Mixed Race Britain in The Twentieth Century Chamion Caballero, Peter J. Aspinall, 2018-05-07 This book explores the overlooked history of racial mixing in Britain during the course of the twentieth century a period in which there was considerable and influential public debate on the meanings and implications of intimately crossing racial boundaries Based on research that formed the foundations of the British television series *Mixed Britannia* the authors draw on a range of firsthand accounts and archival material to compare official accounts of racial mixing and mixedness with those told by mixed race people couples and families themselves *Mixed Race Britain in The Twentieth Century* shows that alongside the more familiarly recognised experiences of social bigotry and racial prejudice there can also be glimpsed constant threads of tolerance acceptance inclusion and ordinariness It presents a more complex and multifaceted history of mixed race Britain than is typically assumed one that adds to the growing picture of the longstanding diversity and difference that is and always has been an

ordinary and everyday feature of British life

The Family in Question R. D. Grillo, 2008 The family lives of immigrants and ethnic minority populations have become central to arguments about the right and wrong ways of living in multicultural societies While the characteristic cultural practices of such families have long been scrutinized by the media and policy makers these groups themselves are beginning to reflect on how to manage their family relationships Exploring case studies from Austria the Netherlands Norway Portugal Spain Switzerland the United Kingdom and Australia The Family in Question explores how those in public policy often dangerously reflect the popular imagination rather than recognizing the complex changes taking place within the global immigrant community In hoeverre allochtonen vrij zijn hun cultuur te uiten in de multiculturele samenleving staat bijna dagelijks ter discussie in de media en politiek Vaak wordt vergeten dat ook migrantenfamilies zelf worstelen om hun tradities en gebruiken vorm te geven in een pluriforme samenleving waarin relaties met familie zeer complex kunnen zijn In The Family Question worden migrantenfamilies in onder andere Nederland Oostenrijk en Noorwegen onderzocht Hieruit blijkt dat spelers op het vlak van beleidsvorming vaak toegeven aan populaire misverstanden over allochtonen en zo bijdragen aan de heersende xenofobie en stereotypering van immigranten

Multicultural America Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U.S. Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U.S. growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H. Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We're pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader's guide a chronology of multicultural milestones a glossary a resource guide to key books

Joseph,2013 The author critiques the depictions of multiracial Americans in contemporary culture
