Religion and Culture Walter Leibracht, 1958 **Religion and Culture. Essays in Honor of Paul Tillich. Edited by Water Leibracht. [With a Bibliography of Paul Tillich Compiled by Peter H. John, and a Portrait.]** Paul Tillich, Peter H. JOHN, Walter LEIBRECHT, 1959 Religion and Culture; Essays in Honor of Paul Tillich. Edited by Walter Leibracht Walter Leibracht (Ed), 1959 *Religion and Culture. Essays in Honor of Paul Tillich. D. by Walter Leibracht* Paul Tillich, Walter Leibracht, 1959 *Religion and Culture* Paul Tillich, 1972-01-01 *Religion and Culture. Essays in Honor of Paul Tillich. D. by Walter Leibracht* , 1972 **Religion and Culture. Essays in Honor of P. Tillich. Edited by Walter Leibracht. [With a Portrait and a Bibliography of Tillich's Writings Compiled by Peter H. John.]** Paul Tillich, Walter LEIBRECHT, 1958 The Cambridge Companion to Paul Tillich Russell Re Manning, 2009-02-12 The complex philosophical theology of Paul Tillich 1886 1965 increasingly studied today was influenced by thinkers as diverse as the Romantics and Existentialists Hegel and Heidegger A Lutheran pastor who served as a military chaplain in World War I he was dismissed from his university post at Frankfurt when the Nazis came to power in 1933 and emigrated to the United States where he continued his distinguished career This authoritative Companion provides accessible accounts of the major themes of Tillich's diverse theological writings and draws upon the very best of contemporary Tillich scholarship Each chapter introduces and evaluates its topic and includes suggestions for further reading The authors assess Tillich's place in the history of twentieth century Christian thought as well as his significance for current constructive theology Of interest to both students and researchers this Companion reaffirms Tillich as a major figure in today's theological landscape Thomism and the ontological theology of Paul Tillich Donald J. Keefe, 2023-08-28 *Paul Tillich and Bonaventure* John P. Dourley, 2023-10-09

Capitalism as Religion? A Study of Paul Tillich's Interpretation of Modernity Francis Ching-Wah Yip, 2010-09-30 The relationship between religion and modern culture remains a controversial issue within Christian theology Using the concept of cultural modernity Francis Ching Wah Yip reconstructs Paul Tillich's interpretation of modernity and shows that Tillich's notion of theonomy served to underscore the problems of modernity and to develop a response **Paul Tillich and His System of Paradoxical Correlation** Charles Amarkwei, 2020-05-05 This book shows the paradoxical mode by which Christians keep their faith in the Christian message as they relate with science It reveals how Paul Tillich's method of correlation helps us to understand how Christians interact with science without necessarily conflicting separating and dialoguing and synthesizing with each other It rules out natural theology but provides a non eclectic theology of nature that frees Christians to be involved in science meaningfully and without undermining their faith *Paul Tillich* Paul Tillich, Paul Tillich forced into exile by the Nazis in 1933 settled in the United States His many theological works and especially his three volume Systematic Theology have had a profound influence upon contemporary religious thought This volume concentrates on the key texts and ideas in Tillich's thought It presents the essential Paul Tillich for students and the general reader Taylor

s introductory essay and notes on the selected texts set Tillich in his historical context chart the development of this thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Tillich s work illustrate key themes The struggle for a new theonomy Protestant theology amid socialist crisis In the sacred void being and God Amid structures of destruction Christ as new being Among the ambiguities of life Spirit and churches In the end revisioning and hope *Paul Tillich and Pentecostal Theology* Nimi Wariboko, Amos Yong, 2015-11-17 Paul Tillich 1886 1965 is widely regarded as one of the most influential theologians of the 20th century By bringing his thought together with the theology and practices of an important contemporary Christian movement Pentecostalism this volume provokes active productive critical and creative dialogue with a broad range of theological topics These essays stimulate robust conversation engage on common ground regarding the work of the Holy Spirit and offer significant insights into the universal concerns of Christian theology and Paul Tillich and his legacy **Martin Heidegger's Philosophy of Religion** John Williams, 2010-10-30 Following a critical review of previous theological scholarship on Heidegger and a survey of North American philosophy of religion the book examines Heidegger s philosophy of religion and its influence on the North American variety of the same **Religious Internationalism** Matthew Lon Weaver, 2010 Religious Internationalism assembles and assesses for the first time the ethics of war and peace in the writings of Paul Tillich It sketches the evolution of Tillich s thought from the period of his service in the German Imperial Army through the time of the Cold War The work begins by analyzing Tillich s theological roots and his World War I chaplaincy sermons as the starting point for his thoughts on power and nationalism Then Religious Internationalism looks to his postwar turn to socialist thought and his participation in religious socialism fueling his cultural analyses and culminating in his forced emigration under Hitler Next it probes the American interwar period giving special attention to Tillich s self described boundary perspective as well as the one treatise he wrote on religion and international affairs The book also examines his Voice of America speeches written and broadcast into his former homeland during World War II Weaver next considers Tillich s message to his English speaking audience of that period emphasizing social and world reconstruction The discussion continues by examining his vision of a path toward personhood in a bipolar world Finally the book constructs Tillich s ethics of war and peace as an ethic of religious internationalism suggesting adjustments intended to give it more universal significance The study concludes that Tillich s thought has provocative contributions to make to debates regarding civilizational conflict economics and international justice trade and globalization the defense of unprotected minorities and immigration policy Book jacket **To Have or To Be?** Erich Fromm, 2013-11-05 To Have Or to Be is one of the seminal books of the second half of the 20th century Nothing less than a manifesto for a new social and psychological revolution to save our threatened planet this book is a summary of the penetrating thought of Eric Fromm His thesis is that two modes of existence struggle for the spirit of humankind the having mode which concentrates on material possessions power and aggression and is the basis of the universal evils of greed envy

