Engel's England Matthew Engel,2014-10-23 England says

Matthew Engel is the most complicated place in the world And as he travels through each of the historic English counties he discovers that s just the start of it Every county is fascinating the product of a millennium or more of history still a unique slice of a nation that has not quite lost its ancient diversity He finds the well dressers of Derbyshire and the pyromaniacs of Sussex the Hindus and huntsmen of Leicestershire the goddess worshippers of Somerset He tracks down the real Lancashire hedonistic Essex and the most mysterious house in Middlesex In Durham he goes straight from choral evensong to the dog track As he seeks out the essence of each county from Yorkshire s broad acres to the microdot of Rutland Engel always finds the unexpected Engel s England is a totally original look at a confused country a guidebook for people who don t think they need a guidebook It is always quirky sometimes poignant and often extremely funny **Metamorphoses** Ovid,2023-11-14 Winner of the 2023 Academy of American Poets Harold Morton Landon Translation Award The first female translator of the epic into English in over sixty years Stephanie McCarter addresses accuracy in translation and its representation of women gendered dynamics of power and sexual violence in Ovid s classic A Penguin Classic Ovid s Metamorphoses is an epic poem but one that upturns almost every convention There is no main hero no central conflict and no sustained objective What it is about power defiance art love abuse grief rape war beauty and so on is as changeable as the beings that inhabit its pages The sustained thread is power and how it transforms us both those of us who have it and those of us who do not For those who are brutalized and traumatized transformation is often the outward manifestation of their trauma A beautiful virgin is caught in the gaze of someone more powerful who rapes or tries to rape them and they ultimately are turned into a tree or a lake or a stone or a bird The victim s objectification is clear They are first a visual object then a sexual object and finally simply an object Around 50 of the epic s tales involve rape or attempted rape of women Past translations have obscured or mitigated Ovid s language so that rape appears to be consensual sex Through her translation McCarter considers the responsibility of handling sexual and social dynamics Then why continue to read Ovid McCarter proposes Ovid should be read because he gives us stories through which we can better explore ourselves and our world and he illuminates problems that humans have been grappling with for millennia Careful translation of rape and the body allows readers to see Ovid s nuances clearly and to better appreciate how ideas about sexuality beauty and gender are constructed over time This is especially important since so many of our own ideas about these phenomena are themselves undergoing rapid metamorphosis and Ovid can help us see and understand this progression The Metamorphoses holds up a kaleidoscopic lens to the modern world one that offers us the opportunity to reflect on contemporary discussions about gender sexuality race violence art and identity
