symphony of infinity Here we learn that God is One that His light shines through ten vessels that the human soul is bound to the roots of creation and that every commandment every prayer is a thread mending the fabric of the world But this garden is not only a solace it is also a challenge For the deeper we wander its paths the more we realize behind the first mystery lies a second behind the second a third and so on endlessly until we dissolve into Ein Sof Whoever enters this garden with an open heart will hear the leaves whisper eternal names and perhaps find there their own fruit sweet and radiant like a spark of the soul
