Philmont A History Of New Mexico's Cimarron:

Philmont Lawrence R. Murphy, 2013-11-30 Here is the first comprehensive history of the Colfax County area of northeastern New Mexico Best known today as the home of the Philmont Scout Ranch where thousands of Boy Scouts from around the world gather every year this beautiful country has a violent and varied past Centering around the town of Cimarron the region includes much of the vast Maxwell Land Grant one of the largest pieces of land to be owned by one man in the history of the United States Controversy over control of the land began in the sixteenth century with quarrels among rival American Indian tribes Spanish and later American troops continued the bloodshed for centuries more The culmination of the area's history of violence was the notorious Colfax County War between homesteaders and landowners that began in 1875 and continued until the Supreme Court acted fifteen years later A gold and silver rush lured prospectors to the Maxwell ranch and booming Elizabethtown in the 1860s But by 1870 the supply of precious metals was almost exhausted and today Elizabethtown is a ghost town An interesting and welltold account of an important area Philmont deserves a place on the Western book shelf Denver Post *Philmont* Lawrence Richard Murphy, 1982 Philmont Lawrence R. Murphy, 1972 This classic account is the first and still the best comprehensive history of the Colfax County area of northeastern New Mexico

The Last Train to Leave Cimarron, New Mexico Ronald E. Bromley, 2013-01-14 The last train to leave Cimarron New Mexico The story of the last train to leave Cimarron endeavors to answer two questions Why did the railroad industry pull out of Cimarron New Mexico and when did the last train leave To answer these questions the author summarizes the history of the Cimarron country the various people who worked to develop its lands natural resources and rail service How did the tiny community of Ute Park develop and why did it not grow into the vacation and recreational community the railroad executives envisioned Was a northern railroad through New Mexico Arizona and Southern California going to the Pacific possible and was it needed In many places history is driven by economics so to understand the railroad history of Cimarron we also looked at the development of the automobile truck transportation air travel bus transportation one speed long haul railroads development of the electric diesel locomotive and the decline of steam driven trains All of these things are part of the complete Cimarron rail road saga Then there is the story of the last train **When Cimarron Meant Wild** David L. Caffey, 2023-04-27 The Spanish word cimarron meaning wild or untamed refers to a region in the southern Rocky Mountains where control of timber gold coal and grazing lands long bred violent struggle After the U S occupation following the 1846 1848 war with Mexico this tract of nearly two million acres came to be known as the Maxwell Land Grant When Cimarron Meant Wild presents a new history of the collision that occurred over the region's resources between 1870 and 1900 Author David L Caffey describes the epic late nineteenth century range war in an account deeply informed by his historical perspective on social political and cultural issues that beset the American West to this day Cimarron country churned with the tensions of the Old West land disputes lawlessness violence and class war among miners a foreign corporation local elites

