Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon

Nadine Reis, Michael Lukas

Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon:

Rainforest Cities John O. Browder, Brian J. Godfrey, 1997 *Rainforest Cities* represents a valuable contribution to our current knowledge of regional development and environmental studies and will be of interest to urban planners geographers Amazon regional specialists and interdisciplinary students of international development

Rainforest Cities John O. Browder, Brian J. Godfrey, 1997 *Rainforest Cities* represents a valuable contribution to our current knowledge of regional development and environmental studies and will be of interest to urban planners geographers Amazon regional specialists and interdisciplinary students of international development

Globalization and New Geographies of Conservation Karl S. Zimmerer, 2006-09-15 Examining the geographical dimensions of environmental management and conservation activities implemented on landscapes worldwide *Globalization and New Geographies of Conservation* creates a new framework and collects original case studies to explore recent developments in the interaction of humans and their environment

Globalization and New Geographies of Conservation makes four important arguments about the recent coupling of conservation and globalization that is reshaping the place of nature in human environmental change First it has led to an unprecedented number of spatial arrangements whose environmental management goals and prescribed activities vary along a spectrum from strict biodiversity protection to sustainable utilization involving agriculture food production and extractive activities Conservation and globalization are also leading by necessity to new scales of management in these activities that rely on environmental science thus shifting the spatial patterning of humans and the environment This interaction results as well in the unprecedented importance of boundaries and borders transnational border issues pose both opportunities and threats to global conservation proposed by organizations and institutions that are themselves international Lastly *Globalization and New Geographies of Conservation* argues that the local level has been integral to globalization while the regional level is often eclipsed at the peril of the successful implementation of conservation and management programs

Bridging the gap between geography and life science *Globalization and New Geographies of Conservation* will appeal to a broad range of students of the environment conservation planning biodiversity management and development and globalization studies

Radical Territories in the Brazilian Amazon Laura Zanotti, 2016-11-15 *Radical Territories in the Brazilian Amazon* sheds light on the creative and groundbreaking efforts Kayap peoples deploy to protect their lands and livelihoods in Brazil Laura Zanotti shows how Kayap communities are using diverse pathways to make a sustainable future for their peoples and lands The author advances anthropological approaches to understanding how indigenous groups cultivate self determination strategies in conflict ridden landscapes

Governing the Rainforest Eve Z. Bratman, 2019-09-24 Sustainable development is often thought of as a product that can be obtained by following a prescribed course of interventions Rather than conceptualizing it as a sweet spot of economic ecological and social balance sustainable development is an ongoing process of embroilments requiring constant negotiation of often competing aims Sustainable

development politics yield highly uneven results among different members of society and different geographic areas. As this book argues, such imbalances mean that sustainable development processes often prioritize economic over environmental goals, perpetuating and reinforcing economic and political inequalities. *Governing the Rainforest* looks at development and conservation efforts in the Brazilian Amazon where the government and corporate interests bump up against those of environmentalists and local populations. This book asks why sustainable development continues to be such a powerful and influential idea in the region and what impact it has had on various political and economic interests and geographic areas. In other words, as Eve Z. Bratman argues, sustainable development is a political practice in itself. This book offers detailed case study analysis, including of the creation of vast conservation corridors, the construction of one of the largest hydroelectric plants in the world, and new forms of land settlement projects. Based on a decade of Bratman's ethnographic fieldwork throughout Brazil and particularly along the Trans-Amazonian Highway, *Governing the Rainforest* offers a fresh take on sustainable development within a multi-level analysis of actors, discourses, and practices.

Amazonia and Global Change
Michael Keller, Mercedes Bustamante, John Gash, Pedro Silva Dias, 2013-05-02. Published by the American Geophysical Union as part of the Geophysical Monograph Series, Volume 186. *Amazonia and Global Change* synthesizes results of the Large Scale Biosphere Atmosphere Experiment in Amazonia (LBA) for scientists and students of Earth system science and global environmental change. LBA, led by Brazil, asks how Amazonia currently functions in the global climate and biogeochemical systems and how the functioning of Amazonia will respond to the combined pressures of climate and land use change, such as wet season and dry season aerosol concentrations and their effects on diffuse radiation and photosynthesis; increasing greenhouse gas concentration; deforestation; widespread biomass burning; and changes in the Amazonian water cycle. Drought effects and simulated drought through rainfall exclusion experiments. The net flux of carbon between Amazonia and the atmosphere. Floodplains as an important regulator of the basin carbon balance, including serving as a major source of methane to the troposphere. The impact of the likely increased profitability of cattle ranching. The book will serve a broad community of scientists and policy makers interested in global change and environmental issues with high quality scientific syntheses accessible to nonspecialists in a wide community of social scientists, ecologists, atmospheric chemists, climatologists, and hydrologists.

