White, 1989 The *Philistine* A Periodical of Protest 1895 1915 the most successful of the American little magazines was published monthly by the flamboyant businessman and radical Elbert Hubbard His magazine printed controversial poetry including many of Stephen Crane's lines for the first time and progressive essays attacking militarism the clergy and church dogma and orthodox thought in general Among other writers represented in *The Philistine* were George Ade Claude Fayette Bragdon Rudyard Kipling Leo Tolstoy and Eugene R White Hubbard's acerbic observations over two decades regarding the establishment and the leading figures and periodicals of his time make his magazine valuable as primary source material for literary and cultural historians of his period The author examines the founding of *The Philistine* the literary and journalistic contributions by Crane and others and the influence of Hubbard and his magazine Included are a listing of contributors and an index to the second decade of *The Philistine*      *American Little Magazines of the Fin de Siecle* Kirsten MacLeod, 2018-03-01 In *American Little Magazines of the Fin de Siecle* Kirsten MacLeod examines the rise of a new print media form the little magazine and its relationship to the transformation of American cultural life at the turn of the twentieth century Though the little magazine has long been regarded as the preserve of modernist avant gardes and elite artistic coteries for whom it served as a form of resistance to mass media MacLeod's detailed study of its origins paints a different picture Combining cultural textual literary and media studies criticism MacLeod demonstrates how the little magazine was deeply connected to the artistic social political and cultural interests of a rising professional managerial class She offers a richly contextualized analysis of the little magazine's position in the broader media landscape namely its relationship to old and new media including pre industrial print forms newspapers mass market magazines fine press books and posters MacLeod's study challenges conventional understandings of the little magazine as a genre and emphasizes the power of little media in a mass market context      **Bulletin** Seattle Public Library, 1905      **Monthly Bulletin** Seattle Public Library, 1905      A Joint Catalogue of the Periodicals and Serials in the Libraries of the City of Toronto Toronto Public Libraries, 1934      **Bulletin of Bibliography and Magazine Subject-index**, 1902      **The Mid-Atlantic Almanack**,      **A Stephen Crane Encyclopedia** Stanley Wertheim, 1997-10-28 The publication of *The Red Badge of Courage* in 1895 brought Stephen Crane instant fame at age 23 At 28 he was dead In the brief span of his literary career Crane enjoyed a significant measure of renown as well as notoriety but his reputation rested almost entirely upon his war novel and he felt that his talent had ultimately been misjudged From his adolescence until his death Crane was a professional journalist To this day most educated American readers know him only

as the author of the most realistic Civil War novel ever written three or four action packed short stories and a handful of iconoclastic free verse poems Crane was befriended and admired by some of the most important literary figures of his time such as William Dean Howells Willa Cather Joseph Conrad Henry James and H G Wells He has also been called a realist a naturalist an impressionist a symbolist and an existentialist This reference book provides a more complete picture of Crane s short but furiously creative life and encourages a more extensive appreciation of his works The volume includes hundreds of entries for members of Crane s immediate and extended family close friends and associates educational institutions that he attended places where he resided publishers and syndicates by whom he was employed literary movements with which he is usually associated and the works of fiction poetry and journalism that he wrote Thus the book shows that he was a pioneer in the development of a number of genres in modern American fiction and poetry that he was the first literary chronicler of the burgeoning slums of urban America who refused to sentimentalize his materials that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing *Bulletin of Bibliography* ,1904
