The Cunning Secret of the Wise Frederick Burniston,2023-06-25 At first sight my book looks like a collection of essays But there is a drama going on beneath the surface The author is the narrator and the towering figure of C G Jung takes centre stage Throughout the play Jung engages in dialogues and disputes with a number of philosophers theologians and mystics In the final act the last three chapters Jung encounters the great medieval Sufi master Ibn Arabi There are deep affinities between Jung and the Shaykh and these chapters are the merest beginning Conveniently Wed to the Viking Michelle Styles,2020-07-01 A Viking takes a beautiful stranger on the run under his protection by offering her a marriage of convenience in this medieval romance Sandulf youngest of the famed Sigurdsson brothers is on the trail of the assassin who murdered his family On his way he meets Scottish runaway Lady Ceanna a prickly wary woman trying to escape a forced marriage Her beauty and courage make Sandulf realize there may be more at stake than his revenge As the threat of her family follows them there s only one way to keep her safe marriage **The Fundamentalist Mindset** Charles B. Strozier,David M. Terman,James W. Jones,Katherine A. Boyd,2010-04-19 This penetrating book sheds light on the psychology of fundamentalism with a particular focus on those who become extremists and fanatics What accounts for the violence that emerges among some fundamentalist groups The contributors to this book identify several factors a radical dualism in which all aspects of life are bluntly categorized as either good or evil a destructive inclination to interpret authoritative texts laws and teachings in the most literal of terms an extreme and totalized conversion experience paranoid thinking and an apocalyptic world view After examining each of these concepts in detail and showing the ways in which they lead to violence among widely disparate groups these engrossing essays explore such areas as fundamentalism in the American experience and among jihadists and they illuminate aspects of the same psychology that contributed to such historical crises as the French Revolution the Nazi movement and post Partition Hindu religious practice **The Billionaire's Breaking Point** Vivian.Chy,2025-10-23 Sign those fucking papers Hermione Adam commands I look up at him to beg to pour my bleeding heart out to say the last words that are left of me Adam if I sign these papers I breathe out If you let me walk out of here like this I ll never be back in your life again We ll never have those moments I couldn t finish my words He married her for revenge He wanted to destroy her family But Adam Hilton never planned to fall in love with Hermione the woman he swore to use and ruin To free her from the cruel plan he made against her father he served her divorce papers while she was still in prison When she was finally released she found him in bed with another woman Broken and humiliated Hermione signed the papers and vanished Then Adam discovered the truth she wasn t the real daughter of the man he wanted to destroy Now guilt consumes him For eight long months he searches for her vowing to make things right When he finally finds her Hermione swears she ll never forgive him But Adam has made a new vow to never let her go again PS He has reckless ways of begging as wild and consuming as his love for her **The Who and Philosophy** Rocco J. Gennaro,Casey

Harison,2016-06-23 The Who were one of the most memorable and influential of the 1960s British Invasion bands memorable because of their loudness and because they destroyed instruments during performances and influential because of their success in crafting Power Pop singles like My Generation and I Can See for Miles long playing albums Live at Leeds and Who's Next and the rock operas Tommy and Quadrophenia The themes that principal songwriter Pete Townshend imparted into The Who's music drew upon the group's mostly working class London upbringings and early Mod audiences frustration angst irony and a youthful inclination to lash out Like some of his rock and roll contemporaries Townshend was also affected by religious ideas coming from India and the existential dread he felt about the possibility of nuclear war During a career that spanned three decades The Who gave their fans and rock critics a lot to think about The remarkable depth and breadth of The Who's music and their story as one of the most exciting and provocative rock bands over the last half century are the subjects of the philosophical explorations in this collection
