J. Wesley Null

Philosophic Conflicts In American Education 1893 2000:

Philosophic Conflicts in American Education, 1893-2000 Joseph Watras, 2004 In the past forty years the idea of home which is central to how the law conceives of crime punishment and privacy has changed radically Legal scholar Jeannie Suk shows how the legitimate goal of legal feminists to protect women from domestic abuse has led to a new and unexpected set of legal practices Suk examines case studies of major legal developments in contemporary American law pertaining to domestic violence self defense privacy sexual autonomy and property in order to illuminate the changing relation between home and the law She argues that the growing legal vision that has led to the breakdown of traditional boundaries between public and private space is resulting in a substantial reduction of autonomy and privacy for both women and men

American Educational History Journal J. Wesley Null, 2011-06-01 The American Educational History Journal is a peer reviewed national research journal devoted to the examination of educational topics using perspectives from a variety of disciplines The editors of AEHJ encourage communication between scholars from numerous disciplines nationalities institutions and backgrounds Authors come from a variety of disciplines including political science curriculum history philosophy teacher education and educational leadership Acceptance for publication in AEHJ requires that each author present a well articulated argument that deals substantively with questions of educational history

Works about John Dewey, 1886-2012 Barbara Levine, 2013-11-05 Works of John Dewey 1886 2012 is an invaluable and meticulously compiled resource for the growing number of scholars and researchers seeking a deeper understanding of the work of the prominent American philosopher psychologist and educational reformer Dewey 1859 1952 an influential philosopher credited with the founding of pragmatism and also recognized as a pioneer in functional psychology and the progressive moment in education was hailed by Life magazine in 1990 as one of the one hundred most important Americans of the twentieth century This rich and continually expanding compendium of historical and more recent essays research and references is a testament to the growing interest in Dewey's intellectual work and his measurable impact in the United States and throughout the world In Works of John Dewey 1886 2012 some four thousand new entries are presented in ebook format in addition to those from earlier print and electronic editions dating back to 1995 Copies of most of the works have been obtained and are stored at the Center for Dewey Studies For the first time users can access all items from all editions in one user friendly format Jump links to alphabetical sections facilitate movement through the vast collection of entries Users can search by keyword and author

Philosophy and History of Education Antoinette Errante, Jackie Blount, Bruce A. Kimball, 2017-02-10 The studies of philosophy and history of education are under siege These studies do not attract large grant funds and to many do not seem useful even while much of educational research is dismissed as inconsequential or self evident and the crisis in American education deepens Philosophy and history of education have therefore been pushed to the margin or beyond in colleges and schools of education commensurate with the decline of the humanities in higher education generally Philosophy and History

of Education examines the complex relationship between these studies and the value of these related studies for improving educational knowledge policy and practice From diverse perspectives the philosophers and historians in this volume explore how bringing these disciplines together yields insights about unacknowledged or occult aspects of education problems that neither could achieve on their own

The Tragicomedy of Public Education James M. Kauffman,2011-02-17 The sad and almost comical ways in which our public schools functionThe tragedy is that our public schools work so poorly The comedy is the off target comments about educational reform made by educators business leaders secretaries of education presidents and congress Mathematical impossibilities pompous postmodern pap seemingly scholarly non sequiturs and lot of other nonsense give us much to laugh about

Historical Dictionary of the 1940s James Gilbert Ryan,Leonard C Schlup,2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century s most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context

Effect of Grouping on Language Development of English Learners Seema Sabharwal,2009-07-30 The purpose of the study was to examine if there was a significant difference between first grade English Learners EL who constitute a majority 50% of the English language mainstream classroom homogeneous grouping and first grade EL who constitute a minority

Social Education in the Twentieth Century Christine A. Woyshner,Joseph Watras,Margaret Crocco,2004 Since the birth of the republic the aim of social education has been to prepare citizens for participation in democracy In the twentieth century theories about what constitutes good citizenship and who gets full citizenship in the civic polity changed dramatically In this book contributors with backgrounds in history of education educational foundations educational leadership and social studies education consider how social education inside and outside school has responded to the needs of a society in which the nature and prerogatives of citizenship continue to be contentious issues

A History of American Education Joseph Watras,2008 An engaging look at the past and present of schools and schooling A History of American Education 1 e examines the effects influences and implications of globalization on education in the United States From the early colonial days to the diverse present this text vividly reconstructs the highlights and challenges of education in America It explores the ideas of key educators the interaction between the public s ideals and the realities of schools and the consequences of educational reforms within the larger context of an increasingly global and connected society Unlike other history texts this book also offers considerable information about changes in curriculum educational administration and teaching practices

Numbers Games Paul Lee Thomas,2004 American schools are often the victims of numbers games because its education

is in the hands of politicians the populace and pundits How Americans view numbers science and research profoundly impacts the ability of politicians to manipulate our schools from pre K through graduate education Even in classrooms teachers are routinely implementing flawed assessment strategies based on misguided assumptions about numbers and commonly held statistical truths American educators need to step out from under the restrictive mandates of politicians and their growing mania for measuring students they need to leave the numbers games behind and take control of their profession

Social Reconstruction Karen L. Riley, 2006-05-01 Social Reconstruction as a philosophy stream of thought or official program is often synonymous with Depression era Progressivism But Social Reconstruction unlike progressivism enjoyed political stardom The spirit of progressivism at least in terms of education found a home in those enthusiasts who supported a child centered perspective of education Others such as the essentialists viewed their progressive role as one that advanced the view of essential or basic education as the most sound approach to curriculum and teaching Still others more radical in their outlook believed that progress should be framed with questions about social justice and equity Proponents of social reconstruction included Harold Rugg and George Counts although the movement was rich with supporters To date social reconstruction is only a by word in most texts that deal with the Progressive Era or progressive education perhaps because Rugg and Counts the two most visible proponents sought and received the political limelight no matter how glaring In any event the depths of social reconstruction have yet to be plumbed Hence the first book in this series will offer a comprehensive treatment of Social Reconstruction which include chapters that examine its proponents political nature and social justice programs born of and within the tumultuous context of progressive politics

The Praeger Handbook of American High Schools Kathryn M. Borman, Spencer Cahill, Bridget A. Cotner, 2007 *Book Review Index Cumulation* Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year
