Reinhold Niebuhr His Religious Social:

Reinhold Niebuhr; His Religious, Social, and Political Thought Charles W. Kegley, 2009-12-01 This collection of essays by world scholars of different faiths and fields of study eloquently documents the importance and continuing influence of Niebuhr's extensive body of work Following an intellectual autobiography by Niebuhr are twenty essays forming a candid and vigorous discussion spanning the range of Niebuhr's thought Since Niebuhr first came to the world's attention as a critic of social conditions the book begins with an examination of his social thought especially as a Christian ethicist proceeding from this to the political sphere Further essays offer critical exposition criticism and questions on such topics as Niebuhr's philosophy of history his role in American political thought and life his theology and the historical roots of his thought For this new edition there are updated essays by John Bennett Arthur Schlesinger Jr and Kenneth Thompson plus new interpretations by Ronald Stone and Richard Fox Other contributors include Paul Tillich Emil Brunner and Abraham I Heschel A bibliography of Niebuhr's work has been brought up to date by D B Robertson **Reinhold Niebuhr** Charles W. Kegley, Robert Walter Bretall, 1967 **Reinhold Niebuhr** Charles W. Kegley, Jr., 2003-01-01 Love and Justice Reinhold Niebuhr, 1992-01-01 Niebuhr is renowned for his unflinching honesty concerning issues of social ethics specifically love and justice His influence is great both inside and outside the Christian church Now 64 of Niebuhr's important pieces about the problems of humanity and society are compiled in this single volume **Reinhold Niebuhr. His Religious, Social and Political Thought. Edited by C.W. Kegley and R.W. Bretall. [By Various Authors. With a Portrait and a Bibliography.]** Charles William Kegley, Robert Walter BRETALL, Reinhold Niebuhr, 1956 **The American Evasion of Philosophy** Cornel West, 1989-05-09 Taking Emerson as his starting point Cornel West's basic task in this ambitious enterprise is to chart the emergence development decline and recent resurgence of American pragmatism John Dewey is the central figure in West's pantheon of pragmatists but he treats as well such varied mid century representatives of the tradition as Sidney Hook C Wright Mills W E B Du Bois Reinhold Niebuhr and Lionel Trilling West's genealogy is ultimately a very personal work for it is imbued throughout with the author's conviction that a thorough reexamination of American pragmatism may help inspire and instruct contemporary efforts to remake and reform American society and culture West may well be the pre eminent African American intellectual of our generation The Nation The American Evasion of Philosophy is a highly intelligent and provocative book Cornel West gives us illuminating readings of the political thought of Emerson and James provides a penetrating critical assessment of Dewey his central figure and offers a brilliant interpretation appreciative yet far from uncritical of the contemporary philosopher and neo pragmatist Richard Rorty What shines through throughout the work is West's firm commitment to a radical vision of a philosophic discourse as inextricably linked to cultural criticism and political engagement Paul S Boyer professor emeritus of history University of Wisconsin Madison Wisconsin Project on American Writers Frank Lentricchia General Editor **The Contribution of Religion to Social Work** Reinhold

Niebuhr,1932 *The Library of Living Theology Vol II Reinhold Niebuhr His Religious, Social and Political Thought* Robert W. Bretall,1961 **Mormonism in Dialogue with Contemporary Christian Theologies** David Lamont Paulsen,Donald W. Musser,2007 This volume brings together for the first time a broad range of scholars from Mormon and other Christian traditions Replacing polemics and apologetics with dialogue these exchanges show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas and correlatively how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty first centuries **The Spirit of American Liberal Theology** Gary Dorrien,2023-09-05 The Spirit of American Liberal Theology is an interpretation of the entire U S American tradition of liberal theology A highly condensed and far more accessible summary of Gary Dorrien s three volume trilogy The Making of American Liberal Theology Westminster John Knox Press 2001 2003 and 2006 Dorrien here presses the argument that the most abundant diverse and persistent tradition of liberal theology is the one that blossomed in the United States and is still refashioning itself While discussions of English and German liberalism persist new material includes expanded treatment of the Black social gospel the Universalists developments into early 2020s and a robust expression of the author s post Hegelian liberal liberationist perspective [The Oxford Dictionary of the Christian Church](#) Andrew Louth,2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader **Religion and the Liberal State in Niebuhr's Christian Realism** Christoph Rohde,2021-09-02 This book intends to analyze Reinhold Niebuhr s understanding of the state in his Christian Realism Although his overall notion was thoroughly analyzed in different disciplines and respects this specific focus can be diagnosed as a lacuna The task of this book is to develop a hypothesis in terms of under what political social organizational or intellectual context Niebuhr made use of what definition of the state When did he support the extension of state power e g in war times during economic crisis and when did he criticize

