Radio Replies Revs. Frs. Rumble and Carty, 2001-06 **Radio Replies** Revs. Frs. Rumble and Carty, 2001-06 **Radio Replies** Leslie RUMBLE, 1952 *Catholicism and Fundamentalism* Karl Keating, 2009-09-03 Karl Keating defends Catholicism from fundamentalist attacks and explains why fundamentalism has been so successful in converting Romanists. After showing the origins of fundamentalism, he examines representative anti-Catholic groups and presents their arguments in their own words. His rebuttals are clear, detailed, and charitable. Special emphasis is given to the scriptural basis for Catholic doctrines and beliefs. Radio Replies Leslie Rumble, 1938 *Radio Replies* Leslie Rumble, Revs. Frs. Rumble & Carty, Charles M. Carty, 2001-06 Over 4000 answers to tough questions on the Faith. Great **The Resurrection of the Roman Catholic Church** Griff Ruby, 2002 For nearly twenty centuries the Roman Catholic Church withstood all the currents of change and history and maintained a closely guarded orthodoxy which has always served as the basis and center of all Christianity. Yet it is as if all of that has been just arbitrarily swept away in the few years since Vatican II. Given what the Church has always taught about itself being indefectible, how could this have happened? Did that Council have something to do with that terrible loss of faith? Can the real Catholicism be found today and if so where? The shocking answer to this once seen and truly understood is as every bit as glorious as the original resurrection of Christ Himself: a tremendous source of faith and inspiration. It is a broad-based, longstanding miracle passing right before our eyes: have we but the Grace to see it for what it is. **Methods of Historical Analysis in Electronic Media** Donald G. Godfrey, 2006-08-15 *Methods of Historical Analysis in Electronic Media* provides a foundation for historical research in electronic media by addressing the literature and the methods: traditional and the eclectic methods of scholarship as applied to electronic media. It is about history, broadcast electronic media history, and history that has been broadcast and also about the historiography research written and the research yet to be written. Divided into five parts, this book addresses the challenges in the application of the historical methods to broadcast history, reviews the various methods appropriate for electronic media research based on the nature of the object under study, suggests new approaches to popular historical topics, takes a broad topical look at history in broadcasting, and provides a broad overview of what has been accomplished, a historian's challenges, and future research. Intended for students and researchers in broadcast history, *Methods of Historical Analysis in Electronic Media* provides an understanding of the qualitative methodological tools necessary for the study of electronic media history and illustrates how

absorbed into space as the cold darkness attracts the light or heat chemical energy Einstein said energy could not be destroyed only changed into another form The universe is made of many strange abnormalities which we don

Rumble and Carty,1992 *The Rhetorical Leadership of Fulton J. Sheen, Norman Vincent Peale, and Billy Graham in the Age of Extremes* Timothy H. Sherwood,2013-08-15 Fulton J Sheen Norman Vincent Peale and Billy Graham were America s most popular religious leaders during the mid twentieth century period known as the golden years of the Age of Extremes It was part of an era that encompassed polemic contrasts of good and evil on the world stage in political philosophies and international relations The 1950s and early 1960s in particular were years of high anxiety competing ideologies and hero villain mania in America Sheen was the voice of reason who spoke against those conflicting ideologies which were hostile to religious faith and democracy Peale preached the gospel of reassurance self assurance and success despite ominous global threats and Graham was the heroic model of faith whose message of conversion provided Americans an identity and direction opposite to atheistic communism This study looks at how and why their rhetorical leadership both separately and together contributed to the climate of an extreme era and influenced a national religious revival Catalogue of Copyright Entries Library of Congress.
