*The Papyri from Herculaneum*

Marcellus Gigante

Translated by David Colquhoun

OXFORD UNIVERSITY PRESS

# Philodemus In Italy

**Marcello Gigante**

## **Philodemus In Italy:**

*Philodemus in Italy* Marcello Gigante, 2002 Philodemus ca 110 35 BCE was an Epicurean poet and philosopher whose private library was buried in the remains of Herculaneum by the lava from Mt Vesuvius In 1752 around eight hundred fragmentary papyrus scrolls were uncovered but only relatively recently have usable editions of these been made available This discusses the contents of Philodemus library which contained Stoic texts as well as Epicurean and then proceeds to a close textual analysis of some of his epigrams deciphered from the charred papyri especially concerned with the light they shed on his life and his relationship with his patron Piso *Philodemus in Italy* Marcello Gigante, 1995 **The Epigrams of Philodemus** David Sider, 1997-09-11 This edition collects all the epigrams attributed to Epicurean philosopher and poet Philodemus of Gadara ca 110 40 BC In editing these epigrams Sider has reexamined several manuscripts of the Greek Anthology Thirty eight epigrams three only doubtfully Philodemian and two spurious are printed in the original Greek and in English translation with full critical apparatus and commentary Sider also includes the text of a recently edited papyrus containing fragments of many known and newly discovered epigrams by Philodemus In addition to the usual issues involved in editing a Classical poet i e the poet s life his use of meter the epigrammatic tradition and the place of the epigrams in the Greek Anthology Sider s introduction considers the relationship between Philodemus philosophy and poetry He explains how the epigrams fit into the literary views expressed in Philodemus On Poems and how they clashed with the Epicurean stance against the writing of poetry **The Oxford Handbook of Epicurus and Epicureanism** Phillip Mitsis, 2020 Most complete and detailed account of all areas of Epicurus s philosophy in English Includes a detailed and authoritative account of Philodemus Examines later historical figures who were influenced by Epicureanism Explores the Herculaneum papyri and the inscription of Diogenes of Oenoanda Book jacket **Comparing Roman Hellenisms in Italy** Basil Dufallo, Riemer A. Faber, 2023-04-17 The story of Roman Hellenism defined as the imitation or adoption of something Greek by those subject to or operating under Roman power begins not with Roman incursions into the Greek mainland but in Italy where our most plentiful and spectacular surviving evidence is concentrated Think of the architecture of the Roman capital the Campanian towns of Pompeii and Herculaneum buried by Vesuvius and the Hellenic culture of the Etruscans Perhaps everybody knows that Rome adapted Greek culture in a steadily more sophisticated way as its prosperity and might increased This volume however argues that the assumption of smooth continuity let alone steady improvement in any aspect of Roman Hellenism can blind us to important aspects of what Roman Hellenism really is and how it functions in a given context As the first book to focus on the comparison of Roman Hellenisms per se Comparing Roman Hellenisms in Italy shows that such comparison is especially valuable in revealing how any singular instance of the phenomenon is situated and specific and has its own life trajectory circumstances and afterlife Roman Hellenism is always a work in progress is often strategic often falls prey to being forgotten decontextualized or reread in later periods and thus is in important senses contingent Further what we may

broadly identify as a Roman Hellenism need not imply Rome as the only center of influence Roman Hellenism is often decentralized and depends strongly on local agents aesthetics and materials With this in mind the essays concentrate geographically on Italy to lend both focus and breadth to our topic as well as to emphasize the complex interrelation of Hellenism at Rome with Rome s surroundings Because Hellenism whether as practiced by Romans or Rome s subjects is in fact widely diffused across far flung geographical regions the final part of the collection gestures to this broader context

**Christian Origins and Hellenistic Judaism** Stanley E. Porter, Andrew Pitts, 2012-10-23 In Christian Origins and Hellenistic Judaism Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco Roman Jewish culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Hellenistic Jewish texts

**The Early Church at Work and Worship - Volume 3** Everett Ferguson, 2017-10-19 This is the third volume of Ferguson s collected essays and includes some of his most memorable work especially on laying on of hands