tendencies toward autocratic structures inside Western style democracies Religion and the Realist Tradition Jodok Troy, 2013-09-11 This volume picks up a rather uninvested field of international relations theory the influence of religion on Realism as well as the power of Realism to address religious issues in world politics Although classical scholars of Realism rarely mention religion explicitly in their well known work this volume suggests that Realism offers serious ground for taking religion and faith into account as well as evaluating the impact of religion on its theoretical framework how religion and religious worldviews influence and affect the theoretical framework of Realism and how Realism approach religious issues in international relations as a relatively new field of international studies Although international relations scholars now widely deal with issues of religion large portions of the theoretical underpinning are missing In addressing this lack the volume illustrates the possibility of reform and change in Realism Furthermore the chapters reach out to normative statements The contributors offer a theoretical view on religion in international relations in the context of Realism but always connect this with actual real world related political problems The volume takes into account not only classical thinkers and approaches of Realism but also present day authors dealing with ethical and normative questions of international relations in the aftermath of 9 11 Offering a fresh perspective on the influence of religion on international relations theory this work will be of great interest to scholars of religion and international relations international relations theory and political philosophy **The Making of American Liberal Theology** Gary J. Dorrien, 2003-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom **Christianity, Politics, and the Predicament of Evil** Bradley B. Burroughs, 2019-06-04 Christianity Politics and the Predicament of Evil overcomes a defining divide in contemporary Protestant political ethics created by two contrasting conceptions of politics The first exemplified in the work of Reinhold Niebuhr construes politics as a matter of statecraft that utilizes the power of government to secure the greatest possible order and justice for society as a whole The second most prominently articulated by Stanley Hauerwas maintains that politics concerns itself with the cultivation of virtue consequently it finds not the well ordered state but the church to be the exemplar of politics Not only illuminating the divide between politics as statecraft and politics as soulcraft but also redeveloping the conceptual space between them this book reconceives politics within a

theological framework in which the eschatological City of God rather than the well ordered state or the faithful church functions as the paradigm of political life At the same time it simultaneously recognizes that the existence of evil which corrupts individual wills and social structures inhibits human beings from building the City of God in this world Analyzing criticizing and drawing resources from Niebuhr and Hauerwas as well as looking beyond to Augustine Martin Luther King Jr and others this book specifies the respective roles of soulcraft and statecraft in a political ethic capable of guiding Christians as they witness to God s eschatological intention to establish the City of God in a world currently mired in the predicament of evil

The Poetics of Grace: Christian Ethics as Theodicy Jeph Holloway, 2013-04-09 What is God doing about a world marked by conflict and division What about a world in which our technologies promise great good but also threaten our existence What is God doing in a world where the demands for accumulation and acquisition create division and despair Can Christians hope to be of positive influence in a world that does not always support reflect or even understand Christian commitments Christian ethics often raises such questions as these and the possible answers vary widely Paul s Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all what is God doing about evil The role of Christian ethics is to take seriously the challenge that whatever God is doing God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question what is God doing about evil

Modern Christian Thought: The twentieth century James C. Livingston, Francis Schüssler Fiorenza, This widely acclaimed introduction to modern Christian thought formerly published by Prentice Hall provides full scholarly accounts of the major movements and thinkers theologians and philosophers in the Christian tradition since the eighteenth century Enlightenment together with solid historical background and critical assessments This second edition deals with the entire modern period in both Europe and America and is the first to include extensive treatment of modern Catholic thinkers Evangelical thought and Black and Womanist theology

John Dewey Steven Rockefeller, 1994-03-01 Combining biography and intellectual history Steven Rockefeller offers an illuminating introduction to the philosophy of John Dewey with special emphasis on the evolution of the religious faith and moral vision at the heart of his thought This study pays particular attention to Dewey s radical democratic reconstruction of Christianity and his many contributions to the American tradition of spiritual democracy Rockefeller presents the first full exploration of Dewey s religious thought including its mystical dimension Covering Dewey s entire intellectual life the author provides a clear introduction to Dewey s early neo Hegelian idealism as well as to his later naturalistic metaphysics epistemology theory of education theory of evaluation and philosophy of religion The author tells the story of the evolution of this faith and philosophical vision offering fresh insight into the enduring value of the thought of America s foremost philosopher

Christianity and Western Thought Alan G. Padgett, Steve Wilkens, 2009-08-28 Colin Brown s Christianity Western

Thought Volume 1 From the Ancient World to the Age of Enlightenment was widely embraced as a text in philosophy and theology courses around the world His project was continued with the same spirit energy and design by Steve Wilkens and Alan Padgett in volume 2 which explores the main intellectual streams of the nineteenth century This the third and final volume also by Wilkens and Padgett examines philosophers ideas and movements in the twentieth century and how they have influenced Christian thought

Mussolini and Fascism John Patrick Diggins, 2015-03-08 Mussolini in the thousand guises he projected and the press picked up fascinated Americans in the 1920s and the early 30s John Diggins analysis of America s reaction to an ideological phenomenon abroad reveals he proposes the darker side of American political values and assumptions Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Reinhold Niebuhr His Religious Social Introduction

In today's digital age, the availability of Reinhold Niebuhr His Religious Social books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reinhold Niebuhr His Religious Social books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reinhold Niebuhr His Religious Social books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reinhold Niebuhr His Religious Social versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reinhold Niebuhr His Religious Social books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reinhold Niebuhr His Religious Social books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reinhold Niebuhr His Religious Social books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reinhold Niebuhr His Religious Social books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
