studies author Douglas De Long describes different types of past life recall experiences and shares his favored techniques to gain access to those memories including meditations and visualizations This guide provides a wealth of exercises and resources for understanding past lives allowing you to explore spiritual growth and your own immortality Connect with spirit guides and religious figures Learn to forgive past life transgressions Discover future lives and how to work toward smooth life transitions Enhance your psychic and spiritual gifts with hands on techniques     *Astrological Studies on Reincarnation, Death Horoscopes and the Higher Essence of Rudolf Steiner* Roland Schrapp,2025-01-30 In his Karma lectures of 1924 Rudolf Steiner described earlier incarnations of historical personalities and significant experiences they had in the planetary spheres before their next birth The author explores how these experiences manifest in subsequent birth charts and investigates possible striking similarities between the birth and death charts of successive incarnations This is followed by similar investigations into the members of the first board of the General Anthroposophical Society whose previous incarnations are considered certain The book culminates in an examination of Rudolf Steiner s extraordinary individuality and his relationship with the masters of esoteric Christianity 100 years after Rudolf Steiner s death such insights can now be made public     **The Big Blue Turtle** Matthew Coleridge,2021-07-22 Why are we here To learn However this is a difficult task as much of the truly useful information is often hidden and one can have difficulty deciding where to start digging to find it Following the flow of a seemingly random freestyle writing exercise The Big Blue Turtle just starts digging With a humorous tone it explores the concepts of life and death drawing from multiple theories and developments in the human world Can we really survive death This book argues that we can and provides information on how to do just that It also discusses a myriad of other intertwining topics laid out with all the grace of a neighborhood yard sale upon the tables of which the reader may find something interesting or even useful Is it new Of course not It s a yard sale But if you dig a bit you might find something new to you something of immeasurable value something that might even shed light on our true purpose in this expansive universe     **Olukumi Kingdom** George Benin Nkemnacho,2024-02-28 In a world that is increasingly being aware in a political and cultural sense of issues surrounding marginalised communities this book gives a riveting account of the history culture and politics of the Olukumi people a marginalised Yoruba community unlike others that had hitherto been the subject of mainstream literature and debates The Olukumi people are a bilingual both Yoruba and Ibo and sophisticated Black African community who were the first humans to inhabit their indigenous homeland but continue to be marginalised and discriminated by the majority newly arrived neighbours The community practiced female to female marriages long before minority rights like the LGBTQIA rights came to be recognised even in so called advanced Western countries like America and in Europe It is because the Olukumis face appalling discrimination and deprivation at home that they continue to migrate Yet their culture of respect for minorities and tolerance for diverse opinions still survive This book is about war and diplomacy It is also about migration and settlement as well as a people s determination for survival and

coexistence It is told from an exclusively Olukumi perspective and written by an Olukumi indigene

**Reincarnation in America** Lee Irwin, 2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional

**Clairvoyant Wordsworth** Robert B. Zimmer, 2002-04 It is almost universally accepted that William Wordsworth never took seriously the idea of pre existence or life before birth In this study Robert Zimmer shows that this is an unjustifiable presumption Evidence from Wordsworth s Ode Intimations of Immortality from Recollections of Early Childhood from The Prelude and from the Essay Upon Epitaphs shows that Wordsworth firmly believed in pre existence Nor was this an idea he adopted out of curiosity or for its poetic utility Wordsworth like Henry Vaughan and Thomas Traherne remembered life before birth and retained a kind of clairvoyance in his infancy As Zimmer shows it is only because of the religious and philosophical prejudices of critics since Coleridge that Wordsworth s recollections have seldom been properly recognized for what they are