Lucretius and Modernity Jacques Lezra, Liza Blake, 2016-04-08 Lucretius s long shadow falls across the disciplines of literary history and criticism philosophy religious studies classics political philosophy and the history of science The best recent example is Stephen Greenblatt s popular account of the Roman poet s *De Rerum Natura* On the Nature of Things rediscovery by Poggio Bracciolini and of its reception in early modernity winner of both a Pulitzer Prize and National Book Award Despite the poem s newfound influence and visibility very little cross disciplinary conversation has taken place This edited collection brings together essays by distinguished scholars to examine the relationship between Lucretius and modernity Key questions weave this book s ideas and arguments together What is the relation between literary form and philosophical argument How does the text of *De rerum natura* allow itself to be used at different historical moments and to different ends What counts as reason for Lucretius Together these essays present a nuanced skeptical passionate historically sensitive and complicated account of what is at stake when we claim Lucretius for modernity

*Inside Roman Libraries* George W. Houston, 2014 Inside Roman Libraries Book Collections and Their Management in Antiquity

**The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7** Michael Gagarin, 2010

**Who's Who in the Roman World** John Hazel, 2002-09-26 No comparable affordable reference book dedicated to the Roman World Ideal companion volume to *Who's Who in the Greek World* Comprehensive concise accessible

Anti-Epicurean Polemics in the New Testament Writings Stefan Szymik, 2023-10-09 Stefan Szymik analyses New Testament texts in terms of polemic and anti Epicurean rhetoric To what extent and how did Epicurus and his philosophical thought influence the first Christian Churches How did Christians react to Epicureanism Although the New Testament only includes one account of an encounter between the Apostle Paul and the Epicureans Acts 17 18 the probability

of their contacts was high given the popularity of Epicureanism in the Roman Empire in the first century CE As a vital component of Hellenistic Roman culture Epicureanism should be taken into account in research on the New Testament becoming a point of reference and part of the content of comparative analyses

**Soteriology and the End of Animal Sacrifice** Giosue Ghisalberti, 2018-08-24 Soteriology and the End of Animal Sacrifice traces the historically sustained critique of animal sacrifice in both the Jewish prophets and Greek philosophers and offers a reinterpretation of the fundamental expression of piety in both cultures The Jewish prophets such as Isaiah and Greek philosophers beginning with Pythagoras provided not only an unequivocal denunciation of animal sacrifice as a religious ritual Equally important they also offered an alternative conception of piety in and through a language dedicated to the therapeutic health and well being of others In the philosophies of Socrates and Epicurus in the Greek world and in the teaching and healing of Jesus in the Jewish world of first century Palestine we reach a decisive moment in the revolution of religion in the ancient world The practice of animal sacrifice in the temples of Greece and Jerusalem begins to be reconceived and eventually abolished and replaced by a soteriology or healing wholly dedicated to the well being of individuals no less than entire societies The replacement of animal sacrifice with soteriological speech is the single most important revolution in the religions of antiquity

**Authority and Authoritative Texts in the Epicurean Tradition** Michael Erler, Jan Erik Heßler, Petrucci Federico M., 2023-10-09 Schwabe Epicurea Herausgegeben von Michael Erler und Wolfgang Rother In dieser Reihe erscheinen Texte Kommentare und Studien zu Epikur und zur epikureischen Tradition bis zur Neuzeit Dem wissenschaftlichen Beirat gehören an Graziano Arrighetti Pisa Jürgen Hammerstaedt Köln Carlos Levy Paris Anthony A Long University of California Berkeley Francesca Longo Auricchio Napoli Antony McKenna Saint-Étienne Günther Mensching Hannover Martin Mulsow Erfurt Dirk Obbink Oxford Gianni Paganini Vercelli David Sedley Christ's College Cambridge Edoardo Tortarolo Vercelli Die Reihe ist offen für die internationale Forschung Die Bücher können in Deutsch Englisch Französisch oder Italienisch abgefasst werden

