*Reiki: Universal Gift of God's Healing Love Level I and II Training Manual* Eileen Curteis, 2011

After seventeen years as a practitioner and teacher of Reiki, Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door. People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her. Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it. In her training manual, Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity, wonder and beauty of God's universal gift for our time. The healing stories are too numerous to count, but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki. In this way, Eileen's Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner. Written with inspiration and clarity, Eileen takes the reader on an amazing journey into the dynamic world of the inner self. Like a fresh current of air, she presents her material in an appealing and easily digestible manner. The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ-conscious healing dimension into it just as an alchemist would when producing gold. In this way, Eileen shows how the revered eastern practice of Reiki, discovered by Dr. Mikao Usui, a Japanese Buddhist in the early 20th century, can blend perfectly with a Christian heritage of healing where the one enhances the other. At the same time, she shows how this simple, profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone. Often, people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully. Others go away from the treatment or training feeling restored, refreshed and renewed. Reiki, the universal Life Force Energy of God, is not a new invention or modern-day fad. Its roots are planted deep in ancient history. In the Old Testament, Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time. Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes. Its worldwide impact can no longer go unnoticed.

*Process and Pastoral Care* Bruce G. Epperly, 2019-02-07

This concise book, the sixth short guide on process theology and its practical implications by Dr. Bruce Epperly, applies process thought to the calling and activities of pastoral ministry. Short and to the point as are all books in the Topical Line Drives series, this text will provide pastors and others involved in caregiving ministries a new and adventurous way of thinking about and meeting the challenges of their vocation. God is already present.

in the hospital room and even the funeral home You have the opportunity to experience the vision of what can happen when we discover that God is always opening up new possibilities empowering us to partner with God in healing the world and strengthening us for and comforting us in the difficult times of life Learn to connect more closely to the divine and the human to see more clearly and to participate more completely as God does A practical deeply theological and challenging guide to the adventure of pastoral care     The Energy of Love Bruce G Epperly,2017-08-14 Today we need to marshal all the healing resources at our disposal A growing body of evidence shows that spiritual healing practices have a positive impact both on healing and on the quality of life that people experience while under medical care Dr Bruce Epperly calls on Christians to embrace these varied resources He crosses both the boundaries between formal scientific medical practice and spiritual healing and the boundaries between healing practices that come from a variety of spiritual and religious traditions He then incorporates these into a distinctly Christian theology of healing practice Where healing takes place he sees God at work Healing characterized the ministry of Jesus and Epperly believes that it should characterize the life and ministry of Christians in all times and places This is a balanced call that doesn't pit one tradition against another and also does not place spiritual healing practices in opposition to medical science This is about embracing what heals Today we need to marshal all the healing resources at our disposal     **The Healing Gods** Candy Gunther Brown,2013-07-30 The question typically asked about complementary and alternative medicine CAM is whether it works However an issue of equal or greater significance is why it is supposed to work The Healing Gods Complementary and Alternative Medicine in Christian America explains how and why CAM entered the American biomedical mainstream and won cultural acceptance even among evangelical and other theologically conservative Christians despite its ties to non Christian religions and the lack of scientific evidence of its efficacy and safety Before the 1960s most of the practices Candy Gunther Brown considers yoga chiropractic acupuncture Reiki Therapeutic Touch meditation martial arts homeopathy anticancer diets were dismissed as medically and religiously questionable These once suspect health practices gained approval as they were re categorized as non religious though generically spiritual health care fitness or scientific techniques Although CAM claims are similar to religious claims CAM gained cultural legitimacy because people interpret it as science instead of religion Holistic health care raises ethical and legal questions of informed consent consumer protection and religious establishment at the center of biomedical ethics tort law and constitutional law The Healing Gods confronts these issues getting to the heart of values such as personal autonomy self determination religious equality and religious voluntarism     *Messy Incarnation* Bruce G. Epperly,2022-09-07 The incarnation is a central Christian doctrine Many books have been dedicated to attempting to understand its mystery and how it fits with the rest of Christian theology But what about the way this doctrine can and should impact the way we live Process theologian and pastor Bruce Epperly addresses this topic in this easy to read but challenging book Starting with a look forward in Advent and moving through the seasons of the Christian year and indeed of life he examines different elements of

both the story and the doctrine From expectation we move through the various messy ways in which God acts Christmas Epiphany Pentecost and the emerging kingdom of Christ This book is theology where it meets practice reflection put into practical action and ethics drawn from the deepest wells of the Christ story It will drive you deeper into scripture and spiritual growth from a variety of perspectives and sources reflecting the chasms crossed in the one very messy incarnation

