Radical Christian Living Richard Booker, 1985-03-01 **Radical Christian Principles** Matthew Sadiku, 2024-05-15 In our day of moral confusion men and women and young and old desperately need to understand what the Bible teaches about Christian living Christians are often one of the obstacles preventing unbelievers from accepting Christ into their lives People reject Christianity when they observe that those who profess to follow Christ do not live and love the way He did The Christians follow religious traditions instead of following in the footsteps of their Master As believers we should be the drivers of our own lives We have to stand up for what we believe in even when we might not be popular for it **The Radical Disciple** John Stott, 2021-04 What does it mean to follow Jesus wholeheartedly John Stott unpacks radical discipleship in his final book *Reflections on the Gospel* John Michael Talbot, 1986 *Overhauling Life with Instructions from Jim* William McConnell, 2009-06-01 **Bavinck on the Christian Life** John Bolt, 2015-08-31 The importance of Dutch theologian Herman Bavinck to Reformed theology is difficult to overstate Bavinck's comprehensive four volume systematic theology *Reformed Dogmatics* is a modern classic that has influenced countless pastors and theologians over the past 100 years In *Bavinck on the Christian Life* scholar John Bolt brings the great Dutch theologian's life and work to bear on following Jesus in the 21st century By practically applying Bavinck's systematic works to the Christian life and looking at the life of the man himself this book shows the direct connection between robust theology practical holiness and personal joy John Owen is widely hailed as one of the greatest theologians of all time His many works especially those encouraging Christians in their struggle against sin continue to speak powerfully to readers today offering much needed spiritual guidance for following Christ and resisting temptation day in and day out Starting with an overview of Owen's life ministry and historical context Michael Haykin and Matthew Barrett introduce readers to the pillars of Owen's spiritual life From exploring his understanding of believers fellowship with the triune God to highlighting his teaching on justification this study invites us to learn about the Christian life from the greatest of the English Puritans Part of the *Theologians on the Christian Life* series

Let God Change Your Life Greg Laurie, 2011-06-01 Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering *Let God Change Your Life* Imagine what it would have been like to

be a follower of Jesus first century Christians walked away from their old lives just to be where He was What they learned sitting at His feet was discipleship And when His work on earth was done first century Christians took His words and example and spread out teaching the gospel to everyone The good news is that we too can participate in this lifestyle Laurie drills it down in three simple ideas get to know Jesus follow His plan for discipleship and use it to tell others what we know Laurie s tone is clear direct and biblical

Local Actions Melissa Checker,Maggie Fishman,2004-02-25 Activism is alive and well in the United States according to Melissa Checker and Maggie Fishman It exists on large and small scales and thrives in unexpected places Finding activism in backyards art classes and urban areas branded as ghettos these anthropologists explore the many routes people take to work toward social change Ten absorbing studies present activist groups across the country from transgender activists in New York City to South Asian teenagers in Silicon Valley to evangelical Christians and Palestinian Americans Each one examines a social change effort as it unfolds on the ground Through their anthropological approach these portraits of American society suggest the inherent possibilities in identity based organizing and offer crucial in depth perspectives on such hotly debated topics as multiculturalism and the culture wars the environment racism public education Native American rights and the Christian right Moving far beyond the walls of academia the contributors address the complex issues that arise when researchers have stakes in the subjects they study Scholars can play multiple roles in the activist struggles they recount and these essays illustrate how ethnographic research itself can become a tool for activism

Easter for Progressive Christians Donald Schmidt,2020-01-10 So what really happened that first Easter Sunday The simple answer is that no one knows only a problem if one is trying to prove that each of the stories is factually accurate If we suspend that attempt for a moment and read the Easter stories in the gospels for what they are profound statements of faith we may discover something much more powerful and lasting Few stories in the entire pantheon of literature evoke as much emotion as the gospel accounts of the resurrection of Jesus For many Christians these are the quintessential texts the ones that define Christianity their personal faith and the whole of human existence That s a lot to put onto a few simple stories When using this study therefore it will be helpful to have a sense of where participants are coming from Are they a mixed group with ideas that are all over the theological map Do they tend to approach the stories as metaphor and take the stance that the resurrection could not possibly have happened Do they take it literally and believe that things must have happened exactly as they are recorded Do they feel that there is some point to reading these stories even though they leave us with more questions than answers People s ideas may differ slightly or greatly and that s okay The point of doing this study is not so that everyone comes out with the same belief nor is it to convince anyone at any time that they must believe one thing or another The purpose of this study is to explore these powerful faith stories so that they might in turn inform and enhance our daily living

The Christian Century ,1924 **Kierkegaard's Influence on Theology: Anglophone and Scandinavian Protestant theology** Jon Bartley Stewart, Tome II is dedicated to tracing Kierkegaard s

influence in Anglophone and Scandinavian Protestant religious thought In Britain before World War I the few literati who were familiar with his work tended to assimilate Kierkegaard to the heroic individualism of Ibsen and Nietzsche In the United States knowledge of Kierkegaard was introduced by Scandinavian immigrants who brought with them a picture of the Dane as much more sympathetic to traditional Christianity The interpretation of Kierkegaard in Britain and America during the early and mid twentieth century generally reflected the sensibilities of the particular theological interpreter Anglican theologians tended to find Kierkegaard to be one sided in his critique of reason and culture while theologians hailing from the Reformed tradition often saw him as an insightful harbinger of neo orthodoxy The second part of Tome II is dedicated to the Kierkegaard reception in Scandinavian theology featuring articles on Norwegian and Swedish theologians influenced by Kierkegaard

Hope for the Oppressor Patrick Oden, 2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg Jürgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community

Wake Up Church Greg Wilburn, 2010-10-15 Lukewarmness in the Church Moral Decay in Society Unstable Economies We live in a troubled world This is a wake up call The King of the Universe is coming back to rule the earth in righteousness ARE YOU READY The various voices of politics world religions and new cultural movements all seek to proclaim some form of hope in the midst of these uncertain times The Word of God tells us that the only true hope is found in Jesus Christ He is the Savior who died for sinners and He is the reigning King who will return to earth with power and great glory This is the hope we have as Christians that our King will surely come again But is the Church ready for the return of Jesus Are the people of God living in light of and longing desperately for that Day This book seeks to unpack several exhortations which the Bible gives us in order to help us be prepared for the Second Coming of Christ such as loving the truth living holy lives enduring suffering and proclaiming the gospel to the unreached nations This book will help the people of God live out these realities as they await the glorious return of King Jesus