Amazonian Geographies
Jacqueline Vadjunec, Marianne Schmink, 2014-07-16. Amazonia exists in our imagination as well as on the ground. It is a mysterious and powerful construct in our psyche, yet shares multiple transnational borders and diverse ecological and cultural landscapes. It is often presented as a seemingly homogeneous place: a lush tropical jungle teeming with exotic wildlife and plant diversity, as well as the various indigenous populations that inhabit the region. Yet since Conquest, Amazonia has been linked to the global market and, after a long and varied history of colonization and development projects, Amazonia is peopled by many distinct cultural groups who remain largely invisible to the outside world despite their increasing integration into global markets and global politics. Millions of rubber tappers, neo-

native groups peasants river dwellers and urban residents continue to shape and re shape the cultural landscape as they adapt their livelihood practices and political strategies in response to changing markets and shifting linkages with political and economic actors at local regional national and international levels This book explores the diversity of changing identities and cultural landscapes emerging in different corners of this rapidly changing region This book was published as a special issue of the Journal of Cultural Geography Urbanization and Its Impact in Contemporary China Peilin Li,2019-04-02 This book addresses a wide range of social issues in connection with urbanization which is providing new momentum for China s economic restructuring and social progress including the educational gap the middle class in urbanization consumption division of labor and social integration All chapters are based on updated nation wide sampling survey data Taken together they provide a lens for understanding various aspects of urbanization and its impacts on China s economy and society

Chronicling Amazon Town Richard Pace,Helena P. Lima,2024-07-03 This book brings together the work of researchers from a variety of fields to provide a comprehensive synthesis of local and regional studies in the town of Gurup in Brazil ranging from archaeological findings to ethnohistory and sociocultural anthropology **Flooded** Peter Taylor Klein,2022-07-15 Winner of the 2023 Marysa Navarro Best Book Prize from the New England Council for Latin American studies In the middle of the twentieth century governments ignored the negative effects of large scale infrastructure projects In recent decades many democratic countries have continued to use dams to promote growth but have also introduced accompanying programs to alleviate these harmful consequences of dams for local people to reduce poverty and to promote participatory governance This type of dam building undoubtedly represents a step forward in responsible governing But have these policies really worked Flooded provides insights into the little known effects of these approaches through a close examination of Brazil s Belo Monte hydroelectric facility After three decades of controversy over damming the Xingu River a tributary of the Amazon the dam was completed in 2019 under the left of center Workers Party becoming the world s fourth largest Billions of dollars for social welfare programs accompanied construction Nonetheless the dam brought extensive social political and environmental upheaval to the region The population soared cost of living skyrocketed violence spiked pollution increased and already overextended education and healthcare systems were strained Nearly 40 000 people were displaced and ecosystems were significantly disrupted Klein tells the stories of dam affected communities including activists social movements non governmental organizations and public defenders and public prosecutors He details how these groups as well as government officials and representatives from private companies negotiated the upheaval through protests participating in public forums for deliberation using legal mechanisms to push for protections for the most vulnerable and engaging in myriad other civic spaces Flooded provides a rich ethnographic account of democracy and development in the making In the midst of today s climate crisis this book showcases the challenges and opportunities of meeting increasing demands for energy in equitable ways *Latin America & the Caribbean* Kevin Hillstrom,Laurie Collier

Hillstrom,2003-12-02 A concise yet thorough overview of the environmental issues problems and controversies facing Latin America and the Caribbean from the tip of South America to the Windward Islands Home to Earth's longest mountain range largest river and greatest rainforest no region boasts greater geographic extremes faces greater environmental dangers and enjoys more economic potential from its biodiversity than Latin America and the Caribbean What are the political and economic factors affecting the Amazon's rapidly disappearing rainforest What is being done to harvest life saving drugs from the plants of the Orinoco And what lies behind the mysterious disappearance of Central America's frogs The work includes essays tables and figures and an appendix titled International Environmental and Developmental Agencies Organizations and Programs on the World Wide Web Latin America the Caribbean examines a region waking up to its environmental problems and possibilities

Contemporary Ethnic Geographies in America Christopher A. Airriess,2015-09-28 Ethnic diversity has marked the United States from its inception and it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people Since the 1965 Immigration and Nationality Act the United States has experienced watershed transformations in its social cultural and ethnic geographies Considering the impact of these wide ranging changes this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of the key Latin American Asian American and Middle Eastern communities comprising the vast majority of newer immigrants Each case offers a brief historical overview of the group's immigration experience and settlement patterns and discusses its contemporary socioeconomic dynamics All these communities have transformed and been transformed by the places in which they have settled Exploring these changing communities places and landscapes this book offers a nuanced understanding of the evolution of America's contemporary ethnic geographies

