Reinventing Evangelism:

Reinventing Evangelism : New Strategies for Presenting Christ in Today's World Donald C. Posterski, 1989 *The Study of Evangelism* Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that trend, *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism.

Liberating Evangelism Stephen K. Pickard, 1999-06-01 Has the church abdicated its responsibility for and privilege of spreading the gospel? Has this baptismal birthright been forgotten or denied out of ignorance, poor example, or even misinformation? Stephen Pickard argues that the church is called to be a community of the evangel and thus a community that seeks to embody the glad tidings of God in all of its life. He addresses two issues: the relationship of evangelism to systematic theology and the relationship of evangelism to the church. In the case of the former, he calls for a recovery of the complementary nature of theology and evangelism; the theory and practice of the gospel, discussing what this might involve and how it may benefit the church's evangelistic task. This evangelistic task is then developed further in terms of the dynamics of communication. Regarding evangelism and its relation to the church, Pickard contends that the locus for evangelism has to be the Christian community, its life of worship and discipleship in the world. But the church must be reconceived missiologically in terms of the Great Commission and as a community for the praise of God.

Understanding Evangelism J. D. Payne, 2025-09-30 When seeking to understand evangelism, it can be difficult to know where to begin due to the wealth of written material available on the topic. This one-stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective. It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world. *Understanding Evangelism* emerges from the author's experiences as a pastor, missionary, evangelist, and professor of evangelism and from his expertise as a scholar in the field. The book provides the necessary biblical knowledge, cultural awareness, and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world. The first part of the book covers contemporary definitions of evangelism, the global status of world evangelization, and personal motives and ethics for evangelism. The second part addresses its biblical and theological foundations, while the third part offers a historical overview. The fourth part focuses on cultural contexts and effective communication of the gospel. The book concludes with contemporary issues that offer practical guidance in the ministry of evangelism. Pedagogical tools including case studies, sidebars, figures, and reflection questions help students retain information.

Evangelism Without Additives Jim Henderson, 2009-01-20 What if evangelism meant just being yourself? If the gospel really is good news, why do

most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn't it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn't have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you're already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn't another program or pitch It's a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us The Story That Chooses Us George R.
