902 Philippine Politics and Society in the Twentieth Century Eva-Lotta E. Hedman, John Thayer Sidel, 2000 This work addresses key topics which should be of interest to the academic and non academic reader such as the national level electoral politics economic growth the Philippine Chinese law and order opposition the Left and local and ethnic politics Historical Dictionary of the Philippines Artemio R. Guillermo, 2011-12-16 Asia is one of the most rapidly developing regions in the world and knowledge of the individual countries is crucial for our understanding of the area The Republic of the Philippines composed of a chain of islands in Southeast Asia became a Spanish colony during the 16th century and was then ceded to the United States following the Spanish American War After

independence in the 20th century the Filipino people suffered under the 20 year rule of the dictator Ferdinand Marcos which ended as a result of a people power movement in 1986 Since then the history of the Philippines has been marked by several more political coups but a growing economy and democratic elections are increasing stability in the country Artemio R Guillermo covers more than four centuries of Filipino history in this newly expanded and updated third edition of the Historical Dictionary of the Philippines which contains more than four hundred entries on important persons places events and institutions An updated introduction with a detailed chronology precedes the dictionary and lays out the current situation in the region while a comprehensive bibliography at the end of the dictionary leads the reader to additional sources This book is an excellent access point for students researchers and anyone wanting to know more about the Philippines

Democratic Transition and Human Rights Sara Steinmetz,1994-05-24 This book analyzes U S foreign policy in relation to human rights and democratic development abroad Its purpose is to determine if and how human rights policies or their neglect have led to Realpolitik successes for the United States In addition it addresses the issue of how Washington might best respond to challenges in which a choice apparently must be made between support for democracy and preservation of U S national interests Through a comparative analysis of Iran under the Shah Nicaragua under the Somozas and the Philippines under Marcos Steinmetz evaluates the effectiveness of American priorities in authoritarian states that were perceived to protect U S interests Rejecting the policy prescriptions of the neoconservative and neorealist schools she concludes that protection of human rights abroad is desirable not because of its moral implications per se but because of its positive contributions to the preservation of U S national interests The Armed Forces In Contemporary Asian Societies Edward A

Olsen,Stephen Jurika,2020-02-26 First published in 1986 This book integrates current knowledge about the military political economic and cultural roles of the armed forces in sixteen Asian countries examining the interplay of these factors and their bearing on each society s civil military relations The authors explore the history current status and potential future course of each country Analyzing all key Asian armed forces they provide a comprehensive view of the military s domestic role a crucial factor in assessing the foreign and defense policy options facing Asia as a whole *Trands in Philippines II* M.
