Religion - A Dialogue. - The Essays of Arthur Schopenhauer Arthur Schopenhauer, 2012-03-10 Schopenhauer is one of the few philosophers who can be generally understood without a commentary All his theories claim to be drawn direct from the facts to be suggested by observation and to interpret the world as it is and whatever view he takes he is constant in his appeal to the experience of common life This characteristic endows his style with a freshness and vigor which would be difficult to match in the philosophical writing of any country and impossible in that of Germany If it were asked whether there were any circumstances apart from heredity to which he owed his mental habit the answer might be found in the abnormal character of his early education his acquaintance with the world rather than with books the extensive travels of his boyhood his ardent pursuit of knowledge for its own sake and without regard to the emoluments and endowments of learning He was trained in realities even more than in ideas and hence he is original forcible clear an enemy of all philosophic indefiniteness and obscurity so that it may well be said of him in the words of a writer in the Revue Contemporaine ce n est pas un philosophe comme les autres c est un philosophe qui a vu le monde Religion a Dialogue, and Other Essays Arthur Schopenhauer, 2015-06-15 Excerpt from Religion a Dialogue and Other Essays As a third edition of this little volume is called for I have taken the opportunity adding two more Essays the brief dialogue on The Failure of Philosophy and some observations on The Metaphysics of Fine Art The latter Essay is a rendering of such portions of a chapter in the original entitled Zur Metaphysik des schonen as appear to be generally interesting and easily intelligible The chief statement of Schopenhauer's view of Art is to be found in his large work but as he gives a short essay in his parerga I have thought it well to include it in this selection The Prefatory Note to be found in the first and second editions of this volume is here omitted It is now incorporated with the main Preface to the series in The Wisdom of Life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Religion a Dialogue, and Other Essays (Classic Reprint) Arthur Schopenhauer, 2017-09-12 Excerpt from Religion a Dialogue and Other Essays As a third edition of this little volume is called for I have taken the opportunity of adding two more Essays the brief dialogue on The Failure of Philosophy and some Observations on The Metaphysics of Fine Art The latter Essay Is a

rendering of such portions of a chapter in the original entitled Zur Metaphysik des Schema as appear to be gene rally interesting and easily intelligible The chief statement of Schopenhauer's view of Art is to be found in his large work but as he gives a short essay in his Parerga I have thought it well to include it in this selection About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Arthur 1788-1860 Schopenhauer, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Religion, a Dialogue & Other Essays, 1889 Religion Arthur Schopenhauer, 1890
