Warrior is the fourth and last book in the Ashley Morgan Jamison series. Ashley is the only woman to ever wear the United States Navy SEAL Trident and she is one of if not the most decorated to ever put on a United States Marine Officer uniform. Ashley is about to complete her assignment as the Assistant Officer in Charge of SEAL Team 1 based in Pearl Harbor, Hawaii. She is engaged to Ryan Joshua, whom she met and went to the United States Naval Academy with. Ryan is a member of the United States Navy Blue Angel Demonstration Team. They both have concerns about their respective military careers and how their relationship can continue with so much unknown about the future. Their next assignments will have a significant impact on the ultimate outcome. In the meantime, military orders are never for certain and things can change in an instant. Just when her life appears to be on the right course, the SEALs are called out to another confidential operation which is not only dangerous but has a significantly impact on her military career. This is not a story about fiction. Pirates of the Caribbean. This is a story about real modern day pirates that are vicious and dangerous and are responsible for millions of dollars of loss annually throughout the world. Her SEAL mission sets the course for her future and paves the way for the most important decision of her life. As a four-time NCAA swimming champion and an Olympic medal winner, Ashley has spent most of her life in the water. As she sets her course for the future, the question is what will be next and will water play a role in it. The Rainbow Warrior has both a prolog and an epilogue. So the readers that have followed the series from the beginning will know what happens to all the main characters as they lived out their respective lives.

Bride James Freeman Colman, 1846 New Zealand National Security Carl Bradley, William Hoverd, Nick Nelson, 2020-04-19 In an interrelated and increasingly complex dynamic and globalised security environment, New Zealand faces a range of complex and multifaceted non-traditional threats. They range from trade insecurity to terrorism and transnational crime, disputes over the control and exploitation of resources and tensions linked to ideological, cultural and religious differences. The volume's contributors include local and international academics alongside experts who have extensive New Zealand security sector expertise in defence, diplomacy, national security coordination, intelligence, policing, trade security and border management. **New Zealand National Security Challenges: Trends and Issues** situates New Zealand within its broader political and regional security context and the various great and minor power tensions occurring within the Asia Pacific and South Pacific regions. It looks at how to protect New Zealand's border and the zones where its interests meet the world; it examines alternative ways of thinking and doing New Zealand's national security and it looks at looming national security questions. It aims to provide New Zealanders with a critical awareness of the various salient security trends, challenges and opportunities to initiate a whole-of-society discussion of security.