**A New Order of the Ages** Collin Robert Bowling, 2011 For millennia the human race has been controlled and manipulated by forces beyond our own dimension or awareness A carefully managed human extra dimensional breeding program has produced a hybrid slave race that isn t aware of its true origins or fate Few know that these shadow puppeteers are actually in control or that they even exist They are not human but then again neither are we As the epic battle of consciousness expands into the outer dimensions we know that one thing is for certain When the Liberty Bell rings once again their empire will be reduced to a heap of ashes There will be an army of forces backed by the

highest of forces in the heavens which will conduct this re awakening of the masses This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free The battleground is within each of us and our captors are but a reflection of humanity Unless we change ourselves how will the reflection be changed Hopefully after this enduring encounter deep into the rabbit hole you will realize how this reality has been manipulated by forces in the fourth dimension In order to succeed we must propel ourselves through the heart chakra and into the fifth dimension where the beloved Terra will find the peace and dignity that she deserves The fate of the world hangs in the balance All we have to do now is make a choice

**A Western Approach to Reincarnation and Karma** Rudolf Steiner,1997-10 I came forth from the mouth of the Most High and covered the earth like a mist I encamped in the heights and my throne was in a pillar of cloud Alone I compassed the vault of heaven and traversed the depths of the abyss Over waves of the sea over all the earth and over every people and nation I have held sway Before the ages in the beginning he created me and for all ages I shall not cease to be Eccl 24 3 6 9 Sophia the world soul fell from her place in the heavens to the chaos below Sophia is among the most haunting and mysterious figures in Western spirituality She is also one of the great symbols of the divine feminine in world civilization The personification of divine Wisdom Sophia is praised in the biblical book of Proverbs as co creator of the universe with God In the secret teachings of early Christianity known as Gnosticism she represents our shared consciousness trapped in the material world as a result of the Fall One of the most sublime Gnostic texts is the Pistis Sophia or Faith Wisdom a great allegory in which the resurrected Christ explains how he freed the divine Sophia from her imprisonment by the forces of spiritual wickedness Christ goes on to show his disciples how they will share in this cosmic act of redemption In this profound yet accessible work Egyptologist Violet MacDermot gives us a fresh translation of the Pistis Sophia from the Coptic and discusses it in its historical setting She also shows us how Sophia s story of is our story It is a tale of our separation and isolation as a result of ego consciousness but it is one in which we too can share spiritual liberation Her engaging discussion relates this work not only to ancient teachings but to the thought of C G Jung Emanuel Swedenborg and the Kabbalah

**Modern Esoteric** Brad Olsen,2017-08-02 This completely reworked second edition of Modern Esoteric includes new information over a dozen additional images and up to date revisions Winner of the Best Book Design 2014 Modern Esoteric examines the flaws in modern history and looks at how conspiracy theories esoteric knowledge and fringe subjects can be used to help change the dead end course humanity seems to be following The Lifeology section explores the long and storied alternative narrative of life on this planet In the Control section author Brad Olsen examines how Big Brother is here in the form of the New World Order and how they keep the knowledge of humankind s true nature from the mass population Finally the Thrive section looks at all the ways humans are evolving to achieve their full potential

beings shaped by our collective minds both divine and shadowed      [A Rebirth for Christianity](#) Alvin Boyd Kuhn,2014-05-27

The search to uncover the hidden origins of Christianity and discover its true message has become a current topic of fascination for many readers People are eager to know the truths behind the biblical legends and the mysteries that created Christian rites ceremonies and codes of behavior Kuhn argues that the sacred scriptures of Judaism and Christianity do not portray historical truths but symbolic and mystical metaphors The spiritual truth encoded in scripture says Kuhn is far more important than its literal narrative Kuhn s research provides a clear understanding of the allegorical interpretations of the scriptures and their significance to a deeper more profound Christianity He traces the historical and philosophical origins of Christian thought to illustrate that Jesus was one of many incarnations of an enduring archetype that has surfaced in many religions In fact those who wrote the scriptures may have never even intended the focus to be on Jesus the man Moreover Kuhn investigates the problems psychological spiritual and otherwise that result from a purely historical interpretation of Jesus In doing so Kuhn reclaims the mystical power at the core of Christianity s message which has to do with the birth of the inner Christ and the emergence of divine consciousness in humanity      *Wisdom of Thoth* Pantheon of Aeternam,2019-02-21
