Regionalism In The New Asiapacific Order Vol :

Regionalism in the New Asia-Pacific Order Joseph A. Camilleri, 2003-01-01 Regionalism in the Asia Pacific is a complex and rapidly evolving phenomenon This volume explores the relationship between globalization and regionalization between states markets and civil society and between US hegemony and Asian aspirations **Indian Ocean Regionalism**

Dennis Rumley, Timothy Doyle, 2016-04-14 Pan regional constructions in the Indian Ocean are of relatively recent origin are contested and remain relatively weak at present Sub regional constructions on the other hand have tended to be more focussed especially in terms of security and have generally been more successful The principal purpose of this volume is to critically evaluate the debates surrounding these issues and to elucidate some of the main strengths and weaknesses of regionalism at both scales The discussion begins at the pan regional scale with an evaluation of pan regional contestation followed up by a chapter on the main pan regional grouping Indian Ocean Region Association for Regional Cooperation IOR ARC which was renamed Indian Ocean Rim Association IORA in 2013 Thereafter key examples of sub regional groupings South Asia ASEAN SADC and GCC are critically discussed in turn The principal readership for this volume will be scholars of geography politics and international relations students of Indian Ocean studies regionalism experts bureaucrats and politicians both within and outside the Indian Ocean Region who wish to gain insights into Indian Ocean matters scholars who appreciate a view of regional relations from the inside This book was published as a special issue of the Journal of the Indian Ocean Region *Asia-Pacific Geopolitics* Joseph A. Camilleri, 2007-01-01 Despite significant cultural exchange mutual trust and understanding remains fragile between Asia Pacific countries The community faces complex and seemingly intractable problems violent civil conflicts geopolitical tensions and economic uncertainties proliferation of nuclear weapons and flashpoints that may lead to war The authors of this book argue that common reflection and dialogue is imperative Their achieved aim is to bring together distinguished scholars and experts on public policy social ethics defence human security and sustainability to consider the future of the Asia Pacific region and appropriate responses by both states and civil society

Contested Ideas of Regionalism in Asia Baogang He, 2016-09-13 Deepening regionalism in Asia demands new leadership Strong elites who are committed to a supranational identity are a minimum requirement of successful regionalism Regional leaders are increasingly seen as a new set of leaders in Europe Currently Asian regional leaders largely come from the diplomacy community or trade and economic sectors Yet further regionalization demands a new type of leadership from civil society and citizens In this context it is important to cultivate new regional leadership through the development of regional citizenship This book examines contested ideas of regionalism in Asia with a particular focus on two competing ideas of pan Asianism and Pacificism It also identifies a new trend and contestation the fundamental shift from a civilization understanding of regionalism to a technocratic and functional understanding of regionalism in the form of regulatory regionalism It also examines the other contested imaginations of regionalism in Asia including elitist versus participatory

approaches to regionalism and democracy centric versus nationalism centric approaches to regionalism **The Future of Global Relations** T. Paupp, 2009-06-22 The collapse of US global hegemony means that the future of global relations will be defined by an integrated and mutually co operative world order of regions in which there are multiple centres of power These centres will continue to mature under the ideology of regionalism and through the long historical process of regionalization

China's Multilateral Co-operation in Asia and the Pacific Chien-peng Chung, 2010-06-24 Explores the meaning scope and repercussion in the drive that a rising China has for institutionalizing multilateral cooperative processes in the Asia Pacific region the extent to which its actions are motivated by concerns of politics economics or security and the obstacles it faces for so doing **New Free Trade Agreements in the Asia-Pacific** C. Dent, 2006-07-11 This book studies

the main causes consequences and nature of the Asia Pacific s new free trade agreement FTA trend and its implications for the global economy It explores the FTA policies of the region s trade powers and offers conceptual and theoretical

perspectives on the relationship between economic bilateralism and regionalism **Strategy and Security in the Asia-Pacific** Robert Ayson, Desmond Ball, 2020-07-25 From the war on terror to the rise of China this book unlocks the major strategic themes and security challenges of the early twenty first century Strategy and Security in the Asia Pacific provides the analytical frameworks needed to make sense of this complex but exciting strategic universe Offering a unique mix of global strategic thinking and Asia Pacific security analysis this book is for readers from Sydney to Seoul who want to put their own local security challenges in a wider regional and global context It is also for North American and European readers requiring an understanding of the dynamic security developments in the Asia Pacific region around which so much of global strategy is increasingly based The really vital questions facing the international community are dealt with here Why do governments and groups still use armed force Has warfare really changed in the information age Why should we be concerned about non traditional security challenges such as water shortages and the spread of infectious disease Is a great clash imminent between the United States and China What are the prospects for peace on the Korean peninsula and between India and Pakistan Can Southeast Asia survive the challenges of transnational terrorism What does security mean for the Pacific island countries and for Australia and New Zealand With contributions from leading commentators and analysts Strategy and Security in the Asia Pacific offers a comprehensive and authoritative introduction to the field **India as an**