*A Center in the Cyclone* Bruce Epperly, 2014-08-14 Pastors today are overwhelmed by the perfect storm of too many responsibilities too few resources and too rapid congregational cultural and technological changes Many of them confess that the cares of modern ministry have nearly choked the life out of their holy service Here is a resource for integrated personal and professional transformation and healing for pastors better equipping them to be effective spiritual leaders for the long haul of professional ministry We are in a time of great spiritual awakening among Christians people of other faiths and self described spiritual but not religious seekers Insightful spiritual leadership is needed now more than ever to navigate the waves of pluralism postmodernism and globalism Spiritual leaders need to sharpen their mission administration outreach and preaching skills but they also need to deepen their commitments to spiritual growth and self care practices to insure healthy and effective ministry over the long haul

**A Conspiracy Of Love** Wendy Read, Though this book is intended to speak primarily to adults who have suffered childhood sexual abuse anyone who seeks to find meaning in suffering or who grapples with the concepts of evil and holiness will appreciate the truth and wisdom contained in this book Issuing from a deep appreciation of and wrestling with scripture *A Conspiracy of Love* can also empower preachers educators and pastoral care providers to hear the Word anew from the perspective of one who has suffered much In short those who have been abused their friends and their ministers will find *A Conspiracy of Love* thought provoking inspirational and a beacon of comfort and hope Not that it is an easy read At times the reflections lay bare both the horrific reality that some children endure and the searing emotional and spiritual pain that is carried into adulthood The Archbishop of Canterbury Rowan Williams has described the writing as heart breaking and heart enlarging

Process Theology and Healing Bruce G. Epperly, 2023-12-05 Religious and spiritual healing practices are often seen as a show in which a healer claims to physically cure someone through actions or words These healings mostly fail In this booklet the third of three that integrate process theology with contemporary spiritual life and activity Bruce Epperly presents a very different view of healing He calls for a healing ministry but one that finds God in all things and uses scientific medicine healing ritual practices and prayer in concert sometimes for spiritual healing but also for a way to live out the challenge of illness to face death with dignity and yes sometimes for a cure that appears miraculous He applies these healing practices not just to human beings but to all life and to the planet we live on Healing is not the province of a few calling on supernatural forces Rather it is a cooperation with the energies God has placed in the universe Rather than supernatural it is more natural than anything Epperly is a specialist in bringing difficult concepts to life for everyone He combines that skill with the short format of the Topical Line Drives series to present a call

