Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional Death and Eternal Life John Hick, 1994-01-01 In this cross cultural interdisciplinary study John Hick draws upon major world religions as well as biology psychology parapsychology anthropology and philosophy to explore the mystery of death He argues that scientific and philosophical objections to the idea of survival after death can be challenged and he claims that human inadequacy in facing suffering supports the basic religious argument for immortality

EXPLORING REINCARNATION Hans TenDam, 2012-12-31 Exploring Reincarnation examines the full range of explanations for past life recall This definitive study includes case histories from around the world as well as intriguing theories about the relationship between body and soul from general social beliefs about past lives to detailed questions about karma and past life regression therapy An outstanding introduction to reincarnation from a historical scientific and philosophical point of view Exploring Reincarnation is the now classic panorama on reincarnation ideas and experiences

Return of the Revolutionaries Walter Semkiw, 2003-04-01 Two hundred and twenty five years ago a political revolution took place in this country which swept power from the English monarchy and gave it to the people of the New World Today a

spiritual revolution is underway in which spiritual power and responsibility are passing from institution to individuals You ll be shocked to learn that the same people are at the heart of both world changing movements John Adams Thomas Paine Samuel Adams the justices of the first Supreme Court and numerous other American Revolutionaries have been reincarnated as the political and spiritual leaders of today including George W Bush Bill Clinton Al Gore Marianne Williamson Shirley MacLaine and others Semkiw presents ample evidence that physical appearance character traits modes of thinking and expression as well as family and karmic groups often stay the same from lifetime to lifetime He s also included photographs demonstrating the startling physical similarities the individuals of the American Revolution share with today s revolutionaries As further support of the basic premise and reality of reincarnation Semkiw has included Dr Ian Stevenson s groundbreaking findings of children who report past lives as well as other case studies of individuals who have researched and written on their own past lives Discusses new research into using DNA to prove reincarnation Find out how physical appearance character traits synchronistic events karmic groups and spiritual guidance can be used to detect one s past lives Includes numerous black white photographs dramatically illustrating the similar physical appearance of revolutionaries past and present

Where Airy Voices Lead Piotr Bienkowski, 2020-05-29 Many have pursued and continue to pursue real immortality by seeking to prolong their lives on this earth Others pursue symbolic or proxy immortality through children fame or being part of something long lasting One can imagine these different forms of immortality as a menu of options of how to live forever you click the one that appeals to you most and best fits your beliefs hopes values and worldview
