Readings in the Philosophy of Social Science Michael Martin, Lee C. McIntyre, 1994 the first comprehensive anthology in the philosophy of social science to appear since the late 1960s **Karl Marx's Theory of History** Gerald Allan Cohen, 2000 First published in 1978 this book rapidly established itself as a classic of modern Marxism Cohen s masterful application of advanced philosophical techniques in an uncompromising defence of historical materialism commanded widespread admiration In the ensuing twenty years the book has served as a flagship of a powerful intellectual movement analytical Marxism In this expanded edition Cohen offers his own account of the history and the further promise of analytical Marxism He also expresses reservations about traditional historical materialism in the light of which he reconstructs the theory and he studies the implications for historical materialism of the demise of the Soviet Union

Italian Studies in the Philosophy of Science Maria Luisa Dalla Chiara, 2012-12-06 The impressive record of Italian philosophical research since the end of Fascism thirty two years ago is shown in many fields esthetics social and personal ethics history and sociology of philosophy and magnificently perhaps above all in logic foundations of mathematics and the philosophy methodology and intellectual history of the empirical sciences To our pleasure Maria Luisa Dalla Chiara of the University of Florence gladly agreed to assemble a sampler of recent Italian logical and analytical work on the philosophical foundations of mathematics and physics along with a number of historical studies of epistemological and mathematical concepts The twenty five essays that form this volume will we expect encourage English reading philosophers and scientists to seek further works by these authors and by their teachers colleagues and students and we hope to look for those other Italian currents of thought in the philosophy of

science for which points of departure are not wholly analytic and which also deserve study and recognition in the world wide philosophical community Of course Italy has long been related to that world community in scien titlc matters