for all of us to be healed and to become healers as part of God's call to life and light. This book may well be the call you need to hear to find wholeness Shalom in your life and your relationships to others and this world.      *Letters to My Grandson* Bruce G. Epperly, 2013-09-11 Letters to my Grandson is a love story describing the relationship between a grandfather and his grandson. It celebrates the love of a family including events of great joy and even grief. The author shares his revelation that the love of a grandson can grow into love for every child of this earth, a lesson taught by a child. This is also a book of many adventures common to us all but often overlooked in the frenetic pace of our everyday lives. Dr. Epperly, a self-professed aging baby boomer, is finding renewal on his hands and knees as he crawls alongside his grandson, sings remembered childhood songs, and looks at the world through those infant eyes. Love grows wings and enables our hearts to soar in so many ways every day. Jewish wisdom says that there is an angel whispering grow grow over every blade of grass. I am sure that an angel is whispering to my grandson Jack, grow grow. Creative wisdom moving well beneath his consciousness and mine lures him forward moment by moment on this amazing adventure of becoming a child of God on this good Earth. Bruce Epperly      *Healing from the Heart* Rochelle Graham, Wayne Irwin, Flora Litt, 1998 To have health is to have a balance and harmony between the physical, emotional, mental, spiritual, and relational aspects of the self. In healing, we endeavor to restore this balance when it has become off-kilter. In Christian scripture and liturgy, there is a rich history of healing. *Healing from the Heart* traces the tradition of Christian healing and explores the mystery of prayer. Church groups interested in beginning a healing ministry will find this an invaluable resource offering meditation resources, healing services, and well-tested and practical hands-on healing methods.      **The Jubilee Years** Bruce Epperly, 2020-11-28 Taking inspiration from the Spanish word for retirement, jubilación, veteran minister Bruce Epperly challenges and empowers clergy to see retirement as a celebration of new possibilities. Similar in spirit to the Jubilee year described in scripture, retirement can be a time of transformation and exploration of freedom to try on new versions of yourself and new paths of service. In that spirit, clergy can embrace creative transformation in their relationships, neighborhoods, religious communities, and politics. No longer tethered to the politics and administrative duties of congregational leadership, they can now freely commit themselves to relational, intellectual, and spiritual growth. They can also focus on personal, community, and planetary healing and transformation. Retired clergy can become sages and wisdom givers, sharing their insights and energy with seminarians and novice pastors, congregations, and communities. Bringing together the fruits of conversations with more than 100 retired clergy, theological reflection, and spiritual practices, this text provides a way forward for clergy considering retirement and retired clergy. Based on interviews from persons from diverse denominations, theological perspectives, and ethnic and racial backgrounds, this book garners wisdom from pastors on their retirement journeys from personal preparation and public announcement to first steps following retirement and long-term adventures.      **Walking with Francis of Assisi** Bruce G. Epperly, 2021-01-12 From a pilgrimage through the streets of Assisi to contemplative walks on the beaches near his home

Bruce Epperly has pondered the questions of privilege prayer and social justice while walking with the teachings of Francis of Assisi From his roots in reformation traditions he has a deep understanding of the call Francis received to rebuild the church and the need for constant reformation not only in our personal lives but also in our society and in our religious institutions He knows that change comes from within from listening to the spirit of God as we engage in contemplative listening

**Healing Worship:** Bruce G. Epperly, 2006-10-01 Healing Worship Purpose and Practice is a resource to enable pastors and other church leaders to integrate healing services into the total life of the church using a wholistic approach that connects healing liturgies with the theology pastoral care and social concerns of the church This book provides practical tools for healing homilies and liturgies theological reflection on the healing ministry of the church pastoral self care and congregational health care ministries

*From Force to Persuasion* Andrew M. Davis, 2024-08-01 At the heart of process relational theology in the tradition of Alfred North Whitehead 1861 1947 and Charles Hartshorne 1897 2000 is the rejection of coercive omnipotence and the embrace of divine persuasion as the patient and uncontrolling means by which God works with a truly self creative world According to Whitehead Plato s conviction that God is a persuasive agency and not a coercive agency constitutes one of the greatest intellectual discoveries in the history of religion According to Hartshorne omnipotence is a theological mistake What is behind these claims Why do process relational philosophers and theologians reject divine omnipotence How have they justified a commitment to divine persuasion and what kind of theoretical and practical implications are involved Featuring contributions from key process relational thinkers this book situates a shift from force to persuasion across multiple thresholds of discourse from philosophy and theology to spirituality and politics to pluralism axiology and apocalypse It aims to reawaken attention to the operations of divine persuasion as ever loving and inherently noncoercive but always at risk in an open and relational universe

Unfettered Spirit Robert D. Cornwall, 2013-06-21 All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It s much easier to simply close the doors and windows than it is to deal with the wind John 3 8 After all they ve seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit* Spiritual Gifts for the New Great Awakening Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe

that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book

**Process Spirituality** Bruce G Epperly, 2017-11-20 What one believes about God shapes how one worships prays thinks and lives Dr Bruce Epperly who provided a very short introduction to process theology in Process Theology Embracing Adventure with God now provides a short and succinct guide to spiritual practices for those who want to embrace and live the adventurous spiritual life From times of worship to prayer to solitude and even to study he provides a guide to living with a God who is deeply and intimately involved in our lives Holiness and spirituality are not about being other worldly Rather they are about being even more in the here and now than any of us may have thought possible With exercises affirmations and a variety of spiritual practices explained and theologically grounded this book is a valuable resource for small group study as well as for individual reading
