Dodge,1975 *Explorations and Entanglements* Hartmut Berghoff, Frank Biess, Ulrike Strasser, 2018-11-16 Traditionally Germany has been considered a minor player in Pacific history its presence there was more limited than that of other European nations and whereas its European rivals established themselves as imperial forces beginning in the early modern era Germany did not seriously pursue colonialism until the nineteenth century Yet thanks to recent advances in the field emphasizing transoceanic networks and cultural encounters it is now possible to develop a more nuanced understanding of the history of Germans in the Pacific The studies gathered here offer fascinating research into German missionary commercial scientific and imperial activity against the backdrop of the Pacific s overlapping cultural circuits and complex oceanic transits **Empire Builder** Sandra E. Mengers, 2017 Starting with the first horse drawn trolleys introduced by the San Diego Streetcar Company in 1886 San Diego s history included the growth and decline of several trolley systems After electricity arrived San Diego was the site of early experimentation for electric trolleys on the West Coast and home to a short lived cable car system In the 1890s sugar baron John D Spreckels purchased these failed lines and consolidated them into the San Diego Electric Railway This railway expanded rapidly leading to the development of new trolley suburbs at the turn of the century including North Park Normal Heights and Mission Beach Ridership waned with the Depression and the introduction of autobuses and though it temporarily rose during the war years this decline led to the dismantling of the trolley system in April 1949 **San Diego Yesterday** Richard W. Crawford, 2013-05-28 San Diego today is a vibrant and bustling coastal city but it wasn t always so The city s transformation from a rough hewn border town and frontier port to a vital military center was marked by growing pains and political clashes Civic highs and criminal lows have defined San Diego s rise through the nineteenth and twentieth centuries into a preeminent Sun Belt city Historian Richard W Crawford recalls the significant events and one of a kind characters like benefactor Frank Booze Beyer baseball hero Albert Spalding and novelist Scott O Dell Join Crawford for a collection that recounts how San Diego yesterday laid the foundation for the city s bright future California Vieja Phoebe S.
