

RADIO'S Golden YEARS

Vincent Terrace, a native New Yorker, is a graduate of the New York Institute of Technology and possesses a Bachelor's Degree in Fine Arts. As a writer for his college newspaper, he developed, with friend Bart Pollin, a popular weekly "Television Nostalgia Quiz." It was at this time that he developed the idea for his book, *The Complete Encyclopedia of Television Programs 1947-1979*.

In addition to compiling the media information for *The Great Sky Pictures*, *The Great Gangster Pictures*, *The Great Western Pictures*, and *The Great Science Fiction Pictures*, Mr. Terrace has also written *Television: Series and Pilot Films 1970-1980*.

Terrace was motivated to write *Radio's Golden Years* when he discovered during research a lack of any in-depth reference on the history of radio broadcasts.

Hall,2007-12-01 In the 1930s radio stations filled the airwaves with programs and musical performances about rural Americans farmers and small town residents struggling through the Great Depression One of the most popular of these shows was Lum and Abner the brainchild of Chester Chet Lauck and Norris Tuffy Goff two young businessmen from Arkansas Beginning in 1931 and lasting for more than two decades the show revolved around the lives of ordinary people in the fictional community of Pine Ridge based on the hamlet of Waters Arkansas The title characters who are farmers local officials and the keepers of the Jot Em Down Store manage to entangle themselves in a variety of hilarious dilemmas The program s gentle humor and often complex characters had wide appeal both to rural southerners who were accustomed to being the butt of jokes in the national media and to urban listeners who were fascinated by descriptions of life in the American countryside Lum and Abner was characterized by the snappy verbal comedic dueling that became popular on radio programs of the 1930s Using this format Lauck and Goff allowed their characters to subvert traditional authority and to poke fun at common misconceptions about rural life The show also featured hillbilly and other popular music an innovation that drew a bigger audience As a result Arkansas experienced a boom in

tourism and southern listeners began to immerse themselves in a new national popular culture In Lum and Abner Rural America and the Golden Age of Radio historian Randal L Hall explains the history and importance of the program its creators and its national audience He also presents a treasure trove of twenty nine previously unavailable scripts from the show s earliest period scripts that reveal much about the Great Depression rural life hillbilly stereotypes and a seminal period of American radio Radios Philip Collins,1987 Fotos und Beschreibungen amerikanischer Radioapparate *The Golden Age of Radio and History* Harvey Sheldon,2013-01-10 Still in the grasp of the Great Depression the 1930 s gave rise to a wealth of fresh Americana based upon inexpensive forms of entertainment Ten cent motion pictures cheap reading material and free radio programs came from a few of the industries that prospered during the decade and their influence was felt deeply and is remembered warmly by millions of people It was truly a Golden Age for films radio programs and comics Radio became widespread Listening was free and grew into a national pastime that linked people through popular programs that stimulated hours of conversation about what was heard Little Orphan Annie Buck Rogers and Dick Tracy were the popular comic strip characters who found a second home on the air waves The Lone Ranger and Jack Armstrong were created specifically for radio and later found their way into comic forms Eddie Cantor Ed Wynn Charlie McCarthy and Edgar Bergen evolved from stage personalities to great radio personalities Radio became widespread Listening was free and grew into a national pastime that linked people through popular programs that stimulated hours of conversation about what was heard Little Orphan Annie Buck Rogers and Dick Tracy were the popular comic strip characters who found a second home on the air waves The Lone Ranger and Jack Armstrong were created specifically for radio and later found their way into comic forms Eddie Cantor Ed Wynn Charlie McCarthy and Edgar Bergen evolved from stage personalities to great radio personalities Radio broadcasting its wide range of live music comedy variety shows and dramatic programming served as a welcome escape from those troubled times Even though many people couldn t afford payments on their washing machines vacuum cleaners or Model A Fords they desperately struggled to keep up payments on their radios of that era weren t just small devices in plastic cases they were built into large wooden cases that amounted to elaborate pieces of furniture **Comic Strips & Comic Books of Radio's Golden Age, 1920s-1950s** Ronald W. they were usually sponsored by soap detergent companies that at home moms and night working dads could tune in to hear and sometimes their sick at home with a cold kids also listened to the soaps There were the five day a week children s adventure serials that were heard in the late afternoon when youngsters came home from school There were prime time mystery programs and comedy and variety shows game and panel programs and even adaptations of great works of the theater and literature as well as radio versions of well known films for the mind s eye to envision **Early Radio Programs** P.
