Jan Lobeck,2009-02-11 After the tragic murder of our oldest daughter by her husband I was compelled to do something to help other victims of domestic violence I have been forced to be an advocate against a horrible crime that I did not know existed Not wanting my daughter s death to be in vain I have had a God driven force to tell our story and hopefully reach the law enforcement agencies to make them realize how horrible domestic violence is and that they should take domestic violence calls seriously and as a crime not just as a disturbance My hope is to reach other victims and to help all communities understand that we can stop domestic violence if we work together Shortly after our daughter s death I realized that if I could tell our story and could get it published I could help other families from going through the horrible senseless pain that our family has endured Right away the title came to me Not in Vain I was not sure what God wanted me to do with it until I started reading my journal my notes and listening to my tape recordings of the events It was at that time I realized that this man not only murdered our daughter he almost killed my whole family After years of separation and pain our family did survive Everything changed in May of 2004 Our lives changed forever Entangled Dreams Carmen DeSousa,2014-08-12
