Escaping Out of the Matrix Dr. Steven Christ, 2022-12-12 I felt an urgency in writing this particular book as most of us are lost in a world that we no longer recognize and we are all in desperate need of answers and guidance The fact is we have all been lied to and deceived as to who the god of the Old Testament is Yahweh Jehovah and all those names for God in the Old Testament all belong to God the Father of Christ We were taught that the god of the Old Testament Yahweh is the same God in the New Testament the Father This is a lie and this is the greatest deception ever played out on mankind All western religions have taught us that we are worthless guilty sinners that must be condemned and punished This is a lie that the church has instilled in our mass consciousness to control and enslave humanity The truth is you are not the sinner You are not the egoic mind or the body You are the Spirit an extension of God the Father Himself The spirit is the only part of you that God the Father created so this is the only part of you He sees He does not look at your carnal mind or body for He knows it was made in corruption Gnostic Sacred text specifically the Secret Book of John tells us God the Father created man's eternal perfect spirit while the god of the Old Testament Yahweh made the physical world that we see he assembled man's soul which imprisons the Spirit of God the Father through the process of reincarnation karma sin and guilt He created the body to give man an expiration date which is death This limits our time here in this world as he feared man gaining gnosis knowledge of our true identity the power within us and how to use it This is why Yahweh created the egoic carnal mind at enmity against God the Father as he does not want us to awaken to the Truth of who we really are an eternal unchanging innocent holy son of God the Father God the Father only creates what is spiritual and eternal Yahweh only creates what is physical everything in it deteriorates decays and dies This world and everything in it all belongs to Yahweh all governments kingdoms world leaders and megacorporations belong to him Christ and God the Father's kingdom is spiritual They want nothing of this physical world The truth is the god of the Old Testament Yahweh is a corrupt egoic lesser god that wants to be worshiped by the whole world as God the Most High the Father of Christ In this book I use Bible scriptures and sacred Gnostic text to discuss show and prove who God the Father is who the god of the Old Testament is and who we really are Our true origins are documented in sacred Gnostic text which the church desperately tried to destroy and eliminate from our recorded history I will go over how the god of the Old Testament was created and how he has deceived the world to usher in his one world government currency and religion all worshiping him The rulers of the world know that there is a great awakening happening

throughout the world and this is their greatest fear They know that if we awaken the Spirit within our Christ consciousness they will lose their power and control over us they will no longer be able to deceive manipulate and control us through fear and their beast system will eventually collapse This is why there is a war on consciousness They are doing everything in their power to ensure we do not awaken to the truth In this book I reveal many truths that will empower you through the troubling times ahead Knowing your true self knowing the power within and how to use it knowing the Father knowing how to escape Yahweh s world matrix of reincarnation this is your true power I give you concepts ideas exercises and tools that you need to awaken your true self the divine Spirit within These tools will help you eliminate most of your karma so you may escape Yahweh s matrix of reincarnation to ascend back to God the Father s kingdom in heaven Yes reincarnation was in the Bible they took it out to control the people through fear of going to hell for eternity *Your Psychic Powers and how to Develop Them* Hereward Carrington,1920 **What About God? , Jeremy Corbyn and the Strange Rebirth of Labour**

England Mark Seddon,Francis Beckett,2018-09-18 Post war Labour England wasn t a bad place to live but after Labour s 2015 election defeat the prospect of a healthier happier and fairer country seemed more remote than ever Who would have predicted that career backbencher and serial rebel Jeremy Corbyn would be the one to breathe new life into a near moribund Labour Party Defying all odds and most commentators and pollsters Labour staged a remarkable comeback at the 2017 election Love him or loathe him and most people feel one way or the other Corbyn represents a new hope which everyone believed had been extinguished by the bitter hostility of the Thatcher era and the grubby triangulations of the Blair years Almost uniquely amongst European social democratic parties Corbyn s party has rallied It has turned its back on New Labour membership is thriving and at long last the party is appealing to the young Labour England wasn t dead it had merely been sleeping In *Jeremy Corbyn and the Strange Rebirth of Labour* England Francis Beckett and Mark Seddon offer an alternative and refreshing take on the sad fate of Labour England over the past four decades They then turn their attention to the extraordinary reversal of fortunes of the Corbyn years and to what a new Labour England might look like with or without Corbyn *Rebirth of Rhetoric* Richard Andrews,2012 *Rebirth of Rhetoric* brings together contributions from several fields to provide a forum in which a unifying theory for language and literature studies can be debated The book does not aim to resurrect classical Renaissance rhetoric but to remake it within a contemporary context The context of texts both spoken and written is one of the main emphases of this collection whether it is the ideology informing the text or the way in which a text is transformed by its audience The book also aims to present a range of practical approaches to the study of texts of all kinds literary televisual film and photography It also argues the case for developments in the Arts and Humanities which will bring together people working in Education Linguistics Composition Literature and Cultural Studies **Death and Rebirth in Late Antiquity** Lee M. Jefferson,2022-08-16 Death and rebirth was of vital importance to early Christians in late antiquity In late antiquity death was all encompassing Mortality rates were high plague and disease in urban areas struck at will and one

lived on the knife s edge regarding one s health Religion filled a crucial role in this environment offering an option for those who sought cure and comfort Following death the inhumed were memorialized providing solace to family members through sculpture painting and epigraphy This book offers a sustained interdisciplinary treatment of death and rebirth a theme that early Christians and scholars found important By analysing the theme of death and rebirth through various lenses the contributors deepen our understanding of the early Christian funerary and liturgical practices as well as their engagement with other groups in the Empire **Plato (SparkNotes Philosophy Guide)** SparkNotes,2014-08-12 Plato SparkNotes Philosophy Guide Making the reading experience fun SparkNotes Philosophy Guides are one stop guides to the great works of philosophy masterpieces that stand at the foundations of Western thought Inside each Philosophy Guide you ll find insightful overviews of great philosophical works of the Western world Northern Lights Colette Lane,2023-11-28 Go along on a journey with the author as she explores the exciting and mysterious realms of the supernatural and psychic phenomena UFOs and extraterrestrial activity This story is based on true events