and violence and the being mode which is based on love the pleasure of sharing and in productive activity To Have Or to Be is a brilliant program for socioeconomic change

Spiritual Intelligence and the Neuroplastic Brain Charles W. Mark Ph. D., Charles W. Mark, 2010 Our brains are getting wired differently in the world of digital technology information revolution and in the inter cultural world of global society Think of the new vocabulary Global brain collective intelligence global village and cyberspace That should tell us something about the neural rewiring that is taking place inside of our brains whether or not we are aware of it The fact that the human brain changes throughout a person's life in response to intellectual stimulation physical exercise exposure to new cultural environments learning opportunities and challenges is a revolutionary discovery Till twenty years ago neuroscientists believed in the conventional theory that the brain's ability at making new neural connections stopped before a child entered adolescence That is the old dogma There is a Second Copernican Revolution taking place inside of our brains writes the author quoting Carl Zimmer Some experts are suggesting that we are already living in what Richard Restack calls the neurosociety Ray Kurzweil the futurist is predicting that by 2045 A D human beings will be living in an era of singularity when non biological machines invented by human brains and human ingenuity are going to outsmart human intelligence billions of times What is going to be the fate of the human spirit human spirituality the feeling of connection to a force and power that is greater than us God our ability to use spiritual imagination and our intelligence Are we progressively moving away from religion and community based spirituality into the spirituality of different strokes for different folks In his groundbreaking book **Spiritual Intelligence and The Neuroplastic Brain** A Contextual Interpretation of Modern History Charles W Mark takes the reader on a journey through modern history and shows the glimpse of what is to come <http://www.spiritualityintelligence.com>

The Study of Religion in Colleges and Universities Paul Ramsey, John Frederick Wilson, 2015-03-08 The study of religion traditionally sponsored by sectarian institutions has within recent decades come to claim an increasingly larger share of attention in colleges and universities generally and in the process the constituent intellectual disciplines have undergone significant changes In this volume twelve distinguished scholars take stock of the current state of the field and explore the prospects for future development The areas covered in the essays with their authors are biblical studies Stendhal Western religious history Clebsch philosophy of religion Diamond theology McGill Catholic studies Preller Jewish studies Neusner sociology of religion Harrison comparative religious ethics Little history of religions Sullivan religion and art Turner and religion and literature Driver A practical commentary on the current state of the field Gustafson concludes the volume Taken together the essays provide an overview of the subject matter of religion study that should enable scholars of religion to situate and define their own work while helping others to appreciate the claims that work has upon the resources and concerns of colleges and universities Originally published in 1970 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these

important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **On Understanding Japanese Religion** Joseph Mitsuo Kitagawa, 2021-02-09

Joseph Kitagawa one of the founders of the field of history of religions and an eminent scholar of the religions of Japan published his classic book *Religion in Japanese History* in 1966 Since then he has written a number of extremely influential essays that illustrate approaches to the study of Japanese religious phenomena To date these essays have remained scattered in various scholarly journals This book makes available nineteen of these articles important contributions to our understanding of Japan's intricate combination of indigenous Shinto Confucianism Taoism the Yin Yang School Buddhism and folk religion In sections on prehistory the historic development of Japanese religion the Shinto tradition the Buddhist tradition and the modern phase of the Japanese religious tradition the author develops a number of valuable methodological approaches The volume also includes an appendix on Buddhism in America Asserting that the study of Japanese religion is more than an umbrella term covering investigations of separate traditions Professor Kitagawa approaches the subject from an interdisciplinary standpoint Skillfully combining political cultural and social history he depicts a Japan that seems a microcosm of the religious experience of humankind
