book is the perfect introduction to it Tracing Your Georgian Ancestors, 1714-1837 John Wintrip, 2018-05-30 The Georgian period 1714 to 1837 was a key stage in our modern history so some understanding of it is essential for family historians who want to push their research back into the eighteenth century and beyond and John Wintrip's handbook is an invaluable introduction to it In a sequence of concise insightful chapters he focuses on those aspects of the period that are particularly relevant to genealogical research and he presents a detailed guide to the variety of sources that readers can consult as they pursue their research While fewer sources are available than for more recent history obstacles in the way of further research can often be overcome through knowledge of a wide range of sources and a greater understanding the historical context together with the use of sound research techniques So the author provides not only a historical overview of relevant topics but he also describes the records of the period in detail This expert guide to researching the Georgians will open up the field for experienced researchers and for newcomers alike *House Histories for Beginners* Colin Style, O-lan Style, 2022-09-15 Popular television programmes highlight the satisfaction that can be gained from investigating the history of houses and there is always plenty of interest in the subject with archives becoming ever more accessible with access to the internet As the subject covers a broad field the authors have set out to include advice on those aspects that usually apply to a project and others that will be of particular use for beginners The reader is guided through every stage of research from the first exploration of the archives to the completion of the task Suggestions are also included on how to present the findings a house history makes a very attractive gift The authors describe how to deduce the age of a property it is very seldom directly recorded when a house was built and characteristics of research on particular types of property such as cottages manor houses inns mills former church properties and farms are discussed In one example research demonstrated that a farm was likely to have been a Domesday manor a fascinating discovery achieved using records accessible to any beginner **Local Churches in New Urban Britain, 1890-1975** Grant Masom, 2020-07-31 This monograph is an important contribution to our understanding of the varied fortunes of British Christianity during the twentieth century Rev Dr Andrew Atherstone Tutor in Church History and Latimer Research Fellow Wycliffe Hall University of Oxford UK This book is an important and original work Anyone interested in twentieth century Christianity in Britain will learn much from it Grant Masom enables the reader to make sense of the new urban spaces that became a key part of British life in the last hundred years Rev Dr David Goodhew Visiting Fellow of St Johns College Durham University UK This ground breaking study adds new depth to our understanding of the importance of religion in English life and the role of the churches in shaping their own destiny in the first three quarters of the twentieth century Dr Mark Smith Associate Professor in History University of Oxford UK This book contributes to the ongoing academic debates on secularisation or the marginalisation of mainstream religious beliefs and practices in twentieth century British society It addresses three areas in which the current literature is weak the agency of organised religion in the outcomes described as secularisation rather than explanations based on external challenges such as

the modernisation of society and thought increased affluence and more leisure choices a focus on urban areas transformed by twentieth century industrialisation and suburbanisation and an extended time period to the end of the third quarter of the twentieth century allowing proper consideration of long term trends alongside short term upheavals such as the World Wars the Great Depression and the social changes of the 1960s Further the book employs a distinctly different highly data driven approach considers all religious movements and sets its conclusions within the wider social and cultural context of a representative community

Blake in Our Time Karen Mulhallen,2010-01-01 Blake in Our Time explores the work of British poet and artist William Blake in the context of the material culture of his era In the 1960s University of Toronto scholar G E Bentley Jr almost singlehandedly shifted the focus of Blake criticism from formalism and symbolism to the materiality that contextualizes Blake s work Following in the footsteps of Bentley s pioneering scholarship this collection richly illustrated demonstrates that the locus of Blake s work lies in the elements that are historically particular to his place and time Topics include the impact of the town of Chichester on Blake s imagination the material processes of Blake s painting the detection of a Blake forgery and new biographical materials using archives and online resources on Blake s contemporaries patrons peers and friends Essays on the importance of Blake collections world wide on variant printings and on the heirs of Blake in British painting extend the focus of this remarkable investigation to include chalcography and book history

Nick Barratt's Guide to Your Ancestors' Lives Nick Barratt,2010-06-15 Family history is only one part of your personal heritage there s more to your background than who your ancestors were This differs from most books on the market as it places this process on an equal footing with the social history that surrounds each generation as much as the technical know how on which records to examine and where This book takes you on a unique journey back in time examining the houses streets communities and ways of life that shaped the world around us and in particular the precise circumstances that made us who we are today Furthermore this book will not just explain how and where to undertake this personal detective process it shows you how to organise and shape your findings and create your own personal archive using the latest technology and online resources and how to add your store of knowledge to the emerging social networks that allow us to create a People s Archive and tell the forgotten story of the past that never makes it into the textbooks
