Rekindle the Gift of God Fr. Roch Kereszty, O.Cist., 2021

Rekindle the gift of God that is within you Saint Paul urges Timothy years after his ordination 2 Tim 1 6 Drawing on sixty years of experience as a Catholic priest Cistercian Fr Roch Kereszty provides realistic spiritual psychological and pastoral guidance to priests and seminarians from preaching and sacramental ministry to parish life and spiritual direction to chastity and poverty Countless priests struggle to understand their role and identity in the post conciliar Church where laypeople have taken on many responsibilities once considered priestly With the sexual abuse crisis kicking up a cloud of confusion and discouragement many young men are wondering Why join a system in which everyone is suspect Meanwhile without the right guidance those already ordained can find themselves slipping into boredom or even cynicism But Fr Kereszty knows the fire of a true vocation With insights and examples from St Bernard of Clairvaux St Th r se of Lisieux St John Paul II Benedict XVI and many others Rekindle the Gift of God helps priests and seminarians discover or rediscover their mission as shepherds prophets and teachers A happy priest is one who lays down his life not only for his flock but for his Lord Father Kereszty gives patient down to earth counsel on putting this ideal into practice and he offers a glimpse of his own immense joy and gratitude for the gift of serving Jesus Christ

Rekindled Teresa Irizarry, 2015-06-01 Rekindled is a historical fiction about how Roger Williams becomes the original architect of the separation of church and state He must survive the men that intend to silence him in order to engineer and demonstrate a new society structure that will protect people voicing ideas and heartfelt convictions while keeping civil peace If he fails the tragedy of needless loss of life and livelihood will continue unabated on both sides of the Atlantic Roger Williams obtained the first charter for the colony of Rhode Island in 1644 as an explicit experiment in the separation of church and state Rekindled is also a historical fiction about Miantonomoh an Algonquian prince from the elite line called the Steward rulers He must prove himself a competent general diplomat and family man to lead the Narragansett and other Algonquian If none like Miantonomoh succeeds cruel English puppet prince Uncas will rule but rapidly lose followers

The Power of God's

Consciousness James Grant, 2022-11-03 The Power of God's Consciousness was written to transform the lives and consciousness of mankind. It was written to transform mankind from a sinful nature and more into fellowship with God. When we read and study God's divine Word, we realize how God's Word can become the bread of life for mankind. God's Word must become the bread of life in our lives so that we can experience how God's Word is able to manifest itself in our lives. We have to implement God's Word in our hearts and minds as God's Word becomes a part of our lives. We have to develop the discipline in our lifestyles that reflect the life of Jesus Christ. Everything that we do at this point in our lives should reflect our discipline and consciousness of God's divine Word in our hearts and is acted out in our lives. When we have confidence and courage in God's divine Word, we are better able to enhance and develop our faith in God. We can only understand our purpose and reason for living through how we define God's consciousness in our lives.

A Kingdom on Earth Paul T.

Phillips, 1996-02-01 Social Christianity was a major force in the life of the United States, Canada, and Britain for more than sixty years beginning in the closing decades of the Victorian age. As a tide of concern swept through Protestantism in the face of mounting social ills, Social Gospelers and Christian Socialists urged a less competitive, more compassionate society. They pioneered in many fields of modern social science and actively engaged in social work and party politics. In *A Kingdom on Earth*, Paul T. Phillips provides an unusually broad view of the movement from both sides of the Atlantic. He is also unique in carrying the story up to 1940, thereby tying Social Christianity to the origins of the welfare state. Using a wide range of sources, *A Kingdom on Earth* places the activities of Social Christians firmly in the social and cultural contexts of the day. Phillips's analysis reveals the dilemmas of a movement that sought to achieve social harmony and justice through close cooperation with secular reformism. Such dilemmas invariably led to rivalries with competing ideologies and brought secularizing influences into the churches themselves. In spite of these worldly aspects, however, Phillips finds that the inspiration and essence of the movement were essentially religious.

These chapters are rich in content and all inclusive in scope. The truths are basic and crucial. This three-volume series begins with a message given by Watchman Nee.
