

Rafael And The Raiders

Claire Delacroix

Rafael And The Raiders:

Rafael and the Raiders Hilary Beckett, 1972 Both the loss and attempted recovery of his cherished ring bring Rafael into the middle of a gang of international thieves A TEXAS RANGER: True Story of the Leander H. McNelly's Texas Ranger Company in the Wild Horse Desert Napoleon Augustus Jennings, 2018-11-02 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices In the following story of those years of my life which were passed on the broad tablelands of western Texas I have endeavored to set down plainly and truthfully events as they actually occurred Napoleon Augustus Jennings 1856 1919 was a Texas Ranger and writer best remembered for his autobiographical account of the career of Leander H McNelly s Texas Ranger company in the Nueces Strip A Texas Ranger published in 1899 In 1874 Jennings moved to Texas where after some adventures as a cowboy he joined McNelly s Special Force where he served not as a regular member of the company but only as a field clerk *Pidge, Texas Ranger* Chuck Parsons, 2013-03-29 Thomas C Pidge Robinson came to Texas from Virginia at the age of 27 fleeing a feud with a neighbor who opposed Robinson s amorous intentions toward the neighbor s sister He joined the Texas Rangers in 1874 serving with legendary Capt Leander H McNelly s Washington County Volunteer Militia Company A He earned the rank of first lieutenant in this Texas Ranger company Two years later he returned to Virginia to avenge his honor and claim the woman he loved A learned and witty writer who sent back letters poems and reports for publication in Austin newspapers Pidge also wrote most of Captain McNelly s reports From the newspaper submissions backed by extensive research to document details and explain allusions western writer Chuck Parsons has fashioned an annotated compendium of primary materials that give insight into not only the life and actions of the famous Texas Rangers but also the popular culture of post Civil War Texas Robinson rode with McNelly as the Rangers subdued the clashes between the Suttons and the Taylors in DeWitt County He served on the Rio Grande frontier in actions against Juan Cortina including the famous battle on Palo Alto Prairie He was with a party of Rangers who invaded Mexico to recover cattle stolen from Texas ranchers Pidge s lively literate and often humorous letters give first person accounts of these and other actions that provide a unique picture of Ranger service in the field This Texas A M University Press edition incorporating newly discovered materials also features rare period photographs illustrations and other helpful maps and images **Son of Vengeance** Bradley Folsom, 2022-10-06 Since the early 1800s the violent exploits of El Indio Rafael through the settlements of northern New Spain have become the stuff of myth and legend For some the fabled Apache was a hero an indigenous Robin Hood who fought oppressive Spaniards to help the dispossessed and downtrodden For others he was little more than a merciless killer In *Son of Vengeance* Bradley Folsom sets out to find the real Rafael to extract the true story from the scant historical record and superabundance of speculation What he uncovers is that many of the legends about Rafael were true he was both daring and one of the most prolific serial killers in North American history Rafael was born into an Apache family but from a young age he was raised by Spanish chaplain Rafael

Nevares who took his indigenous prodigy out on patrol with local soldiers and taught him to speak Spanish and practice Catholicism Rafael's forced assimilation heightened the tension between his ancestry and the Hispanic environment and spurred him to violence Sifting Spanish military and government documents church records contemporary newspapers and eyewitness accounts Folsom reveals a three dimensional historical figure whose brutality was matched and abetted by great ingenuity and by a deep long standing hostility between the Spanish and the Apaches of New Spain The early years of tutelage under Nevares also perversely contributed to Rafael's brutal success Rather than leading to a life of Christian piety and Spanish loyalty the knowledge Rafael gained from his mentor served instead to help him evade his pursuers and the law at least for a time In Son of Vengeance we see the real El Indio Rafael for the first time the man behind the cultural myth and the historical forces and circumstances that framed and propelled his feats of violence

A Texas Ranger N. A. Jennings, 2017-06-23 In 1874 Napoleon Augustus Jennings moved to Texas to join the Rangers under the command of L H McNelly A year later Jennings was thrown into the conflict between the native Spanish speaking Americans and the English speaking whites who came to settle the area In an era of cattle thieving and terror we follow Jennings through the southern border of Texas and find a vivid portrait of life in the late 19th century in one of the most lawless and hardest places to live in the United States

American Egyptologist Jeffrey Abt, 2011 James Henry Breasted 1865 1935 had a career that epitomizes our popular image of the archaeologist In this work Abt weaves together the disparate strands of Breasted s life from his small town origins following the Civil War to his evolution into the father of American Egyptology