*Pompeii Awakened* Judith Harris, 2014-10-28 The rediscovery of the Roman cities overwhelmed by the rage of Vesuvius is one of history's most extraordinary adventure stories Pompeii Awakened revels in that adventure and tells of the re-emergence of a long vanished cosmopolis which profoundly inspired a later age from its arts and architecture to its science sex and religion When Herculaneum Pompeii's sister in disaster was located in 1709 that first discovery launched a frenzied scramble for buried treasure Then in 1755 Pompeii too rose from its crust of volcanic rock and the science of archaeology was born Whereas Herculaneum had artistic political and philosophical impact the later discoveries at Pompeii spoke rather of domesticity of cuisine and household architecture tools gardens and religion To this day it is the only site to show what daily life was like in antiquity However the full story of Pompeii consists not just in its uniquely preserved classical villas and votives but in the powerful response it evoked in the European cultural imagination Here are the English whose wealth wet weather and classical education fostered a passion for Naples and its rediscovered cities We read of Sir William Hamilton

discussing priapic cults with his near neighbour the dilettante Richard Payne Knight and of how the famous love affair of Emma Hamilton and Admiral Nelson saved the Herculaneum papyri from the French Here too are the hosts who arrived from across Europe and then from America engineers and artists dreamers and poets photographers and cinematographers whose reconstructions and remembrances of Pompeii have never ceased to resonate Judith Harris brings the doomed city vibrantly to life Pompeii breathes again through her account of the diverse people who sifted through its remains to catch a glimpse of themselves in the past From the poetic souls who found a majestic melancholy in Pompeii's shattered walls to the tub thumping Victorian preachers who denounced the city as akin to Sodom and Gomorrah Pompeii Awakened uncovers many fascinating stories of sex science love and death The author has spoken to experts on three continents flown over Pompeii in a hot air balloon delved into ancient diaries and descended deep underground to assess the latest discoveries of a lost world As the sleeping city re awakens in her hands Pompeii casts its spell once more bewitching those who seek to unearth its buried secrets

*The Oxford Handbook of Roman Philosophy* Myrto Garani, David Konstan, Gretchen Reydam-Schils, 2023 The Oxford Handbook of Roman Philosophy provides a thorough exploration of Roman philosophy as a valuable study in its own right Topics covered include ethnicity cultural identity literary originality the environment Roman philosophical figures epistemology and ethics

*Epicurean Ethics in Horace* Sergio Yona, 2018 Over the centuries leading up to their composition many genres and authors have emerged as influences on Horace's Satires which in turn has led to a wide variety of scholarly interpretations This study aims to expand the existing dialogue by exploring further the intersection of ancient satire and ethics focusing on the moral tradition of Epicureanism through the lens of one source in particular Philodemus of Gadara Philodemus was an Epicurean philosopher who wrote for a Roman audience and was one of Horace's contemporaries and neighbours in Italy His works which were preserved by the eruption of Vesuvius in AD 79 but have nevertheless not been widely read on account of their fragmentary nature feature a range of ethical treatises on subjects including patronage friendship flattery frankness poverty and wealth

*Epicurean Ethics in Horace The Psychology of Satire* offers a serious consideration of the role of Philodemus Epicurean teachings in Horace's Satires and argues that the central concerns of the philosopher's work not only lie at the heart of the poet's criticisms of Roman society and its shortcomings but also lend to the collection a certain coherence and overall unity in its underlying convictions The result is a ground breaking study of the deep and pervasive influence of Epicurean ethical philosophy on Horace's Satires which also reveals something of the poet behind the literary mask or persona by demonstrating the philosophical consistency of his position throughout the two books

*Encyclopedia of Ancient Greece* Nigel Wilson, 2013-10-31 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference

provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece     Rediscovering the Dead Sea Scrolls Maxine L. Grossman, 2010-06-28  
Fifteen respected DSS scholars representing diverse perspectives offer here a window into the scholarly study of these ancient texts Rediscovering the Dead Sea Scrolls introduces readers to a wide range of established and experimental treatments of the Scrolls including paleography archaeology manuscript analysis and a variety of literary historical and social scientific approaches The authors provide not only an introduction to a given approach but also a more self reflective assessment of the limits of their approaches and the potential pitfalls associated with them From publisher description

**Who's Who in the Greek World** John Hazel, 2013-07-04 Was there such a person as Homer Who were the key figures in the first democracy of the Western World Who is the father of tragedy Who is the father of history Of all the world s ancient civilisations it is perhaps the Ancient Greece that has the strongest hold over the modern imagination The history philosophy and literature continue to intrigue and enthrall Now John Hazel has compiled the definitive biographical guide to the Greek and Hellenistic world from 750 BC to the end of the Roman Empire The lives of Alexander the Great Socrates and Plato are opened up but so too are those of lesser known figures Bacchylides the lyric poet Chares the general and the traitor Ephialtes giving a thorough and fascinating overview of life in Ancient Greece
