**A Stephen Crane Encyclopedia** Stanley Wertheim,1997-10-28 The publication of The Red Badge of Courage in 1895 brought Stephen Crane instant fame at age 23 At 28 he was dead In the brief span of his literary career Crane enjoyed a significant measure of renown as well as notoriety but his reputation rested almost entirely upon his war novel and he felt that his talent had ultimately been misjudged From his adolescence until his death Crane was a professional journalist To this day most educated American readers know him only as the author of the most realistic Civil War novel ever written three or four action packed short stories and a handful of iconoclastic free verse poems Crane was befriended and admired by some of the

most important literary figures of his time such as William Dean Howells Willa Cather Joseph Conrad Henry James and H G Wells He has also been called a realist a naturalist an impressionist a symbolist and an existentialist This reference book provides a more complete picture of Crane s short but furiously creative life and encourages a more extensive appreciation of his works The volume includes hundreds of entries for members of Crane s immediate and extended family close friends and associates educational institutions that he attended places where he resided publishers and syndicates by whom he was employed literary movements with which he is usually associated and the works of fiction poetry and journalism that he wrote Thus the book shows that he was a pioneer in the development of a number of genres in modern American fiction and poetry that he was the first literary chronicler of the burgeoning slums of urban America who refused to sentimentalize his materials that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing

**Encyclopedia of American Literature** Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S [The Oxford Critical and Cultural History of Modernist Magazines](#) Peter Brooker,Andrew Thacker,2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada Over 120 magazines are discussed by expert contributors completely reshaping our understanding of the construction and emergence of modernism