Asia Pacific Power David Brewster, 2012-03-12 This book provides a comprehensive assessment of India s international relations in the Asia Pacific region It charts the development of India s increasingly important role as a major world power discusses India s international relations strategy and examines India s relationship with each of the major countries of East and Southeast Asia **Regionalism in East Asia** Fu-kuo Liu, Philippe Regnier, 2013-10-18 Regional cooperation and

integration have emerged as key issues for East Asia following the financial crisis This book explores these issues and examines the degree to which a new paradigm is emerging It reviews the evolution of the concepts and practices of

regionalism in East Asia and considers the factors which are shaping new patterns of regional co operation and integration It includes discussions of historical developments economic co operation socio political factors and defence and security It considers the role of those states including China and Japan which have distinctive approaches to international relations and assesses the role of regional international bodies such as ASEAN

Rivalry And Cooperation In The Asia-Pacific: The Dynamics Of A Region In Transition (In 2 Volumes) Mark Beeson, 2019-09-23 Rivalry and Cooperation in the Asia Pacific provides a comprehensive and accessible introduction to the most important strategic and economic region in the world Asia Pacific is a region that is undergoing a major transformation largely as a consequence of the rise of China and its growing rivalry with the United States Whatever happens in the Asia Pacific will profoundly influence global events not just regional ones Looking ahead the region s future direction and even its name is contested and uncertain This two volume reference work by one of the world s leading analysts of regional affairs places these events in historical context and considers what they may mean for future political economic and strategic relations By focusing on the United States China and the region s most significant middle powers the book explains why and how the Asia Pacific has become the fulcrum of international events

Regionalism in International Law Ján Klučka, 2017-12-01 International Law Aspects of Regionalism evaluates regionalism in its various relationships and forms with respect to international law as well as the importance and duties of international law in respect to the establishment and functioning of various forms of regional groups A great deal of attention has been paid to regionalism from the global political economic security aspects but a complex evaluation of the impact it has had on international law and vice versa is still lacking The main purpose of this volume is to eliminate this gap and present the latest state of knowledge on the topic This text will be of interest both to students at an advanced level academics and reflective practitioners It addresses the topics with regard to international law and regionalism and will be of interest to academics dealing with legal aspects of current regionalism and for the specialized courses in the faculties of law as well as anyone studying diplomacy and international studies international relations regional integration law EU law international law and international relations

Resolving the Cyprus Conflict M. Michael, 2009-11-09 By placing the conflict in its historical ideological ethno political and geostrategic context the book extends beyond conventional realist approaches and lays bare those less visible dimensions that are often ignored by analysts and policy makers alike

Advancing East Asian Regionalism Melissa Curley, Nicholas Thomas, 2012-10-12 Developments in East Asia have progressed rapidly in terms of regionalism since the 1997 crisis The end of the Asian miracle called into question not only the capacity of regional states to meet the needs of their attendant peoples but also challenged the viability of regional organizations such as ASEAN to adapt and respond to the changing circumstances Advancing East Asian Regionalism looks at the ways in which ASEAN has expanded since the crisis and evaluates the potential of East Asia to come together in a regional formation one capable of representing the region as a whole akin to the European Community It draws upon the knowledge and perspectives of

academics and policy makers actively engaged in the contradictory issues of regionalism Coupling case study material on regionalism institutions and sectoral cooperation with theoretical debates on regionalization this book is an invaluable resource that pushes our understanding of East Asian regionalism forward *The Far East and Australasia 2003* Europa Publications,2002 A unique survey of each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume *Interregionalism and International Relations* Heiner Hänggi,Ralf Roloff,Jürgen Rüland,2006 Interregionalism the institutionalized relations between world regions is a new phenomenon in international relations It also a new layer of development in an increasingly differentiated global order This volume examines the structure of this phenomenon and the scholarly discourse it is generating It takes stock of empirical facts and theoretical explanations bringing together with clarity and concision the latest research on this key area This essential new book traces the emergence of interregionalism and reviews the latest literature provides a conceptual and theoretical framework for study includes case studies of inter regional relations between Asia and America Asia and Europe Europe and America and Europe and Africa delivers comparative analyses and special cases such as continental summits and interregional relationships beyond the Triad summarizes and evaluates the findings of each chapter providing a basis for further research This is a key reference book for students and researchers of regionalism global governance and international relations