Texas cattlemen and the haughty Santa Fe Ring of lawyerly speculators And present still were the indigenous Jicarilla Apache and Mouache Ute people dispossessed of their homeland by successive Spanish Mexican and American regimes A Mexican grant of uncertain size and bounds awarded to Carlos Beaubien and Guadalupe Miranda in 1841 and later acquired by Lucien Maxwell marked the beginning of a fight for control of the land and set off overlapping conflicts known as the Colfax County War the Maxwell Land Grant War and the Stonewall War Caffey draws on new research to paint a complex picture of these events and of those that followed the sale of the claim to investors in 1870 These clashes played out over the following thirty years involving the new English owners miners and prospectors livestock grazers and farmers and Native Americans Just how wild was the Cimarron country in the late 1800s And what were the consequences for the region and for those caught up in the conflict The answers pursued through this remarkable work enhance our understanding of cultural and economic struggle in the American West *Frank Springer and New Mexico* David L. Caffey, 2007-09 The country Frank Springer rode into in 1873 was one of immense beauty and abundant resources grass and timber wild game precious metals and a vast bed of commercial grade coal It was also a stage upon which dramatic and sometimes violent events played out A lawyer and newspaperman for the Maxwell Land Grant company and a foe of the speculators known as the Santa Fe Ring Springer found himself in the middle of the Colfax County War A man of many sides he typified the Gilded Age entrepreneurs who transformed the territorial American Southwest As president of the Maxwell Land Grant company Springer led in the development of mining logging ranching and irrigation enterprises His Supreme Court victory establishing title to the 1 7 million acre Maxwell grant earned him a reputation as a brilliant attorney **New Mexico Historical Review** Lansing Bartlett Bloom, Paul A. F. Walter, 2002 **Haunted Hotels and Ghostly Getaways of New Mexico** Donna Blake Birchell, 2018-09-10 True to its nickname New Mexico enchants some souls so much they never leave The Express St James of Cimarron plays host to the cantankerous spirit of former owner Thomas James T J Wright At the Trinity Hotel in Carlsbad Miss Ruby occasionally pranks unwitting guests and still cares for the rooms where she once worked The gentle ghost of Julie Staab sits weeping at the bar of La Posada when not running bath water in her former room And in death Byron T Mills looks over the Las Vegas Plaza Hotel he owned and neglected in life Local author Donna Blake Birchell shares the chilling stories of these permanent spectral guests *Philmont Country* Gershon Du Vall Robinson, 1964 Additional title page description The geologic story of the last billion eventful years in the Philmont Ranch region where the Cimarron Range rises from the High Plains **Colfax County** Stephen Zimmer and Gene Lamm, 2015 In 1841 Carlos Beaubien and Guadalupe Miranda received a grant of land from the governor of New Mexico in the northeastern part of the Mexican province Frontier conditions prevented colonization of the grant until 1848 when Beaubien s son in law Lucien Maxwell led settlers from Taos to the Rayado River where it crossed the Santa Fe Trail Maxwell s friend Kit Carson joined him the following year and their ranch prospered in spite of frequent attacks by Jicarilla Apaches Later Maxwell moved north to the Cimarron River Gold was

discovered on the western part of the grant in 1866 and miners rushed to the diggings establishing the town of Elizabethtown. It became the first seat of Colfax County in 1869. Maxwell sold the grant to foreign investors who organized the Maxwell Land Grant and Railway Company in 1870 and founded the town of Cimarron. The Santa Fe Railroad entered the county in 1879 which precipitated the creation of the towns of Raton and Springer and also fostered large scale ranching, mining and lumbering.

Scouting, 1973-01. Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals. Scouting magazine offers editorial content that is a mixture of information, instruction and inspiration designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

The Colfax County War Corey Recko, 2024-07-15. When New Mexico became part of the United States, the territory contained 295 land grants, the largest of these being the Maxwell Land Grant. The size and boundaries of the grant were disputed, with some believing that much of the land was public domain. Settlers on this land were fought not only by the land grant owners but also by a group of corrupt politicians and lawyers known as the Santa Fe Ring, most notably Thomas Catron and Stephen Elkins who tried to use the situation for personal profit and land acquisition. The fight escalated in late 1875 with the assassination of Reverend F J Tolby, an outspoken critic of the Santa Fe Ring. In a confession, one of the assassins stated that men connected to the ring had paid to have Tolby killed. Outrage, civil unrest and more murders followed. The town of Cimarron alone was the scene of a lynching, a barroom gunfight in the St James Hotel involving legendary gunman Clay Allison and a nighttime murder of a prisoner. For a time the troubles in New Mexico were ignored by the federal government. But in 1878 the murder of John Tunstall set off a wave of violence known as the Lincoln County War. Following that, a letter came to light that appeared to show that the governor of the territory, Samuel B Axtell, planned a mass execution of critics of the Santa Fe Ring, who he considered to be agitators in the Colfax County troubles. Finally, officials in Washington took notice and sent Frank W. Angel with orders to investigate the violence, murders and corruption that plagued the territory. Following his investigation, Angel concluded it is seldom that history states more corruption, fraud, mismanagement, plots and murders than New Mexico has seen under the administration of Governor Axtell. The actions taken as a result of Angel's investigation wouldn't end the violence in New Mexico but they did lead to the end of the Colfax County War.

