

A scenic view of a mountain peak, likely El Capitan, with a large text overlay. The mountain is dark and jagged, rising from a valley. The sky is a soft, hazy orange and yellow, suggesting a sunrise or sunset. The text is white and set against a dark, semi-transparent background.

When you are raised in a place like Cadiz, in a time like ours, you learned the signs. The absolute silence, followed by the soft, near imperceptible click of metal against stone. The soft whir of gears just loud enough to announce itself. The Vath rarely sent men to our homes. When they did – well. The cruelty of men knew few bounds. So there was some relief when the first body through the door was an Imperial droid, chrome and silver, its body etched in cruel, sharp designs.

Raised In Silence:

Sounds of Black Switzerland Jessie Cox, 2025-01-03 Writing as a scholar composer and musician Jessie Cox foregrounds the experience of Black Swiss through sound and music in his first book *Sounds of Black Switzerland* Cox himself Black Swiss affirms the value of Black life through sound while critiquing anti Blackness as a cause of erasure silence and limitation He examines Swiss Nigerian composer Charles Uzor s pieces for George Floyd work by Black Swiss musicians such as DJ Ma t Ch ni re clarinetist J r mie Jolo and rapper Nativ as well as his own musical collaborations with the Lucerne Festival In these analyses Cox tackles the particularities of anti Blackness in Switzerland creating a practice of listening beyond what can be directly heard to explore the radical potential of Black thought and experience in a nation often claimed to be race free In so doing he ultimately shifts thinking about Blackness in relation to citizenship immigration laws gender kinship and belonging By listening to Black Swiss and other voices inaudible to the current world Cox theorizes new ways of practicing scholarly study and general ways of relating to others and the world

Raising Our Hands Jenna Arnold, 2020-06-16 White women are one of the most influential demographics in America we are the largest voting bloc with purchasing power that exceeds anybody else s and when we unify to demand change we are a force to be reckoned with Yet so many of us sit idly on the sidelines opting out of raising our hands to do learn and engage in ways that could make a difference Why White American women are no monolith Yet as Women s March national organizer Jenna Arnold has learned over the past few years criss crossing the US in conversations with white women about their identity and role in the country we do possess common characteristics ones that get in the way of us becoming more engaged as citizens We re so focused on checking off our to do lists or so afraid of getting it wrong or so busy trying to avoid conflict that we are actively avoiding the urgent conversations we need to have We are confused about how we got here and unsure how to do better *Raising Our Hands* is the reckoning cry for white women It asks us to step up and join the new frontlines of the fight against complacency in our homes in our behaviors and in our own minds Consider *Raising Our Hands* your starting place your Intro to Being a White Woman in Today s World freshman year class In these pages Jenna peels back the history that s been kept out of textbooks and the cultural norms that are holding us back so we can finally start really listening to marginalized voices and doing our part to promote progress The American white woman is a powerful force an essential participant to mobilize alongside the rest of humanity on behalf of the world and we can no longer make excuses for why we don t have time or don t know enough

Dance of the Crippled Angel Diane M. Reaves, 2007-11-05 Diane Reaves attempts to share the painful events of her personal tragedies endured as a survivor of severe child abuse at the hands of her own mother As well as enduring the violent suicide of her father Wishing to convey to many other survivors their own ability to forgive the unforgivable Believing that all survivors have the chance to break the cycle instead of repeating it With each story shared this survivor hopes to teach others that something good can come out of something bad

Dylan Thomas Rushworth M. Kidder, 2015-03-08 Since the Bible

appears so frequently in Dylan Thomas work some critics have decided that he must be a religious poet Others noting blasphemous statements and certain irreligious aspects of Thomas personal life contend that he was no such thing Rushworth M Kidder investigating this problem looks below the surface of the obviously religious imagery and discovers a more profound poetry The first part of this book discusses the nature of religious poetry and the application of that term to Thomas work it then develops the necessary background based on his letters and prose comments to provide a foundation for the study and finally it examines the relationship between the religious aspects of his poetry and his well known ambiguity The author re defines the vocabulary for dealing with religious imagery by establishing three distinct categories of imagery referential allusive and thematic This original technique is used to examine critically Thomas poems to show the development of his religious and poetic thought There are numerous close sensitive readings of individual poems to show how his poetry like the Bible teaches by parable speaking deliberate ambiguity rather than simple dogma This strategy inspired poetry that is technically complex but thematically simple a mode of verse that became more explicitly religious in the poet s final years Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Unlocking the Puzzle David Oliver Smith, 2016-11-22 A shorter simpler first draft of the Gospel of Mark has been

theorized by New Testament scholars for almost two hundred years Using literary tools David Oliver Smith strips away interpolation and redaction from the canonical Gospel to reveal that long sought first draft the Original Gospel of Mark Original Mark shorter than the canonical version and with several large blocks of text replaced in their original locations reveals a coherent structure and a different picture of who Jesus is But it is anything other than simple The Original Gospel also presents puzzles for the curious reader of Mark to solve and Smith has found the keys to their solution Analysis of the text that was interpolated into Mark reveals who that redactor might have been Evidence is presented that it was the author of the Gospel of Luke who redacted the first written Gospel jumbled its structure and changed its Christology Follow the analysis of literary structures created by the genius who wrote Mark s Gospel and discover the astounding design of the Original Gospel of Mark

The Sacred Hunt Duology Michelle West,2016-08-02 For the first time in one volume the two novels that began the epic tale of the Essalieyanese empire Hunter s Oath When the covenant was made with the Hunter God all who dwelt in Breodanir swore to abide by it The Hunter Lords and the hunting dogs to which their minds were attuned would seek out game in the God s woods to provide food for their people and the Hunter God would ensure that the Hunters the land and the people prospered But in payment once a year the Sacred Hunt must be called the God s own Hunt in which the prey became one of the Lords or his huntbrother the companion chosen from the common folk to remind each Lord of his own ties to humanity It was the Oath pledged in blood by Gilliam of Elseth and the orphan boy Stephen and the fulfillment of that Oath would lead them to the kind of destiny from which legends were made Hunter s Death Averalaan that most ancient of cities had long been the home of magics both dark and bright For the site where this most civilized city of mortals new stood had once been a dread place indeed a citadel of evil ruled by the Lord of Hell Only through the greatest of sacrifices had he been cast back into his own dimension But now trouble was once again stirring in the hidden byways of Averalaan Blessed or cursed by their Hunter God and gifted with his most unique creation the Hunter Lord Gilliam and his huntbrother Stephen were about to do the unthinkable Guided by the seer Yvaine they would journey beyond the borders of their kingdom something no Hunter Lord had ever done For only in Averalaan could they find their true destiny even if it meant facing the Dark Lord himself