Dialogues in Urban and Regional Planning Michael Hibbard,Robert Freestone,Tore Øivin Sager,2013-05-29 Dialogues in Urban and Regional Planning 5 is a selection of some of the best scholarship in urban and regional planning from around the world The internationally recognized authors of these award winning papers take up a range of salient issues from the theory and practice of planning The topics they address include the effects of globalization on world cities metropolitan planning in France and Australia and new research in pedestrian and traffic design The breadth of the topics covered in this book will appeal to all those with an interest in urban and regional planning providing a springboard for further debate and research The papers focus particularly on themes of inclusion urban transformation metropolitan planning and urban design The Dialogues in Urban and Regional Planning DURP book series is published in association with the Global Planning Education Association Network GPEAN and its member national and transnational planning schools associations

City Life from Jakarta to Dakar AbdouMalik Simone,2010-01-27 City Life from Jakarta to Dakar focuses on the politics incumbent to this

process an anticipatory politics that encompasses a wide range of practices calculations and economies As such the book is not a collection of case studies on a specific theme not a review of developmental problems nor does it marshal the focal cities as evidence of particular urban trends Rather it examines how possibilities perhaps inherent in these cities all along are materialized through the everyday projects of residents situated in the city and the larger world in very different ways

Towns, Ecology, and the Land Richard T. T. Forman, 2019-02-07 Towns and villages are sometimes viewed as minor even quaint spots whereas this book boldly reconceptualizes these places as important dynamic environmental hotspots Multitudes of towns and villages with nearly half the world's population characterize perhaps half the global land surface The book's pages feature ecological patterns processes and change as well as human dimensions both within towns and in strong connections and effects on surrounding agricultural land forest land and arid land Towns small to large and villages are examined with spatial and cultural lenses Ecological dimensions water soil and air systems together with habitats plants wildlife and biodiversity are highlighted A concluding section presents concepts for making better towns and better land From a pioneer in both landscape ecology and urban ecology this highly international town ecology book opens an important frontier for researchers students professors and professionals including environmental town and conservation planners

Forest Lost Maron E. Greenleaf, 2024-10-07 Forest Lost is an ethnography of forest carbon offsets and the wider effort to make the living rainforest valuable in the Brazilian Amazon

Beyond the Megacity Nadine Reis, Michael Lukas, 2022-03-01 Beyond the Megacity connects and reconnects the global debate on the contemporary urban condition to the Latin American tradition of seeing considering and theorizing urbanization from the margins It develops the approach of peripheral urbanization as a way to integrate the theoretical agendas belonging to global suburbanisms neo Marxist accounts of planetary urbanization and postcolonial urban studies and to move urban theory closer to the complexity and diversity of urbanization in the Global South From an interdisciplinary perspective Beyond the Megacity investigates the nature's causes implications and politics of current urbanization processes in Latin America The book draws on case studies from various countries across the region covering theoretical and disciplinary approaches from the fields of geography anthropology sociology urban studies agrarian studies and urban and regional planning and is written by academics journalists practitioners and scholar activists Beyond the Megacity unites these unique perspectives by shifting attention to the places processes practices and bodies of knowledge that have often been neglected in the past

In Search of the Amazon Seth Garfield, 2013-12-06 This history of the international national and local conflicts surrounding the extraction of resources from the Amazon during the Second World War shows how those conflicts shaped contemporary ideas about the rainforest

Environmental Justice and Sustainable Development Götz Ferdinand Kaufmann, 2012 *The Amazon Várzea* Miguel Pinedo-Vasquez, Mauro L. Ruffino, Christine Padoch, Eduardo S. Brondízio, 2010-11-30 This book takes a multi disciplinary and critical look at what has changed over the last ten years in one of the world's most important and dynamic

ecosystems the Amazon floodplain or v rzea It also looks forward assessing the trends that will determine the fate of environments and people of the v rzea over the next ten years and providing crucial information that is needed to formulate strategies for confronting these looming realities

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon**

In a world inundated with monitors and the cacophony of fast transmission, the profound energy and emotional resonance of verbal artistry frequently disappear into obscurity, eclipsed by the regular assault of noise and distractions. However, nestled within the lyrical pages of **Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon**, a charming perform of literary brilliance that impulses with natural thoughts, lies an unique journey waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that enchanting opus guides viewers on an emotional odyssey, delicately revealing the latent potential and profound impact embedded within the delicate internet of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is central styles, dissect its interesting writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore

some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon is one of the best book in our library for free trial. We provide copy of Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon. Where to download Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon online for free? Are you looking for Rainforest Cities Urbanization Development And Globalization Of The Brazilian Amazon PDF? This is definitely going to save you time and cash in something you should think about.