Compass American Guides - New Mexico Fodor's, Inc. Fodor's Travel Publications, 2005-05. Describes New Mexico and the Santa Fe, Taos and Albuquerque areas, recommends hotels and restaurants and offers advice on tours, festivals, nightlife, outdoor activities and entertainment.

Borderlands of Slavery William S. Kiser, 2017-04-05. It is often taken as a simple truth that the Civil War and the Thirteenth Amendment to the Constitution ended slavery in the United States. In the Southwest, however, two coercive labor systems, debt peonage in which a debtor negotiated a relationship of servitude often lifelong to a creditor, and Indian captivity, not only outlived the Civil War but prompted a new struggle to define freedom and bondage in the United States. In *Borderlands of Slavery*, William S. Kiser

presents a comprehensive history of debt peonage and Indian captivity in the territory of New Mexico after the Civil War. It begins in the early 1700s with the development of Indian slavery through slave raiding and fictive kinship. By the early 1800s, debt peonage had emerged as a secondary form of coerced servitude in the Southwest, augmenting Indian slavery to meet increasing demand for labor. While indigenous captivity has received considerable scholarly attention, the widespread practice of debt peonage has been largely ignored. Kiser makes the case that these two intertwined systems were of not just regional but also national importance and must be understood within the context of antebellum slavery, the Civil War, emancipation, and Reconstruction. Kiser argues that the struggle over Indian captivity and debt peonage in the Southwest helped both to broaden the public understanding of forced servitude in post-Civil War America and to expand political and judicial philosophy regarding free labor in the reunified republic. *Borderlands of Slavery* emphasizes the lasting legacies of captivity and peonage in Southwestern culture and society as well as in the coercive African American labor regimes in the Jim Crow South that persevered into the early twentieth century.

Roadside New Mexico David Pike, 2004. The people, geological features, and historic events that have made New Mexico what it is today are commemorated in over 350 historic markers along the state's roads. This guide is designed to fill in the gaps and answer the questions those markers provoke.

Realistic Bomber Training Initiative, 2000. *Intrigue of the Past*, 1993. *Day Trips® from Albuquerque* Nicky Leach, 2010-08-03. Rediscover the simple pleasures of a day trip with Day Trips from Albuquerque. This guide is packed with hundreds of exciting things for locals and vacationers to do, see, and discover within a two-hour drive of the Albuquerque metro area.

Pueblos, Villages, Forts & Trails David Grant Noble, 1994. New Mexico's many historic sites have fascinated generations of travelers. From ancient Indian pueblos along the Rio Grande to colonial-era villages in the Sangre de Cristo Mountains to the ruins of Anglo-American forts in the desert, New Mexico contains a wealth of places steeped in history. *Pueblos, Villages, Forts and Trails* is a profusely illustrated guidebook to sixty-four intriguing sites. With easy-to-follow road directions, it is the ideal companion as you explore the state. Noble's engaging writing and vivid photographs bring to life New Mexico's historic Indian, Hispano, and Anglo-American peoples and their contributions and interactions through the centuries. As you travel through the state with this book, you will be able to visualize Coronado's soldiers as they approached the Zuni Pueblo of Hawikuh in 1540; eighteenth-century Spanish colonists defending their mountain hamlets of Chimayo and Truchas against Comanche raiders; Confederate and Union soldiers clashing at Glorieta; and Billy the Kid escaping from the jailhouse in Lincoln. Book jacket. [Ernest Thompson Seton](#) David L. Witt, Ernest Thompson Seton, 2010. While this book stands on its own, it also serves as the exhibition catalog for a nearly yearlong show at the New Mexico History Museum in Santa Fe. Pref.

Thank you for downloading **Philmont A History Of New Mexicos Cimmar**. Maybe you have knowledge that, people have look numerous times for their chosen readings like this Philmont A History Of New Mexicos Cimmar, but end up in infectious downloads.
