Contributions to Asian Studies Aziz Ahmad, Karigoudar Ishwaran, 1974 **Hart's Annual Army List, Militia List, and Imperial Yeomanry List**, 1899 *The Unlikely Hero* Dorothy Anderson, 2008-11-01 An Unlikely Hero is not only the story of an extraordinary life but also a unique insight into the Great Game played out in Afghanistan in the late nineteenth century Beginning his career as a British Surgeon Major in Afghanistan George Scott Robertson found himself defending Chitral Fort in 1895 against a besieging force of thousands of tribesmen He was celebrated as a hero but this was only one chapter in what was an extraordinary life This book is the story of an adventurer ethnographer and soldier **Collecting Military Medals** Colin Narbeth, 2002 The background to collecting military medals is inseparable from a study of history The earliest British medals as befits a nation for so long reliant upon naval strength for its independence were issued to the Navy beginning with the defeat of the Spanish Armada in 1588 The first true campaign medals awarded to the Army followed the Battle of Waterloo although many had been issued privately and unofficially before this As one would expect for a country like Britain with an outstanding imperial history dating to modern times a vast field of military medals covering service in Africa India and China awaits the attention of the collector There are too the collections relating to major wars including the

Crimean War Boer War and the two World Wars Colin Narbeth describes the medals awarded and the actions which gave rise to special bars ribbons and stars Orders and decorations including the Victoria Cross and the George Cross both awarded for extreme valor are described as are the naming of medals and display As well as this wealth of background information the author also details the aims to which a new collector should aspire and discusses the pitfalls to guard against including the problem of identification of forgeries The volume is illustrated with numerous photographs selected by the author

Hart's Annual Army List, Special Reserve List, and Territorial Force List, 1899 **Hertfordshire Soldiers of The Great War** Dan Hill, Paul Johnson, 2020-05-30 In Hertfordshire Soldiers of The First World War the authors explore a series of individual case studies of Hertfordshire men who served in various theaters during the First World War all of which had been uncovered as part of the Herts At War community project This unique collection of largely unknown accounts includes stories from the Western Front Gallipoli Salonika Mesopotamia East Africa Egypt and even Russia in the fight against the Bolsheviks in 1919 The Herts At War team uncovered many letters and objects in the course of their research including men who were Victoria Cross winners to those whose courage or bravery went unrecognized as well as stoicism on the Home Front One of the most moving of these surrounds a photograph which was found in the hands of Sergeant Percy Buck as he lay fatally wounded in a shell hole in 1917 On the back of the photograph of his wife and young son he had written his address and asked for whoever found the image to post it to his loved ones in the event of his death Sergeant Buck would have assumed it would be a British comrade who would find the photograph but the person who recovered it was a German soldier who subsequently sent it on to the grieving but grateful family The war memorials of Hertfordshire contain the names of over 23 000 men and women who gave their lives whilst in the service of their country during the Great War some of their tales are uncovered here Indeed the poignant collection of stories anecdotes and artifacts revealed in this book bring the First World War to life in an unusual and highly moving fashion

Roll of the Indian Medical Service 1615-1930 - Volume 1 Lieutenant-Colonel D. G. Crawford, 2012-02-08 Volume 1 of 2 An excellent research tool which lists 6586 former IMS personnel giving details of their services honours and awards campaign medal entitlements etc This very large book also contains interesting information concerning Indian Medical Colleges and places of instruction A primary source by the same author who wrote the preceding entry containing a huge amount of biographical detail which could be obtained from other sources only with great difficulty
