Radiant Woman:

A Woman's Secret for Confident Living Karol Ladd, 2011-08-01 Bestselling author Karol Ladd shares powerful truths from Colossians and reveals an exciting path to confident living through God's love and grace. With biblical wisdom and an inspiring belief in God's purpose for each woman, Karol helps readers transform the way they see themselves and how they live out their lives as they discover their value and confidence in God. With this vital perspective shift, a woman will transform her thinking through powerful prayers, cultivate potential by exploring the dreams God gives to her, step forward with a strong sense of identity in Christ, deepen relationships and communication with others and with God, shine with joy and assurance of what she brings to the world. Karol's study questions bring dimension to God's leading and hope for women and provide individuals or groups a practical way to explore, know, and live boldly in God's confidence. *Pussy Regena Thomashauer*, 2018-04-03 Required reading for every woman who longs to step into her power and live with pleasure and purpose. *Kris Carr*, New York Times best-selling author, author, educator, and School of Womanly Arts founder. *Regena Thomashauer* has been working with women for the past 25 years and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is arguably the most powerful pejorative word in the English language. Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing: how to crack the confidence code, why sex appeal is an inside job, what's ahead on the next frontier of feminism, and how they can help make it happen and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out, but live more richly, fully, and lusciously than she ever thought she could.

The Revelation

Rainbow Charles Walter Doughty, 2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un-informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord. Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit-led mindset. Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense. Having met these students Mr Doughty was greatly distressed to see them turn from God's Word especially Revelation altogether. Subjects like the Antichrist Millennium Mark of the Beast Rapture Tribulation and Left Behind are just some of the end-time twists causing confusion. *The Ethnopoetics of Shamanism* M. Santos, 2016-04-30 Over the last century Western portrayals of shamanism have changed radically toward an ethnopoetics of shamanism. While shamanic practices had long been indirectly registered by Westerners it is only since the late nineteenth century that they have taken on symbolic import within discourses of primitivism and debates over magic and rationality.

Athens of America John Ross Jr., 2021-02-23 ATHENS OF AMERICA A Play in Two Acts with an Epilogue is inspired by and loosely based upon *Il giacimento delle parti* Rules of the Game by Luigi Pirandello 1867-1936. Set in a popular Italian neighborhood simply known as Boston's North End Athens of America explores marital betrayal worshipping jealousy and boyhood rivalry. Amidst Emily Dickinson foreboding Latin phrases the paranormal and pious ritual this new work unites the immortal leitmotifs of classic Pirandellian drama. Here illusion hope individualism and psychological exploitation meet head-on with Jim Morrison NASA art galleries and the meticulous niceties of gourmet cooking. The play's entire ensemble is persistently gripped by the trials of bewildered identities contrived fantasies and the outcomes of their own distorted self-images. In this new play we immediately recognize how oftentimes our own sense of self may solely exist in relation to others and their own premeditated and controlling cosmologies. Each character is habitually trapped by shifting facets of overwhelming desire ones shrouding themselves in a consuming abyss of delusion deceit and duplicity. This is a play of verbal pretext ominous revelation and ultimate tragic vengeance. A lesser-known moniker for the city Boston is The Athens of America used mainly in literary circles during the first half of the 20th Century. One of the alleged sources is to be found in a letter written in 1764 by Samuel Adams along with many other suspected sources of imprecise origin. Just to be in Boston in Cambridge on a Monday night was very horrifying to me. It frightens me. All the stores closing up by 5 or 6 coffeehouses being open maybe until 11 just the sense that the world shuts down and you're left with yourself. Ann Douglas
